## Why Choose Lamar State College Port Arthur?

- **Premium education without the premium price tag!** LSCPA tuition dropped 29 percent in 2019, making LSCPA one of the most affordable options for higher education in the state of Texas.
- **Flexible schedules.** Classes are offered at times that allow students to balance both work and school.
- **A degree increases your earning potential.** College graduates make more money on average than high school graduates.
- **Still haven't decided? We'll help you find your way.** Attending LSCPA allows time for a student to discover their passion and future career.
- **Smaller class sizes.** Students learn more and are more successful with the one-on-one interaction with our faculty.
- **Success is closer than you think!** Students can commute to class from a local community or walk to class from our apartment style student housing.
- **At LSCPA, we have fun!** Student activities, clubs and athletic events give our students the opportunity to interact and make lifelong friends.
- **The best faculty, the best equipment.** Students have access to industry-leading faculty and the next generation of facilities and equipment.

	3-Hour Course	Full-Time Load	A Year in School

## Important Dates

**SPRING 2021 REGISTRATION BEGINS  
NOVEMBER 1, 2020**

### SPRING 2021 SEMESTER

---

Deadline for meningitis immunization..... January 9  
 First class day..... January 19  
 Final class day..... May 5  
 Spring 2021 Commencement ..... May 14

**SUMMER-FALL 2021 REGISTRATION BEGINS  
APRIL 1, 2021**

### SUMMER I 2021 SEMESTER

---

Deadline for meningitis immunization..... May 28  
 First class day..... June 7  
 Final class day ..... July 12

### SUMMER II 2021 SEMESTER

---

Deadline for meningitis immunization..... July 3  
 First class day..... July 13  
 Final class day ..... August 16

### SUMMER III 2021 SEMESTER

---

Deadline for meningitis immunization..... May 28  
 First class day..... June 7  
 Final class day ..... August 16

**Students finishing a degree or certificate during a summer semester can participate in the Fall 2021 commencement.**

# Enrollment Services

## Here to Help Every Step of the Way!

The goal of the Enrollment Services Office is to make the process of enrolling and being admitted a smooth and easy process. College in general can seem scary and intimidating, especially to a first-time student. That's why Enrollment Service Counselors are here! We want students to be successful and comfortable in their college search during this crucial time in their lives.

Counselors will help guide students in their enrollment and admissions process by making sure their needs are being met in the Admissions, Financial Aid, and Academic Advising, as well as following up with students to make sure they are taking care of their enrollment and registration requirements.

Students are encouraged to make personal one-on-one appointments to visit the campus and have all their questions answered by one of the Enrollment Services Counselors. Scheduled campus walking tours for individuals or groups are available upon request.

**We look forward to seeing you soon!**

help students with admissions,  
registration and financial aid!**

# Enrollment Options at LSCPA

## SEMESTER OPTIONS

### 16-Week Semester

Traditionally a long-term Fall or Spring semester that covers course content over a 16-week period.

### 8-Week Semester

Taught during Spring and Fall semesters, allows for the accelerated course delivery in an 8-week period.

### 6-Week Semester

Taught during summer session, our 6-week semester accelerates course content to cover 16 weeks of information in a 6-week period.

### 13-Day Mini Semester

Mini semester classes are shortened and intense classes that occur between full term semesters that condense course information to a 13-day period.

## INSTRUCTIONAL OPTIONS

### Face-to-Face Instruction

Traditional instruction occurs in a classroom setting. Students attend class two to three times a week. Classroom lectures, demonstrations and homework assignments are common in these courses.

### Online Courses

Students will log in to their courses using the Blackboard Learning Management System. Some online courses may require visits to campus for labs or exams. Students should have good computer skills and be very self-disciplined to be successful in online courses.

### Hybrid Courses

Hybrid Courses are courses in which some traditional face-to-face time has been replaced by online learning activities. The purpose of a hybrid course is to take advantage of the best features of both face-to-face and online learning. When registering for Hybrid Courses, students must select both the classroom lecture section as well as the online lab section.

## Academic and Technical Programs

### Academic Programs

This Division is responsible for scheduling and administering the courses that transfer to four-year institutions, allied health programs that lead to certification or licensure, non-credit continuing courses, online courses, and courses conducted for dual credit in area high schools.

Lamar State College Port Arthur offers general academic courses leading to Associate of Arts and Associate Arts in Teaching degrees.

The courses in these degrees are designed to transfer to four-year institutions and include accounting, art, biology, business, computer science, chemistry, criminal justice, drama, economics, education, English, geography, geology, government, history, mathematics, music, physical education, physics, psychology, speech and sociology.

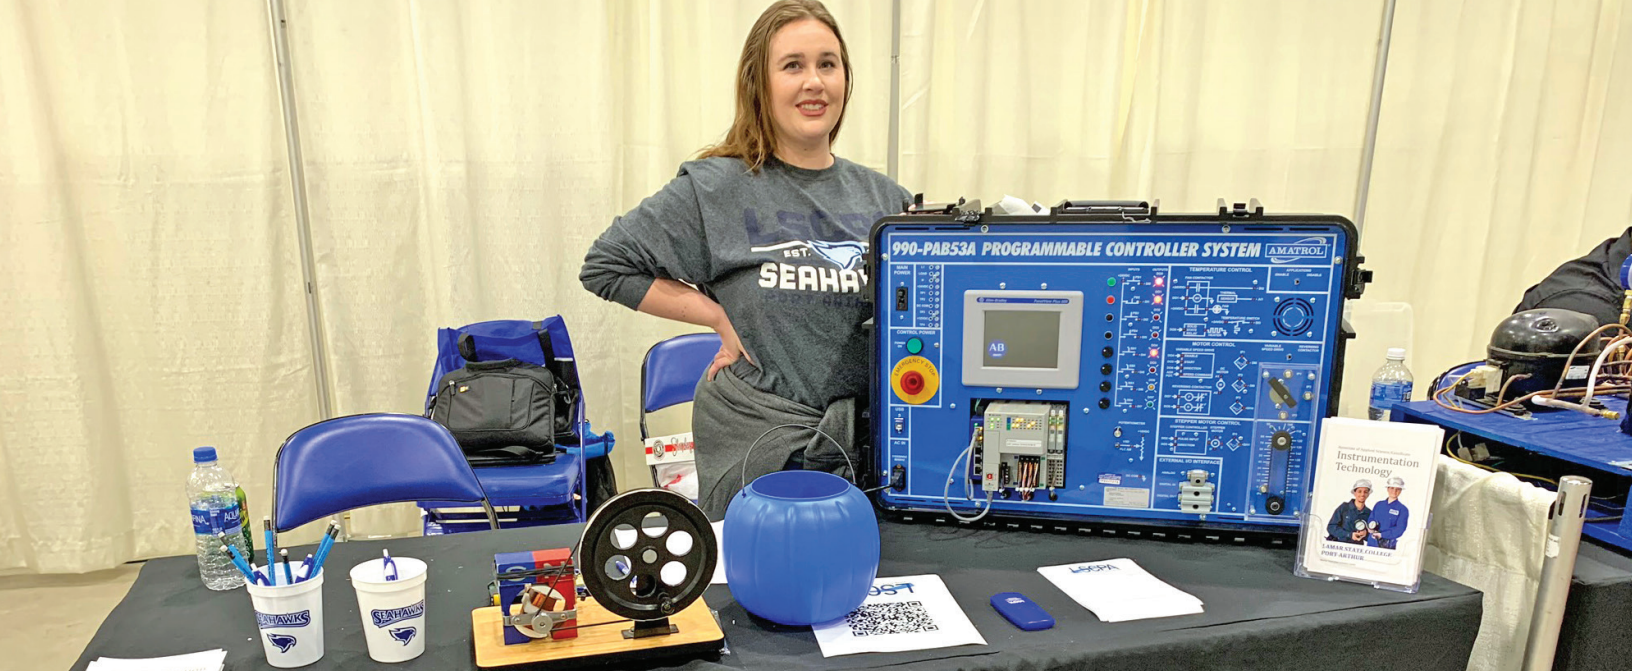

### Technical Programs

The Technical Programs Division programs are designed to provide students with the knowledge and skills necessary for employment in business and industry.

Lamar State College Port Arthur offers technical programs in fields that include allied health, business, industry, music, nursing, and art.

Students who complete a technical education program earn an Associate of Applied Science (AAS) degree or a certificate. AAS degrees take approximately two years to complete and include technical courses and some general education courses.

General education courses include courses in humanities, communication, mathematics, and social awareness. Certificate degree programs include technical courses and take approximately one or two semesters to complete.

# LSCPA's Degrees and Certificates

## Associate of Arts Degrees

- Academic Studies
- Business Administration
- Criminal Justice
- Drama
- Kinesiology
- Studio Art
- Teaching: Art, EC-12
- Teaching: Music, EC-12
- Teaching: Theater Arts, EC-12
- Teaching: Physical Education, EC-12

## Associate of Applied Science Degrees

- Accounting
- Audiovisual Production
- Business Office Management
- Cosmetology Instructor
- Cosmetology Operator
- Commercial Music-Performance
- Commercial Music-Sound Engineer
- Culinary Arts and Hospitality (Fall 2021)
- Drafting
- Graphic Design
- Heating, Ventilation and Air Conditioning
- Instrumentation Technology
- Medical Coding Specialist
- Medical Office Administration
- Paralegal

- Process Technology
- Software Developer/Game Design
- Substance Abuse Counselor
- Surgical Technology
- Upward Mobility LVN to ADN Nursing

## Certificates

- Accounting
- Administrative Assistant
- Computer Programmer
- Cosmetology Instructor
- Cosmetology Operator
- Culinary Arts Foundation (Fall 2021)
- Culinary Arts Specialist (Fall 2021)
- Drafting Technology
- Graphic Design
- Heating, Ventilation and Air Conditioning
- Instrumentation
- Live Sound Design and Technology
- Medical Coding
- Medical Office Assistant
- Music
- Nurse Aide
- Process Technology
- Vocational Nursing

## Advanced Technical Certificates

- Liquefied Natural Gas Manufacturing
- Substance Abuse Counselor

LSCPA alum Deandre Nico performs on The Voice

## Follow Your Passion For Music To A Lucrative Career

Music is more than a hobby with a degree from Lamar State College Port Arthur's Commercial Music program.

With a degree or certificate from LSCPA, potential opportunities include studio recording, live sound, sound design for film and television, sound for web content, marketing, advertising, broadcasting, audio equipment technician, songwriting, music programming, music editing, music production, music business and artist development.

### Sound Engineer Technician

Median salary \$52,390/year\*

### Producers & Directors

Median salary \$71,680\*

### Media and Communications

Median salary \$48,330\*

### Music Director & Composers

Median salary \$49,630\*

\*O\*NET OnLine

### Meet Director Eddie Vandewalker

Eddie Vandewalker is one of the newest faces at Lamar State College Port Arthur, joining the college as the Director of Commercial Music, Visual and Performing Arts during the summer of 2020.

Vandewalker comes to LSCPA with a wide array of career experience in public schools and colleges in Texas and Oklahoma. Most recently, he served as Chair of the School of Music at Mid-America Christian University. He has also worked at Tarrant County College, Wharton County Junior College and Howard College.

He earned his Bachelor of Music at East Central University, his Master's at the University of Texas at Arlington and is pursuing a Doctorate of Musical Arts at the University of North Texas.

His disciplines include choir, voice, piano, music ministry, band, music appreciation and music theory.

Eddie Vandewalker

### Questions?

If you have questions about Commercial Music, Visual and Performing Arts degrees and certificates, contact Vandewalker at 409-984-6520 or vandewalkerre@lamarpa.edu.

# COOK UP A NEW CAREER

**Earn a degree or certificate  
in Culinary Arts and Hospitality**

Have you ever dreamed of being the executive chef of a world-famous restaurant or owning your own signature restaurant? Want to become a pastry chef or open an artisan bakeshop? How about being the manager of a luxurious hotel or destination resort? If you are ready to break away from an ordinary life and fulfill your dream of having an exciting career, take a look at LSCPA's Culinary Arts and Hospitality program.

## **An endless source of opportunity**

- Restaurant industry sales are projected to total \$863 billion in 2019 and equal 4 percent of the U.S. gross domestic product.
- The restaurant industry is expected to add 1.6 million jobs over the next decade, with employment reaching 16.9 million by 2029.
- The restaurant industry is projected to employ 15.3 million people in 2019 — about one in 10 working Americans.

## **CHOOSE YOUR CAREER PATH!**

No matter what aspect of culinary arts and hospitality you enjoy most, there's a career path for you. Many graduates work in restaurants and hotels as cooks, servers, chefs and managers. Working in resorts and cruise ships are also options. Imagine cooking meals while you are sailing around the world!

Ribbon cutting for the Motiva Petrochemical Training Unit

## Liquefied Natural Gas Manufacturing

The Advanced Technical Certificate in Liquefied Natural Gas (LNG) Manufacturing includes the knowledge and skills required to succeed in a liquefied natural gas manufacturing facility.

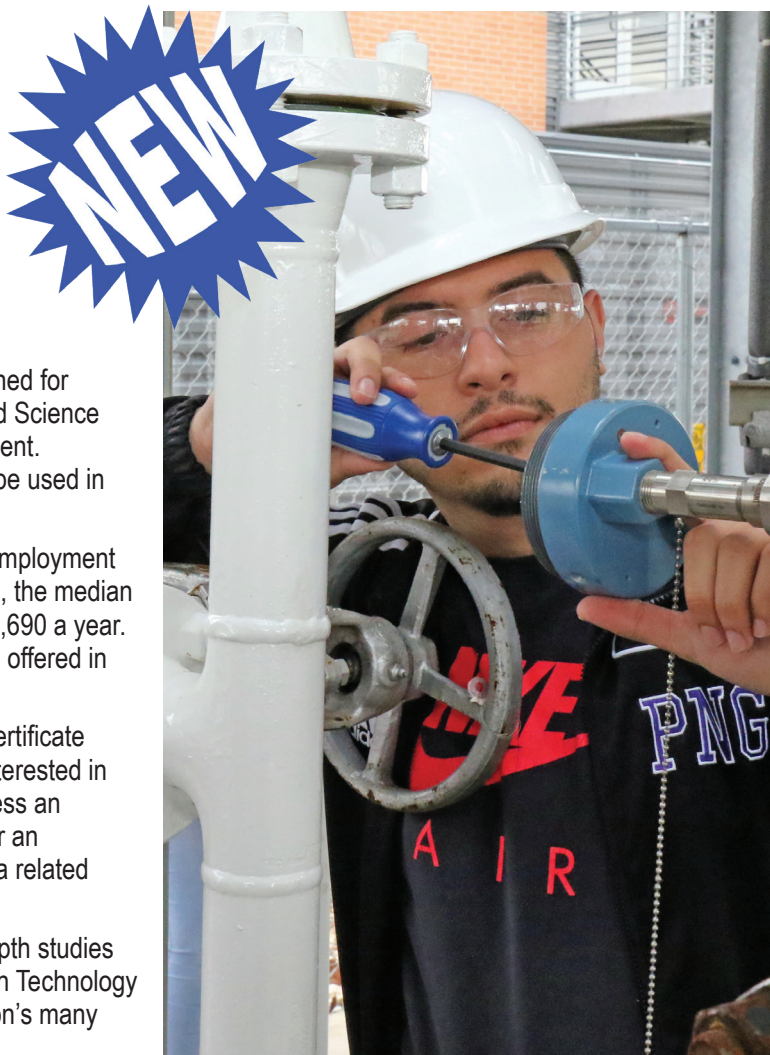

Topics include equipment, operations, LNG properties, LNG storage and operations, principles of refrigeration, safety, state and federal regulations, and gas plant operations.

The Advanced Technical Certificate is designed for individuals who have an Associate of Applied Science Degree in Process Technology or an equivalent. Extensive experience in a related field may be used in lieu of a degree.

According to the most recent occupational employment numbers from the Bureau of Labor Statistics, the median wage for gas plant operators in Texas is \$68,690 a year. Texas leads the nation in the number of jobs offered in this field.

The Liquefied Natural Gas Manufacturing Certificate takes a year to complete. Those students interested in this advanced certificate must already possess an associate's degree in Process Technology or an equivalent degree. Extensive experience in a related field may be used in lieu of a degree.

Lamar State College Port Arthur offers in-depth studies into Process Technology and Instrumentation Technology with opportunities for internships at the region's many petrochemical companies.

## Title V: Developing Hispanic Serving Institution

**Lamar State College Port Arthur is a designated Hispanic Serving Institution.**

The Title V Hispanic Serving Institution (HSI) grant is a five-year, federal competitive grant and is directed by the Department of Education's Office of Post-Secondary Education.

The Title V HSI Grant assists with strengthening institutional programs, facilities, and services to expand the educational opportunities for Hispanic Americans and other underrepresented populations.

Title V grants enable HSI institutions to expand and enhance their academic offerings, program quality, and institutional stability.

### Important Title V Initiatives For All LSCPA Students

- Tutor.com – 24/7 Online Tutoring
- CircleIn – Remote Study App
- Career Coach – Career Exploration Center
- Success Coach Advisors – One on One advising
- Supplemental Instruction – Peer-assisted academic support

### Other Grant Initiatives

- Summer Bridge Program
- Texas Success Initiative Assessment – TSI Test Prep Courses
- Community Outreach Events
- Parent Academy
- Mentoring Program

**Grant Contact Information**  
**409-984-6235 or 409-984-7225**

## Title V: *Camino a la Excelencia*

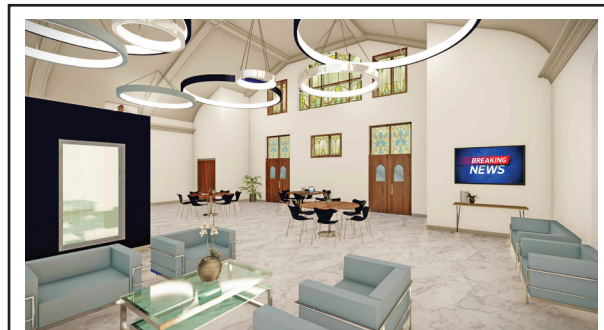

### Pathway to Excellence: *'Camino a la Excelencia'*

The LSCPA Title V Grant project, Pathway to Excellence, expands upon the College's mission as a learning-centered institution that embraces academic excellence by providing multiple pathways to student success.

The Pathway to Excellence project is comprised of two main goals, to increase access to higher education and student success in higher education, for all students in the community.

A particular focus is placed on Hispanic, low-income and first generation (high-need) students at critical points in the two-year and four-year pipeline.

The Excelencia Center will be located in the Ruby Fuller Center, which is being renovated thanks to a \$6.32 million legislative grant. The funding will provide for a modern interior space and major repairs to the exterior of the building. The current classroom addition will be removed, allowing for a grand secondary entrance to the building. Once the renovations are completed, plans include locating classes, faculty, and student support services into the building.

## Partnership with Rice University provides free textbooks for faculty, students

LSCPA is one of 12 schools chosen by Rice University to participate in the OpenStax Institutional Partnership Network. As a participant in the network's first-year program, LSCPA will work to encourage greater use of free, flexible textbooks among its faculty and students.

What that means, in short, is that students and faculty will enjoy the free use of textbooks starting with the Fall 2021 semester.

LSCPA was chosen by Rice University to participate in this strategic partnership with OpenStax by demonstrating an eagerness to drive adoption of open educational resources (OER). Free to access and fully modifiable, OER provides students and educators with fair and flexible teaching and learning materials.

More than a dozen faculty members at Lamar State College Port Arthur have eagerly volunteered to participate in the program. Once the conversion process is completed with a target start date of Fall 2021, a student would be able to complete nearly the entire core curriculum, needing only to purchase one book that costs about \$100. Ultimately, even that one remaining course is being targeted to be converted to the OpenStax partnership, meaning the entire core curriculum textbook requirement would cost nothing.

On average, the institutions who join the network increase the number of students impacted by OER by 158

RICE

openstax™  
COLLEGE

percent after completing the first year. To date, the program has resulted in over 20 million dollars of additional student savings from OER.

Open educational resources, including the free, openly licensed textbooks offered by OpenStax, eliminate cost barriers for students and allow unrestricted, immediate access to learning materials, increasing the likelihood for students to complete their courses successfully. In addition to the immediate benefits to students, open educational resources are offered under a Creative Commons license, allowing instructors to modify textbooks to better serve their unique teaching and evolving student needs.

## Workforce Training & Continuing Education

The Workforce Training and Continuing Education Department offers training designed to provide educational opportunities that maximize workforce performance, career development, and self-enrichment.

The goal of the Workforce Training and Continuing Education Department is to assist individuals, businesses, industries, and the community to meet their training and educational needs. All training events are intended to enrich, strengthen, and support participating students.

Based upon community interest and need, training helps students upgrade their skills, increase their knowledge, learn a new hobby, advance their careers, solve problems, and stimulate their minds.

### Specialized Training

LSCPA designs and plans workforce training tailored to meet businesses' unique needs. Specialized training schedules are designed to meet employee participants' schedules at convenient times and locations on-campus, off-campus or on-site.

Courses are developed to address a broad range of training offerings designed to allow businesses to keep pace with the ever-growing needs of local industry. Training will allow employers to up-skill workers and keep current with changing technology in such industries as petrochemical, manufacturing, and general business.

### Online Classes

#### Instructor Led Courses (ILC)

<http://www.ed2go.com/lupace>

Lifelong Learning courses are affordable, fun, fast, convenient, easy to use, and led by an expert instructor. New sessions start monthly and are in six-week formats with lessons released on each Wednesday and Friday.

- Expert instructors lead each course.
- Offers engaging student discussion areas.

- New sessions starting monthly.
- Confirmation of completion awarded with passing score.

#### Career Training Programs (CTP)

<http://careertraining.ed2go.com/lupace>

Designed by a team of professionals from each respective field, who work to provide the student with effective web-based learning experiences.

- Learn in-demand skills recognized by employers.
- Many courses prepare student for a national certification.
- Start any time; work at your own pace and complete in three to six months and up to a year.
- Textbooks and learning materials are included.
- Support by phone, email, or live chat support is available seven days a week.
- Expert instructor assistance provided.
- Career counselors are provided.

## Workforce Training & Continuing Education

# Building a Better Future for Southeast Texas

### **\$4.8M grant renovates Armory into Craft Training Facility**

Lamar State College Port Arthur received a \$4.8 million grant that, with additional local matching funds, will reach \$6 million to help renovate the existing Armory building, located along Lakeshore Drive. The grant is part of the U.S. Commerce Department's Economic Development Administration (EDA) efforts to help the State of Texas prepare for natural disasters and promote economic resiliency and business growth.

The cavernous three-story building on Lakeshore Drive alongside the LSCPA softball field has stood mostly vacant for nearly a decade. The occasional welding class and dressing rooms for the Seahawks softball team have made the building home.

The Armory, so named because it was once used by the U.S. military prior to being donated to the college, will soon become home to a state-of-the-art craft training facility that will provide education opportunities to help local residents get well-paying jobs quickly. The grant's intent is to serve as a job catalyst to support the economic recovery in an area impacted by Hurricane Harvey. The project is expected to create 167 jobs.

Once the 23,000 square foot building is retrofitted, the college will be able to offer training in welding, scaffold building, pipefitting, rigging, structural steel, electrical, instrumentation, carpentry, concrete work, and a wide variety of safety training.

The College will be partnering with Bechtel Engineering to offer five different craft apprenticeships. Once students complete their College training, they will be interviewed by Bechtel. Those hired will proceed into 1,000 hours of paid on-the-job-training. At the completion of their apprenticeship they will enter the workforce just one step below a Journeyman.

The City of Port Arthur's Economic Development Corporation is contributing \$1 million toward the matching fund requirement, while Bechtel is donating equipment to cover the additional matching amount. With the initial grant, the total investment will be \$6 million.

These projects are all funded under the Bipartisan Budget Act of 2018 in which Congress appropriated to EDA \$600 million in additional Economic Adjustment Assistance Program funds for disaster relief and recovery as a result of Hurricanes Harvey, Irma, and Maria, wildfires, and other calendar year 2017 natural disasters under the Stafford Act.

## Dual Credit Courses

Dual Credit is an opportunity for high school students to earn high school and college credit simultaneously. Students demonstrating college readiness through a college placement exam can earn college and high school credits in the same course by attending classes at their high school, on the Lamar State College Port Arthur campus, and/or online.

### Dual Credit Curriculum

Dual credit courses include opportunities for academic courses designed to meet the core curriculum requirements and for transfer to four-year colleges or universities.

Technical courses are designed to satisfy requirements for Certificate and Associate of Applied Science degrees and are part of the Texas Workforce Education Course Manual.

### Dual Credit Offerings at LSCPA

Computer-Aided Drafting Certificate

Heating, Air Conditioning  
& Refrigeration Certificate

Welding Certificate

Cosmetology Certificate

Associate of Arts in Academic Studies

### Benefits of Dual Credit Courses

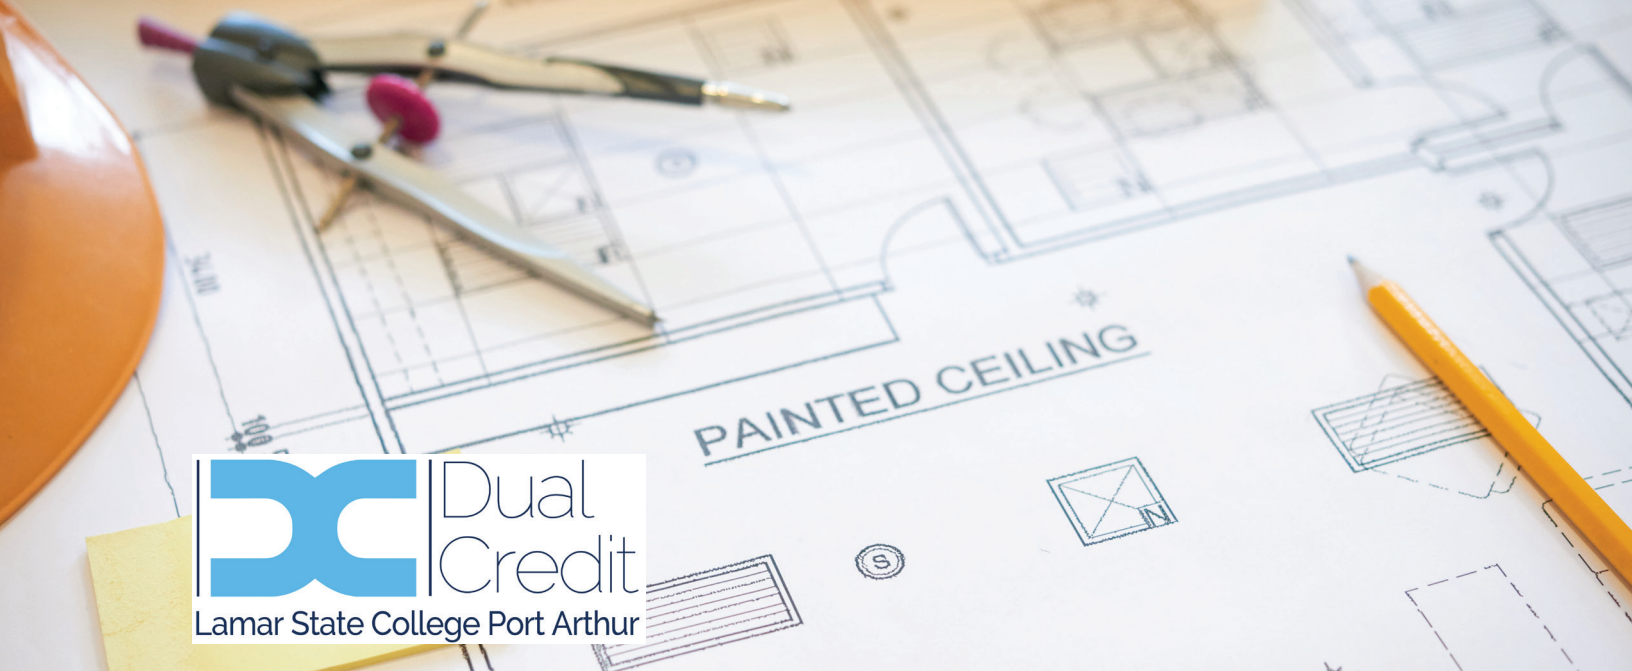

- Earn high school and college credit simultaneously.
- Transfer many dual credit courses to Texas public colleges and universities, private institutions, and some out-of-state colleges and universities.
- Accelerate time to degree completion by getting a head start. Dual credit students can earn up to a year or more of college credit.
- Build confidence by easing the transition to college.
- Students obtain marketable skills for employment.
- Access the LSCPA student support services including library, career services, computer labs, and tutoring.

### Questions?

Contact the Director of  
Dual Credit Programs,  
Hilda Billups, at 409-984-6102  
or [billupshm@lamarpa.edu](mailto:billupshm@lamarpa.edu)

## Featured Program

# Computer-Aided Drafting

Over the last few decades, the drafting, design, and manufacturing industries have become heavily computerized.

The Computer-Aided Drafting program is structured to prepare a segment of the workforce to compete for jobs in these industries.

The Computer-Aided Drafting certificate program prepares students with the skills necessary to become engineering and architectural drafters. Students will qualify for jobs working in the modern design process with engineers, architects, detail drafters, and manufacturers.

## Computer-Aided Drafting

### Level One Certificate (15 Hours)

#### First Year, Fall Semester

DFTG 1409 Basic Computer-Aided Drafting

#### First Year, Spring Semester

DFTG 2419 Intermediate Computer-Aided Drafting

#### Second Year, Fall Semester

DFTG 1417 Architectural Drafting - Residential

#### Second Year, Spring Semester

DFTG 2423 Pipe Drafting

ARCE 1452 Structural Drafting

## Featured Program

# Heating, Air Conditioning & Refrigeration

This program gives students the skillset to begin working in the HVAC field upon graduation.

Students will learn the tools needed in this field and how to properly and safely use the tools.

Students will be given hands-on training for

electricity, refrigeration, installation and duct fabrication. Students will also learn about Environmental Protection Agency Section 609 (EPA) and will take the EPA Technician Section 608 Certification exam.

## Heating, Air Conditioning & Refrigeration

### Level One Certificate (30 Hours)

#### 10th Grade, Fall Semester

HART 1310 HVAC Shop Practices and Tools

#### 10th Grade, Spring Semester

HART 1341 Residential Air Conditioning

#### 11th Grade, Fall Semester

HART 1303 Air Conditioning Control Principles

#### 11th Grade, Spring Semester

HART 1345 Gas and Electric Heating

#### 11th Grade, Fall-Spring Crossover

HART 1301 Basic Electricity for HVAC

#### 12th Grade, Fall Semester

HART 1300 HVAC Duct Fabrication

HART 1307 Refrigeration Principles

#### 12th Grade, Spring Semester

HART 1356 EPA Recovery Certification Preparation

HART 2338 Air Conditioning Installation and Setup

#### 12th Grade, Fall-Spring Crossover

HART 2331 Advanced Electricity for HVAC

# Early College High School

Early College High Schools (ECHS) are institutions that allow those least likely to attend college an opportunity receive both a high school diploma and either an associate degree or at least 60 credit hours toward a baccalaureate degree.

Lamar State College Port Arthur and Port Arthur ISD joined forces in 2017 to open Woodrow Wilson ECHS. In Spring 2020, Wilson ECHS graduated its first-ever class.

## Early College High Schools:

- Enroll historically underserved students, targeting at-risk and economically disadvantaged
- Provide dual credit at no cost to students
- Offer rigorous instruction and accelerated courses
- Provide academic and social support services to help students succeed
- Provide students with highly personalized attention
- Increase college readiness
- Partner with Texas institutions of higher education (IHEs) to reduce barriers to college access

## Academic Studies Degree Plan By Year

Grade 9	Grade 10	Grade 11	Grade 12
Learning Frameworks	Criminal Justice	English Composition I	College Algebra or Quantitative Reasoning
American Music	Introduction to Theater	Federal Government	United States History I
	Art Appreciation	Laboratory Science I	Texas Government
	Video Production	English Composition II	English Literature
		Public Speaking	United States History II
		Laboratory Science II	Business Computer Applications
			Macroeconomics
			Elective

## Degree Electives

#### (CRIJ) Criminal Justice

CRIJ 1301 Introduction to Criminal Justice		3:3:0
CRIJ 1306 Courts Systems and Practices		3:3:0
CRIJ 1310 Fundamentals of Criminal Law		3:3:0
CRIJ 2313 Correctional Systems and Practices		3:3:0
CRIJ 2328 Police Systems and Practices		3:3:0

#### (DRAM) Drama

DRAM 1120 Theater Practicum I		1:0:4
DRAM 1121 Theater Practicum II		1:0:4
DRAM 1310 Introduction to Theater		3:3:0
DRAM 1330 Stagecraft I		3:2:3
DRAM 1351 Acting I		3:2:3
DRAM 1352 Acting II		3:2:3

 = Available Online

DRAM 2120 Theater Practicum III		1:0:4
DRAM 2121 Theater Practicum IV		1:0:4
DRAM 2336 Voice for the Theater		3:3:0
DRAM 2351 Acting III		3:3:0
DRAM 2361 History of the Theater I		3:3:0

## (ECON) Economics

ECON 2301 Principles of Macroeconomics		3:3:0
ECON 2302 Principles of Microeconomics		3:3:0

## (EDUC) Education

EDUC 1100 Learning Framework		1:1:0
EDUC 1300 Learning Framework		3:3:0
EDUC 1301 Introduction to the Teaching Profession		3:3:1
EDUC 2301 Introduction to Special Populations		3:3:1

## (ENGL) English

ENGL 1301 Composition I		3:3:0
ENGL 1302 Composition II		3:3:0
ENGL 2307 Creative Writing I		3:3:0
ENGL 2311 Technical Writing		3:3:0
ENGL 2321 British Literature		3:3:0
ENGL 2322 British Literature I		3:3:0
ENGL 2323 British Literature II		3:3:0
ENGL 2326 American Literature		3:3:0
ENGL 2331 World Literature		3:3:0

## (GEOG) Geography

GEOG 1302 Human Geography		3:3:0
---------------------------	--	-------

## (GEOL) Geology

GEOL 1104 Historical Geology Lab		1:0:2
GEOL 1304 Historical Geology		3:3:0
GEOL 1103 Physical Geology Lab		1:0:2
GEOL 1303 Physical Geology		3:3:0

## (GOVT) Government

GOVT 2305 Federal Government		3:3:0
GOVT 2306 Texas Government		3:3:0

## (HECO) Home Economics

HECO 1322 Nutrition & Diet Therapy		3:3:0
------------------------------------	---	-------

## (HIST) History

HIST 1301 United States History I		3:3:0
HIST 1302 United States History II		3:3:0
HIST 2301 Texas History		3:3:0
HIST 2321 World Civilizations I		3:3:0
HIST 2322 World Civilizations II		3:3:0

## (KINE) Kinesiology

KINE 1301 Foundations of Kinesiology		3:3:0
KINE 1304 Personal/Community Health		3:3:0
KINE 1306 First Aid		3:3:0
KINE 1321 Coaching/Sports/Athletics		3:2:2
KINE 1336 Introduction to Recreation		3:3:0
KINE 2356 Care and Prevention of Athletic Injuries		3:3:0

## (MATH) Mathematics

MATH 1314 College Algebra		3:3:0
---------------------------	---	-------

MATH 1325 Calculus for Business & Social Sciences		3:3:0
MATH 1332 Contemporary Mathematics (Quantitative Reasoning)		
		3:3:0
MATH 1342 Elementary Statistical Methods		3:3:0
MATH 1350 Mathematics for Teachers I		3:3:0
MATH 2312 Pre-Calculus		3:3:0
MATH 2413 Calculus I		4:4:0
MATH 2414 Calculus II		4:4:0

## (MUSI) Music

MUSI 1181 Piano Class I		1:0:3
MUSI 1182 Piano Class II		1:0:3
MUSI 1183 Voice Class Instruction I		1:0:3
MUSI 1303 Fundamentals of Music		3:3:0

MUSI 1306 Music Appreciation		3:3:0
MUSI 1310 American Music		3:3:0

## (PHED) Physical Education

PHED 1101 Strength Training and Conditioning I		1:0:3
PHED 1102 Strength Training and Conditioning II		1:0:3
PHED 1103 Strength Training and Conditioning III		1:0:3
PHED 1104 Strength Training and Conditioning IV		1:0:3

## (PHIL) Philosophy

PHIL 1301 Introduction to Philosophy		3:3:0
--------------------------------------	--	-------

## (PHYS) Physics

PHYS 1101 College Physics I Lab		1:0:3
PHYS 1102 College Physics II Lab		1:0:3
PHYS 1105 Elementary Physics I Lab		1:0:3
PHYS 1107 Elementary Physics II Lab		1:0:3
PHYS 1115 Physical Science I Lab		1:0:3
PHYS 1117 Physical Science II Lab		1:0:3
PHYS 1301 College Physics I		3:3:0
PHYS 1302 College Physics II		3:3:0
PHYS 1305 Elementary Physics I		3:3:0
PHYS 1307 Elementary Physics II		3:3:0

PHYS 1315 Physical Science I		3:3:0
PHYS 1317 Physical Science II		3:3:0

## (PSYC) Psychology

PSYC 1100 Learning Framework		1:1:0
PSYC 1300 Learning Framework		3:3:0
PSYC 2301 General Psychology		3:3:0
PSYC 2314 Lifespan Growth and Development		3:3:0
PSYC 2317 Statistical Methods in Psychology		3:3:0

## (SOCL) Sociology

SOCL 1301 Introduction to Sociology		3:3:0
SOCL 1306 Social Problems		3:3:0
SOCL 2301 Marriage and the Family		3:3:0

## (SOCW) Social Work

SOCW 2361 Introduction to Social Work		3:3:0
---------------------------------------	--	-------

## (SPCH) Speech

SPCH 1315 Public Speaking.....		3:3:0
SPCH 1318 Interpersonal Communications .....		3:3:0
SPCH 1321 Business and Professional Communication .....		3:3:0

Highlighted classes are currently taught as dual credit classes.

## Technical Courses

### (ACNT) Accounting

ACNT 1303 Introduction to Accounting I.....		3:3:1
ACNT 1311 Introduction to Computerized Accounting .....		3:3:1
ACNT 1329 Payroll and Business Tax Accounting .....		3:3:1
ACNT 1331 Federal Income Tax: Individual .....		3:3:1
ACNT 2302 Accounting Capstone .....		3:3:1
ACNT 2333 Advanced Accounting.....		3:3:1
ACNT 2386 Internship Accounting.....		3:0:16

### (ARCE) Architectural Technology

ARCE 1452 Structural Drafting .....		4:2:4
-------------------------------------	--	-------

### (ARTC) Art: Commercial / Graphic Design

ARTC 1313 Digital Publishing I.....		3:3:0
ARTC 2317 Typographic Design.....		3:3:0
ARTC 2335 Portfolio Development for Graphic Design .....		3:3:0
ARTC 2388 Internship-Commercial and Advertising Art .....		3:0:10

### (BUSG) Business

BUSG 2305 Business Law/Contracts .....		3:3:0
--	--	-------

### (CETT) Electrical, Electronic & Communication Engineering Technology

CETT 1315 Digital Applications.....		3:2:2
CETT 1321 Electronic Fabrication .....		3:2:2
CETT 1409 DC-AC Circuits .....		4:3:2

### (CHEF) Culinary Arts / Chef Training

CHEF 1264 Practicum.....		2:0:20
CHEF 1301 Basic Food Preparation.....		3:2:4
CHEF 1305 Sanitation and Safety .....		3:3:1
CHEF 1310 Garde Manger .....		3:2:4
CHEF 1441 American Regional Cuisine .....		4:2:6
CHEF 2302 Saucier.....		3:2:4
CHEF 2331 Advanced Food Preparation.....		3:2:4

### (CSME) Cosmetology

CSME 1310 Introduction to Hair Cutting and Related Theory .....		3:1:7
CSME 1401 Orientation to Cosmetology .....		4:2:6
CSME 1434 Cosmetology Instructor I.....		4:2:6
CSME 1435 Orientation to the Instruction of Cosmetology .....		4:2:6
CSME 1447 Principles of Skin Care/Facials & Related Theory.....		4:2:6
CSME 1453 Chemical Reformation and Related Theory .....		4:2:6
CSME 2251 Preparation for the State Licensing Practical Examination .....		2:0:7
CSME 2302 Introduction to Application of Hair Color .....		3:1:7
CSME 2337 Advanced Cosmetology Techniques .....		3:2:4
CSME 2445 Instructional Theory and Clinic Operation .....		4:2:4
CSME 2401 Principles of Hair Coloring and Related Theory .....		4:2:6
CSME 2410 Advanced Hair Cutting and Related Theory.....		4:2:6
CSME 2414 Cosmetology Instructor II.....		4:2:6
CSME 2449 Cosmetology Instructor III.....		4:2:6
CSME 2444 Cosmetology Instructor IV .....		4:2:6

### (DAAC) Substance Abuse Counselor

DAAC 1164 Practicum (Field Experience) .....		1:0:10
DAAC 1165 Practicum (Field Experience) .....		1:0:10
DAAC 1304 Pharmacology of Addiction .....		3:3:0
DAAC 1305 Co-Occurring Disorders .....		3:3:0
DAAC 1309 Assessment of Substance-Related and Addictive Disorders .....		3:3:0
DAAC 1311 Counseling Theories.....		3:3:0
DAAC 1317 Basic Counseling Skills.....		3:3:0

DAAC 1319 Substance-Related and Addictive Disorders .....		3:3:0
DAAC 2306 Substance Abuse Prevention I .....		3:3:0
DAAC 2307 Addicted Family Intervention .....		3:3:0

DAAC 2330 Multicultural Counseling.....		3:3:0
DAAC 2341 Counseling Alcohol & Other Drug Addictions .....		3:3:2

DAAC 2343 Current Issues.....		3:3:0
DAAC 2454 Dynamics of Group Counseling .....		4:3:2

### (DFTG) CAD / CADD Drafting

DFTG 1305 Technical Drafting .....		3:2:3
DFTG 1409 Basic Computer Aided Drafting.....		4:2:6
DFTG 1417 Architectural Drafting-Residential .....		4:2:4
DFTG 1333 Mechanical Drafting .....		3:2:3
DFTG 1345 Parametric Modeling and Design.....		3:2:3
DFTG 2308 Instrumentation Drafting.....		3:2:3
DFTG 2319 Intermediate Computer-Aided Drafting .....		3:2:4
DFTG 2330 Civil Drafting .....		3:2:4
DFTG 2332 Advanced Computer Aided Drafting .....		3:2:4
DFTG 2338 Final Project-Advanced Drafting .....		3:2:4
DFTG 2386 Internship-Drafting.....		3:0:16
DFTG 2419 Intermediate Computer-Aided Drafting .....		4:2:4
DFTG 2423 Pipe Drafting.....		4:2:4
DFTG 2345 Advanced Pipe Drafting .....		3:2:4

### (ELMT) Electromechanical Technology

ELMT 2333 Industrial Electronics .....		3:2:2
--	--	-------

### (FLMC) Film/Cinema Studies

FLMC 2330 Audio Post Production.....		3:3:1
--------------------------------------	--	-------

### (GRPH) Graphic Design

GRPH 1405 Introduction to Graphic Arts and Printing .....		4:3:2
---	--	-------

### (GAME) Computer Game Design

GAME 1303 Introduction to Game Design & Development.....		3:3:1
GAME 1336 Introduction to 3D Game Modeling .....		3:3:1

### (HAMG) Hospitality Administration / Management

HAMG 1321 Introduction to Hospitality Management .....		3:3:1
HAMG 1340 Hospitality Legal Issues .....		3:3:0
HAMG 2301 Principles of Food and Beverage Operations .....		3:3:1

### (HART) Heating, Ventilation and Air Conditioning

HART 1300 HVAC Duct Fabrication .....		3:2:4
HART 1301 Basic Electricity for HVAC.....		3:2:4
HART 1303 Air Conditioning Control Principles .....		3:2:4
HART 1307 Refrigeration Principles .....		3:2:4
HART 1310 HVAC Shop Practices and Tools .....		3:2:4
HART 1341 Residential Air Conditioning .....		3:2:4
HART 1345 Gas and Electric Heating .....		3:2:4
HART 1356 EPA Recovery Certification Preparation .....		3:2:4
HART 2331 Advanced Electricity for HVAC .....		3:2:4
HART 2336 Air Conditioning Troubleshooting.....		3:1:4
HART 2338 Air Conditioning Installation and Startup.....		3:1:4
HART 2341 Commercial Air Conditioning.....		3:2:4
HART 2342 Commercial Refrigeration .....		3:2:4
HART 2345 Residential Air Conditioning Systems Design.....		3:2:4
HART 2349 Heat Pumps.....		3:2:4
HART 2388 Internship: Heating, Air Conditioning, Ventilation and Refrigeration Maintenance Technology .....		3:0:18

**(HITT) Health Information / Medical Records**

HITT 1266 Practicum ..... 2:0:14

HITT 1301 Health Data Content and Structure .....  3:3:1

HITT 1303 Medical Terminology II .....  3:3:0

HITT 1305 Medical Terminology I .....  3:3:0

HITT 1313 Coding and Insurance ..... 3:3:1

HITT 2335 Coding and Reimbursement Methodologies .....  3:3:1

HITT 2245 Coding Certification Exam Review .....  2:2:0

HITT 2346 Advanced Medical Coding .....  3:3:1

**(HRPS) Health Profession Skills**

HRPS 2331 General Health Professions Management ..... 3:3:1

**(IMED) Information Multimedia**

IMED 1301 Introduction to Digital Media ..... 3:3:1

IMED 1416 Web Design I .....  4:3:2

**(INTC) Instrumentation Technology**

INTC 1301 Principles of Industrial Measurements I ..... 3:2:2

INTC 1312 Instrumentation and Safety ..... 3:3:1

INTC 1341 Principles of Automatic Control ..... 3:2:3

INTC 1343 Application of Industrial Automatic Control ..... 3:2:2

INTC 1348 Analytical Instrumentation ..... 3:2:3

INTC 1355 Unit Operations ..... 3:2:2

INTC 1356 Instrumentation Calibration ..... 3:2:2

INTC 2336 Distributed Control and Programmable Logic ..... 3:3:1

INTC 2388 Internship for Instrumentation Technology ..... 3:0:18

**(ITSC) Computer & Information Sciences**

ITSC 1305 Introduction to PC Operating Systems ..... 3:3:1

ITSC 1401 Introduction to Computers .....  4:3:2

**(ITNW) Computer & Information Sciences**

ITNW 1325 Fundamentals of Networking Technologies ..... 3:3:1

**(ITSE) Information Technology Programming**

ITSE 1333 Mobile Applications Development ..... 3:3:1

ITSE 1346 Database Theory and Design ..... 3:3:1

ITSE 1359 Introduction to Scripting Languages .....  3:3:1

ITSE 2321 Objected-Oriented Programming .....  3:3:1

ITSE 2357 Advanced Object-Oriented Programming .....  3:3:1

ITSE 2359 Advanced Computer Programming ..... 3:2:3

ITSE 2386 Internship Computer Programming / Programmer ..... 3:0:10

**(ITSW) Information Technology Systems**

ITSW 1301 Introduction to Word Processing .....  3:3:1

ITSW 1304 Introduction to Spreadsheets ..... 3:3:1

ITSW 1310 Introduction to Presentation Graphics Software ..... 3:3:1

ITSW 2334 Advanced Spreadsheets .....  3:3:1

ITSW 2340 Advanced Word Processing ..... 3:3:1

**(ITSY) Computer and Information Systems Security**

ITSY 1300 Fundamentals of Information Security ..... 3:3:1

 = Available Online

**(LGLA) Paralegal**

LGLA 1307 Introduction to Law and the Legal Professions .....  3:3:0

LGLA 1345 Civil Litigation .....  3:3:1

LGLA 1355 Family Law ..... 3:3:0

LGLA 1401 Legal Research & Writing ..... 4:3:2

LGLA 2303 Torts and Personal Injury Law .....  3:3:0

LGLA 2313 Criminal Law and Procedure ..... 3:3:0

LGLA 2339 Certified Paralegal Exam Review ..... 3:3:0

LGLA 2388 Paralegal Internship ..... 3:0:10

LGLA 2433 Advanced Legal Document Preparation ..... 4:3:2

**(LNGM) Liquefied Natural Gas**

LNGM 1370 Introduction to Liquefied Natural Gas ..... 3:3:0

LNGM 1371 Liquefied Natural Gas Hazards & Safety Practices ..... 3:2:2

LNGM 2472 Liquefied Natural Gas Plant Operations ..... 4:3:2

**(MDCA) Medical Assistant**

MDCA 1205 Medical Law and Ethics .....  2:2:0

MDCA 1321 Administrative Procedures ..... 3:3:1

**(MUSB) Commercial Music Business**

MUSB 1305 Survey of the Music Business ..... 3:3:0

**(MUSC) Commercial Music**

MUSC 1120 Live Sound Workshop ..... 1:0:3

MUSC 1196 Special Topics in Recording Arts Technology ..... 1:0:3

MUSC 1211 Commercial Music Sight Singing and Ear Training I ..... 2:2:1

MUSC 1213 Commercial Music Theory I ..... 2:2:1

MUSC 1235 Commercial Music Software ..... 2:2:1

MUSC 1321 Songwriting I ..... 3:3:0

MUSC 1325 Acoustics ..... 3:3:0

MUSC 1327 Audio Engineering I ..... 3:2:4

MUSC 1331 MIDI ..... 3:3:1

MUSC 1333 Synthesis I ..... 3:3:0

MUSC 1400 Sound System Design and Installation ..... 4:3:3

MUSC 1405 Live Sound I ..... 4:3:3

MUSC 1423 Audio Electronics ..... 4:3:3

MUSC 2211 Commercial Music Sight Singing / Ear Training II ..... 2:2:1

MUSC 2213 Commercial Music Theory II ..... 2:2:1

MUSC 2327 Audio Engineering II ..... 3:2:4

MUSC 2330 Commercial Music Arranging and Composition ..... 3:3:1

MUSC 2345 Synthesis II ..... 3:3:1

MUSC 2347 Audio Engineering III ..... 3:2:4

MUSC 2351 Audio for Video ..... 3:3:1

MUSC 2402 Sound Systems Technician ..... 4:3:3

MUSC 2403 Live Sound II ..... 4:3:3

MUSC 2448 Audio Engineering IV ..... 4:3:3

MUSC 2457 Audio Engineering V ..... 4:3:3

MUSC 2458 Audio Engineering VI ..... 4:3:3

MUSC 2486 Internship—Recording Arts Technology ..... 4:0:12

**(MUSP) Commercial Music Ensemble, Piano, Individual Instruction**

MUSP 1151 Small Commercial Music Ensemble: Recording ..... 1:0:3

MUSP 1202 Introductory Group Voice ..... 2:1:2

MUSP 1204 Applied Commercial Music: Bass Guitar ..... 2:1:3

MUSP 1205 Applied Commercial Music: Commercial Guitar ..... 2:1:3

MUSP 1210 Applied Commercial Music: Piano ..... 2:1:3

MUSP 1217 Applied Commercial Music: Percussion ..... 2:1:3

MUSP 1223 Applied Commercial Music: Synthesizer ..... 2:1:3

MUSP 1227 Applied Commercial Music: Voice ..... 2:1:3

MUSP 1240 Large Commercial Music Ensemble: Band ..... 2:1:4

MUSP 1242 Small Commercial Music Ensemble ..... 2:1:4

MUSP 1253 Large Commercial Music Ensemble: Rock ..... 2:1:4

MUSP 2103 Commercial Class Piano ..... 1:0:3

**(NURA) Nurse Aide**

NURA 1160 Clinical Nursing Assistant/Aide and Patient Assistant/Aide ..... 1:0:3

NURA 1301 Nurse Aide for Health Care..... 3:2:4

**(PHTC) Photography, Commercial**

PHTC 1311 Fundamentals of Photography ..... 3:3:1

**(POFI) Professional Office Information**

POFI 1349 Spreadsheets.....  3:3:1

POFI 2340 Advanced Word Processing .....  3:3:1

POFI 2350 Databases.....  3:3:1

**(POFM) Professional Office Medical**

POFM 1300 Basic Medical Coding ..... 3:3:1

POFM 1302 Medical Software Applications .....  3:3:1

POFM 2310 Intermediate Medical Coding ..... 3:3:1

POFM 2386 Internship–Medical Administrative / Executive Assistant / and Medical Secretary..... 3:0:10

**(POFT) Professional Office Technology**

POFT 1127 Introduction to Keyboarding..... 1:1:1

POFT 1309 Administrative Office Procedures I..... 3:3:1

POFT 1313 Professional Workforce Preparation..... 3:3:0

POFT 1321 Business Math ..... 3:3:1

POFT 2312 Business Correspondence & Communication...  3:3:1

POFT 2331 Administrative Project Solutions .....  3:3:1

POFT 2386 Internship Administrative Assistant/Secretarial Science ..... 3:0:10

**(PSTR) Baking & Pastry Arts / Baker / Pastry Chef**

PSTR 1301 Fundamentals of Baking..... 3:2:4

**(PTAC) Process Technology**

PTAC 1302 Introduction to Process Technology..... 3:2:2

PTAC 1408 Safety, Health and Environment I..... 4:4:1

PTAC 1410 Process Technology I Equipment..... 4:3:2

PTAC 1432 Process Instrumentation I..... 4:3:2

PTAC 2314 Principles of Quality ..... 3:3:1

PTAC 2336 Process Instrumentation II..... 3:2:2

PTAC 2420 Process Technology II Systems ..... 4:3:2

PTAC 2438 Process Technology III Operations ..... 4:3:2

PTAC 2446 Process Troubleshooting..... 4:3:2

PTAC 2487 Internship Process Technology..... 4:0:20

**(RNSG) Registered Nurse**

RNSG 1118 Introduction to Professional Nursing for Integrated Programs ..... 1:0:4

RNSG 1137 Professional Nursing Concepts III ..... 1:1:0

RNSG 1228 Introduction to Health Care Concepts ..... 2:2:0

RNSG 1260 Clinical-Transition Clinical I..... 2:0:6

RNSG 1300 Health Assessment Across the Lifespan .....  3:2:2

RNSG 1424 Concept-Based Transition to Professional Nursing Practice..... 4:2:4

RNSG 1538 Health Care Concepts III ..... 5:4:4

RNSG 2138 Professional Nursing Concepts IV ..... 1:1:1

RNSG 2361 Clinical II-Nursing..... 3:0:9

RNSG 2362 Clinical–Nursing ..... 3:0:12

RNSG 2539 Health Care Concepts IV ..... 5:4:4

**(RSTO) Restaurant, Culinary, and Catering Management / Manager**

RSTO 1313 Hospitality Supervision..... 3:3:1

RSTO 1325 Purchasing for Hospitality Operations ..... 3:3:1

RSTO 1380 Cooperative Education: Restaurant, Culinary and Catering Mgmt / Manager ..... 3:1:20

RSTO 2301 Principles of Food and Beverage Controls ..... 3:3:1

**(RTVB) Radio and Television Broadcasting**

RTVB 2330 Film and Video Editing ..... 3:3:1

RTVB 2340 Portfolio Development..... 3:3:1

**(SRGT) Surgical Technology**

SRGT 1360 Clinical–Surgical Technology ..... 3:0:16

SRGT 1405 Introduction to Surgical Technology ..... 4:2:6

SRGT 1409 Fundamentals of Perioperative Concepts and Techniques ..... 4:2:6

SRGT 1442 Surgical Procedures II..... 4:3:2

SRGT 1461 Clinical–Surgical Technology ..... 4:0:24

SRGT 1462 Clinical–Surgical Technology ..... 4:0:24

SRGT 1541 Surgical Procedures I..... 5:4:3

SRGT 2130 Professional Readiness ..... 1:1:0

**(TECM) Technical Math**

TECM 1301 Industrial Mathematics..... 3:3:1

**(VNSG) Vocational Nursing**

VNSG 1204 Foundations of Nursing..... 2:2:1

VNSG 1227 Essentials of Medication Administration ..... 2:2:1

VNSG 1230 Maternal-Neonatal Nursing..... 2:2:1

VNSG 1231 Pharmacology ..... 2:2:1

VNSG 1234 Pediatrics ..... 2:2:1

VNSG 1261 Clinical-Licensed Practical / Vocational Nurse Training ..... 2:0:12

VNSG 1400 Nursing in Health & Illness I..... 4:2:6

VNSG 1409 Nursing in Health & Illness II ..... 4:3:4

VNSG 1462 Clinical Licensed Practical / Vocational Nurse Training ..... 4:0:24

VNSG 1463 Clinical Licensed Practical / Vocational Nurse Training ..... 4:0:24

VNSG 2410 Nursing in Health & Illness III ..... 4:2:7

**(WLDG) Welding**

WLDG 1421 Welding Fundamentals ..... 4:2:6

WLDG 1428 Introduction to Shielded Metal Arc Welding (SMAW) ..... 4:2:6

WLDG 1430 Introduction to Gas Metal Arc Welding (GMAW) ..... 4:2:6

WLDG 1434 Introduction to Gas Tungsten Arc Welding (GTAW)..... 4:2:6

WLDG 1435 Introduction Pipe Welding ..... 4:2:6

## Paying For College

### Paying Tuition

Tuition and fees are subject to change based on the Texas State University System, LSCPA policies and/or state and federal regulations.

### Payment of Fees

A student is not registered until all fees are paid in full or the student has been approved for an installment plan.

### Payment Options

**In Person.** The Cashier's Office is located in the Business Office on Procter Street. Regular business hours are 8 a.m. to 5 p.m., Monday through Friday. The Cashier's Office is closed from noon to 1 p.m.

**By Mail.** Send check or money order to the address below. You must include your student ID number (P number) on your check or money order. Cashier's Office, Lamar State College Port Arthur, P.O. Box 310, Port Arthur, TX 77642.

**Web System.** Students can pay their tuition and fees by check or credit card online through their My.LamarPA.edu account and use Self Service. LSCPA accepts American Express, VISA, Discover, or MasterCard. Students may obtain an account balance by going to [www.lamarpa.edu](http://www.lamarpa.edu). Follow the instructions to locate the account balance and make payment.

### Payment Deadlines

Students are responsible for paying tuition and fees prior to the deadline date. Students who fail to meet payment deadlines will be dropped from their courses.

Students may obtain account balance information on BANNER Self Service.

### Payment Amounts

**Payment in full.** Students that have paid all their tuition and fees for a semester will be registered for classes in that semester.

### More than 50 percent of tuition and fees paid.

Students who pay more than 50 percent but less than 100 percent of their tuition and fees for a semester will be placed on the Installment Payment Plan.

### Less than 50 percent of tuition and fees paid.

Students who pay less than 50 percent of their tuition and fees for a semester will be dropped from all classes.

### Installment Payment Option

Students may enter into an installment contract with the college (during the fall and spring semesters only). Any payment for an amount less than the full balance of the account constitutes an acceptance of an installment contract with the college. Drop and/or withdrawal refunds for students using the installment plan are calculated as a percentage of the total tuition and fees assessed, not as a percentage of any partial payments.

If a class is added after a student is placed on installments, the student is responsible for 100 percent of the tuition and fees for the added class. The tuition and fees for the added class must be paid before the payment date listed in the calendar.

## Other Financial Resources for Students

### Students with Disabilities

The Texas Workforce Commission/Workforce Solutions offers help with tuition and non-refundable fees to students who have disabilities, provided their vocational objectives have been approved by their vocational rehabilitation counselor. Services are available to help students with disabilities become employable. Application for services should be made at the Workforce Solutions – Port Arthur Office, 4680 Hwy 365, Port Arthur, TX 77642, (409) 962-1236 and Workforce Solutions – Beaumont Office, 510 Park, Suite 100, Beaumont, TX, 77701, (409) 839-8045 or [www.setworks.org](http://www.setworks.org).

### Valedictorians

Valedictorians from accredited Texas high schools are entitled to an exemption from payment of tuition for the two regular semesters immediately following graduation.

Fees are not exempt. During registration, valedictorians should report to the Admissions Office for fee adjustments. The names of valedictorians of all Texas high schools are certified by principals to the Texas Education Agency. The college receives the list for reference.

### Student Employment

Employment opportunities are available through the College Work-Study to LSCPA students as part of the financial assistance program. Work-Study allows students to earn money to help with educational expenses while working on campus. These jobs provide valuable work experience, with flexible hours. Students can work up to 20 hours a week.

To receive college work-study funds, students have to apply for Financial Aid at [www.fafsa.gov](http://www.fafsa.gov) and also turn in all required documents to the Financial Aid Office. Students must be enrolled in at least six hours and must meet the requirements of Satisfactory Academic Progress, students must have at least a 2.0 GPA and have course completion rate of 70 percent. To apply, please visit the Human Resources Office.

Local businesses and industries provide a number of part-time and full-time jobs which allow students to earn part or all of these expenses while attending the college. Students can look on the Texas Workforce Commission website at [twc.texas.gov/jobseekers](http://twc.texas.gov/jobseekers).

## Applying for Financial Aid

1. LSCPA requires all students applying for grants, loans or college work-study employment to file the Free Application for Federal Student Aid (FAFSA) to determine their degree of need. Processing takes three to five weeks, so students planning to meet the April 1 deadline should file their applications by October 1. Dependent students will need their parent's most current federal tax return and income information. We recommend using the IRS Data Retrieval System.
2. Students will check the email account provided by the college and should promptly respond to all requests from the LSCPA FINANCIAL AID OFFICE. Applications will not be completed until all necessary forms are received. Once this process has been completed, students will be emailed an award notification if in good academic standing.
3. Students must meet enrollment requirements:
  - A student must be enrolled at least half-time (six hours) during each semester to be considered for most federal and state financial aid programs.
- Students enrolled for less than half-time enrollment status will be considered for the Federal Pell Grants only.
- Financial aid is initially awarded based on full-time enrollment for the fall and spring semesters (half-time for the summer semesters) and will be adjusted to the student's actual enrollment.
- A student must be in a degree-seeking or eligible certificate program and taking courses for credit hours applicable towards a degree to be considered for financial assistance. Financial aid may be paid for repeated coursework previously taken in the program but may not include more than one repetition of a previously passed course.
4. A student must have received credentials, earned a high school diploma, GED or completed a state-accredited approved homeschool program.
5. Students should log into their My.LamarPA.edu account and click on the Financial Aid Applicant Link to monitor their financial aid status or view/accept awards.

**The college will continue to award aid as long as funds are available. However, the most desirable types of aid are normally expended early. Therefore, students should make every effort to meet the January 15 application deadline. Applicants who are high school seniors should meet the January 15 deadline to be given first priority.**

## Important Financial Aid Deadlines

There are several important dates for financial aid students to remember. Students are encouraged to file their FAFSA early to allow timely processing.

Semester	FAFSA Priority Deadline	FAFSA and all documents submitted by	Financial Aid Award Package received by
Fall	January 15	April 1	15 business days
		After April 1	30 business days
Spring	November 1	October 31	15 business days
		After November 1	30 business days*
Summer	April 1	May 1	15 business days

\* Students should complete their FAFSA by January 1. This is the state priority deadline for identifying eligible students to be given priority in receiving awards through state financial aid programs.

The FAFSA and any required documents need to be submitted by April 1 to allow for prompt packaging of financial aid awards. By submitting all documentation by priority dates, students will be packaged for financial aid before the semester begins.

## Verifying Financial Aid Status

Help your students check their financial aid status at Lamar State College Port Arthur by using the steps below:

1. Login to [my.lamarpa.edu](https://my.lamarpa.edu).
2. Enter your username and password.
3. Click on the “My Services” tab.
4. Click on the “Financial Aid Applicant” link.
5. Here you will be asked to answer required questions and see your Required Documents.
6. Your Student Requirements has two sections Unsatisfied Requirements and Satisfied Requirements.
7. Check both sections. If all documents are satisfied then your application is completed and you are just waiting on to be awarded.
8. Please remember to check your LamarPA.edu Email account for updates.

If you have any questions or concerns, please feel free to contact the Office of Student Financial Aid at (409) 984-6203 or email us at [financialaid@lamarpa.edu](mailto:financialaid@lamarpa.edu).

If you do not have a username or password to login, please contact the Help Desk at (409) 984-6150.

## How To Apply For A Scholarship

1. Go to [Lamarpa.edu](http://Lamarpa.edu) and click on “Current Students” or “Future Students.”
2. Click on “Scholarships” in the “Paying for College” box.
3. Click on “Fill Out LSCPA Scholarship Application,” and select SUBMIT.

This application is used to determine eligibility for all scholarships we offer. Scholarships can range from \$75 to \$1,500 a semester!

To qualify for scholarships, you must:

- Have applied and been accepted to LSCPA.
- Have at least a 2.5 overall GPA.
- Be enrolled in at least 6 hours (part-time scholarship are available).

Once you apply, you should regularly check your [My.LamarPA.edu](http://My.LamarPA.edu) account email for award notification.

## Gates Memorial Library

The Gates Memorial Library is a two-story Classical Revival building that was entered into the National Register of Historic Places in 1981.

The library includes a 47-station open student computer lab, a quiet study carrel area, group study areas, a periodical reading room, extensive stack areas, individual audiovisual rooms, a multi-purpose conference room and expanded reference and access services areas.

Plenty of soft seating inside the library complements an idyllic outside fountain garden surrounded by year-around patio seating. The online public access catalog is available 24 hours a day on or off campus and is part of a system that automates the major library components.

Materials are accessible in many formats, including paper, videotapes, DVDs, CD-ROMs and the internet. Through password authentication, students and faculty have continuous access to the library's vast electronic holdings, from anywhere on or off campus. The total volume count numbers more than 60,000 and an e-book collection provides an additional 45,000 titles. The total periodical count numbers more than 30,000 subscriptions in both paper and electronic formats.

### Hours of Operation

#### Fall and Spring Semesters

Mon-Thu 7:30 a.m. - 7:30 p.m.

Sat-Sun Closed

#### Summer Semesters

Mon-Thu 7:30 a.m. - 4:45 p.m.

Friday 7:30 a.m. - 4:00 p.m.

Sat-Sun: Closed

#### Intersessions

Mon-Fri: 7:30 a.m. - 4:45 p.m.

Sat-Sun: Closed

# Student Success Center

Lamar State College Port Arthur is so dedicated to student success that we constructed an entire building for that purpose!

The Student Success Center helps students achieve academic excellence and is an integral component of the College's education programs.

The Student Success Center also assists students to successfully complete courses and programs of study, prepare for and pass a range of standardized exams, and develop and improve academic skills essential for success in a baccalaureate program. The Center is home to the College's testing services.

## Services

The LSCPA Student Success Center is located in the Student Success Center Building. The Center was designed with the needs of students in mind and supports the developmental education instructional program.

## Tutoring

Tutoring for math and English is provided by tutors and is free of charge to all students. Tutors are students who have been selected for the position through faculty recommendation and/or test performance. Several members of the developmental faculty are also on hand to provide assistance to those students who need more help.

In addition, there are two Teacher Certified Tutors on staff to assist students in both math and English, free of charge.

## Computer Lab

A computer lab contains computers and printers for student use. The system provides word processing capabilities and tutorial programs.

## DVDs

The Student Success Center maintains equipment to view DVDs on the following subjects:

- Pre-Algebra
- Beginning Algebra
- Intermediate Algebra
- College Algebra
- College Learning Skills

## Makeup Exams

Makeup exams may be administered in the Center. Upon arrival, students sign in on a computer and submit a photo ID for verification. The Center's staff is responsible for the administration and security of the exams. Cell phones are prohibited while testing.

For more information on services provided by the Student Success Center, please call 409-984-6245 or 1-800-477-5872 ext. 6245.

## Hours of Operation

Monday-Thursday (Fall & Spring)	8 a.m. - 8 p.m.
Monday-Thursday (Summer)	8 a.m. - 5 p.m.
Friday	8 a.m. - 5 p.m.
Saturday-Sunday	Closed

## Office of Disability Services

- Services are offered to the following student populations:
- Students with disabilities are encouraged to register with Disability Services and provide appropriate documentation of their disability. Students should register with Disability Services as early as possible to help ensure that all accommodations are in place by the beginning of the semester.
- Individuals preparing for non-traditional training and employment. Non-traditional fields are “occupations or fields of work, including careers in computer science, technology and other current and emerging high skill occupations, for which individuals from one gender make up less than 25 percent of the individuals employed in each such occupation or field of work.”
- Mentoring is available for those majoring in non-traditional programs.
- Students from economically disadvantaged families and low-income students
- Students who are in or ageing-out of the foster care system
- Homeless students
- Students with a parent who is on active duty in the US Armed Forces
- Single Parents and Single Pregnant Women
- Out-of-Workforce Individuals - An individual who worked without pay to provide care for the home and family and as a result has diminished marketable skills, is unemployed or underemployed and finds it difficult to obtain or upgrade employment, and has been forced into the workforce due to divorce, death, or injury of a spouse/partner who was the income provider for the family.
- English Learners

# Seahawk Landing Apartments

Seahawk Landing is the premier student housing facility for Lamar State College Port Arthur.

Seahawk Landing is conveniently located across from campus at 1550 Lakeshore Drive and offers one- to four-bedroom apartments ranging in size from 404- to 1,107-square-feet.

Although cafeteria facilities are available during the day on campus and all apartments come with a full kitchen, the purchase of a meal plan is not required to live at Seahawk Landing.

More details are available by calling the Seahawk Landing office at 409-204-0982 or by visiting [www.SeahawkLanding.com](http://www.SeahawkLanding.com).

## Community Amenities

- Free Cable & Internet
- Volleyball Court
- Study Room
- Recreation Room
- On-Site Management
- Media Room
- Lounge with Full Kitchen
- Laundry Facilities
- High Speed Internet
- Computer Lab
- BBQ/Picnic Area
- Half-Court Basketball

## Supporting the Student Body

### Student Activities

The goal of the Office of Student Activities is to promote student success by providing opportunities to enhance the student experience on campus and in the community. The office, located on the second floor of the Student Center, provides a variety of services for students and plans and coordinates major campus events throughout the year, such as fall festival, homecoming, health and safety days and Spring Fling. Students also enjoy spending time between classes in the student lounge and game room, also housed on the second floor of the Student Center. Students are encouraged to volunteer for campus events as an SGA member.

Students can share their LSCPA experience by tagging #LSCPA or @LSCPA in your photos, tweets and posts.

### Seahawk Food Pantry: Never go hungry

No student or campus employee at Lamar State College Port Arthur should ever go hungry.

Food insecurity is a problem that some LSCPA students and employees have to deal with from time to time.

To help prevent this issue, LSCPA has teamed up with its partners across campus to create The Seahawk Food Pantry, a free and anonymous food pantry especially for LSCPA students, faculty, and staff.

The mission of the The Seahawk Food Pantry is to help Lamar State College Port Arthur students succeed in their pursuit of higher education and to support those who help provide this education by providing access to free, nutritious food and additional resources.

### Student Government Association

The mission of the Student Government Association of Lamar State College Port Arthur is to be an advocate for the student body, as well as a means of communication between students, faculty, staff and administration.

The purpose of the Student Government Association (SGA) is to represent, lead, and unify by enhancing the student experience and quality of life on campus.

The SGA charges itself with being a voice for the student body and will be responsive to the issues of student's rights and concerns at LSCPA.

The SGA promotes the image of the institution and its student body and leads with integrity and honor. The SGA offers opportunities for leadership development and personal growth within the LSCPA community.

## Student Organizations

### **A Class Act-Drama**

Supports and increases awareness and knowledge of the performing and visual arts. Advisor: Dr. Laura Stafford, 984-6331

### **Allied Health Society**

Represents a positive, professional image of the Allied Health Department. Advisor: Truman Hare, 984-6372

### **Alpha Delta Nu**

Honor society recognizing academic excellence for nursing students. Advisors: Julie Stamey, 984-6373, and Melanie James, 984-6374

### **Business Accounting Society**

Enriching students who are interested in accounting through teaching, networking, and mentoring. Advisor: Adriane Champagne, 984-6416

### **Gamers United**

Promotes activities for those interested in various types of games and video games. Advisor: Sarita Medhekar, 984-6390

### **Phi Theta Kappa**

Honor society recognizing academic excellence at the freshman and sophomore levels. Advisor: Albert Faggard, 984-6421, Co-Advisor: Dr. Michelle Davis, 984-6341

### **Professional Cosmetology Association**

Serves the interests of students in the cosmetology program and promotes professionalism. Advisor: Amanda Smith, 984-6402

**Phi Theta Kappa Induction**

### **SOAR Book Club**

Promotes reading, service, sharing and interest in books. Advisor: Caitlin James, 984-6415

### **Student Government Association**

To serve Lamar State College Port Arthur by representing student opinion, addressing campus needs through targeted programming, and providing opportunities for leadership development in order to enrich the quality of student life. Advisor: Kiet Le, 984-6191

## Seahawks Athletics

Lamar State College Port Arthur has two intercollegiate sports programs with men's basketball and women's softball.

The college added athletics in 2004, playing as an independent two seasons before joining the Metro Athletic Conference as a Division II team for two seasons. The Seahawks became a Division I member of the National Junior College Athletic Association in 2006.

The basketball team plays in the Carl Parker Multipurpose Center while the softball team plays on campus at Martin Field. Both facilities are located along Lakeshore Drive.

**#BACKTHEBLUE**

Motiva Petrochemical Training Unit

# First-Class Equipment, First-Rate Instructors

Professional Studio Recording Equipment

## Hands-On Educational Experience

Lamar State College Port Arthur has been twice named one of the top two-year colleges in the United States by the Aspen Institute due in great part to the top-notch instructors and state-of-the-art equipment.

From its million-dollar Motiva Petrochemical Training Unit to nursing simulators, studio recording equipment, cosmetology training stations and the most current computer software available, there's nothing like LSCPA's hands-on educational experience.

The Allied Health Program recently added the SimNewB, a high fidelity premature infant, and SimMom, which is a high fidelity patient that delivers a baby. Obstetrical equipment allows students to experience the birthing process for a normal newborn and a premature infant. LSCPA's surgical lab simulates an up-to-date operating room setting.

## Best Instructors Around

LSCPA professors and instructors boast top credentials and industry accolades, providing our students with the best educational opportunities possible.

While most institutions of higher education would be proud to have one Piper Professor, two LSCPA faculty have been granted this prestigious designation, Mavis Triebel and Grace Megnet.

Simulation Nursing Labs

# Meningitis Vaccine Requirements

Students applying to Lamar State College Port Arthur must have had a bacterial meningitis vaccine.

A student who has been admitted to an institution of higher education, or private or independent institution of higher education, must show evidence of receipt of an initial bacterial meningitis vaccination dose or booster during the five-year period preceding and at least 10 days prior to the first day of the first semester in which the student initially enrolls at an institution, or following a break in enrollment of at least one fall or spring semester at the same or another institution.

A student is exempt from the bacterial meningitis vaccine if the student meets any of the following criteria:

1. The student is 22 years of age or older by the first day of the start of the semester; or
2. The student is enrolled in a continuing education course or program that is less than 360 contact hours, or continuing education corporate training; or
3. The student is enrolled in a dual credit course which is taught at a public or private K-12 facility not located on a higher education institution campus; or
4. The student is incarcerated in a Texas prison.

## 2021 Vaccination Deadlines

**Spring: January 9, 2021**

**Summer I: May 28, 2021**

**Summer II: July 3, 2021**

**Summer III: May 28, 2021**

5. An affidavit or certificate signed by a physician who is duly registered and licensed to practice medicine in the United States, stating that in the physician's opinion, the vaccination would be injurious to the health and well-being of the student; or

6. An affidavit signed by the student stating that the student declines the vaccination for reasons of conscience, including a religious belief. A conscientious exemption form from the Texas Department of State Health Services must be used; or

7. Confirmation that the student has completed the internet-based Texas Department of State Health Services to claim an exemption for reasons of conscience (for entering students at public junior colleges only).

## Title IX Protections

The Texas State University System and Lamar State College Port Arthur are firmly committed to maintaining an educational environment free from all forms of sex discrimination.

Sexual misconduct is a form of sex discrimination and will not be tolerated. Lamar State College Port Arthur will maintain an environment that promotes prompt reporting of all types of sexual misconduct and timely and fair resolution of sexual misconduct complaints. LSCPA will take prompt and appropriate action to eliminate sexual misconduct when such is committed, prevent its recurrence, and remedy its effects.

Title IX of the Education Amendments of 1972 prohibits discrimination on the basis of sex in educational programs and activities. Sexual harassment of students or employees, which includes acts of sexual violence, is a form of sex discrimination prohibited by Title IX.

Lamar State College Port Arthur is committed to creating an environment free of harassment and discrimination.

### Training Requirement

Congress passed legislation that requires new students at all colleges and universities to complete training on sexual assault and violence prevention prior to attending class. All new and transfer LSCPA students must complete the online Title IX/Clegy Act Training Course prior to registering for class.

Once a new student is admitted, a link to the online

training course “Think about It” from Campus Clarity is sent to the student’s My.LamarPA.edu email account. Each student must complete the training course before registering for classes. Failure to complete this training will impact a student’s ability to register for classes. ‘Think about it’ takes approximately two-and-a-half hours to complete. The training course allows the student to work at their own pace and leave the course to return at a later time. When the student returns to the training session, the course will open to the page where you stopped. Upon completion, students should print a Certificate of Completion. LSCPA is also notified when a student successfully completes the course.

### Discrimination

Lamar State College Port Arthur does not discriminate on the basis of race, color, national or ethnic origin, gender, disability, religion, genetic information, veteran status, or age in its programs and activities and provides equal access to applicants, employees, and students.
