 - 1. Complaints regarding discrimination by faculty members should be directed to the Vice President for Academic Affairs.
 - 2. Complaints regarding discrimination by other students should be directed to the Vice President for Student Affairs.
 - 3. Complaints involving a staff member should be directed to the appropriate division supervisor (Vice President/Academic Affairs, Vice President/Student Services, Vice President/Finance, or the Director of the Physical Plant).
 - 4. In the event a student is uncertain regarding which college official should receive the informal complaint, or if an informal complaint cannot be filed

with the appropriate official identified in 1-3 above, the complaint may also be reported to the Director of Human Resources.

- B. When resolving an informal complaint the student grievant and college official should make reasonable effort to resolve the problem or complaint. After the student has notified the proper office of the alleged discrimination, the steps for seeking an informal resolution are as follows:
1. The college official will work with the grievant/complainant to determine what evidence exists for the charge of discrimination.
 2. The evidence presented will be reviewed to determine if there is cause to believe a discrimination violation has occurred.
 3. If in the judgment of the college official a violation did not occur, the grievant/complainant will be so advised and given a verbal explanation of why the incident(s) described does not constitute discrimination.
 4. If the grievant/complainant does not agree with this decision, the student will be given the opportunity to file a formal, written complaint.
 5. If the college official has cause to believe discrimination did occur, the complainant will be given the opportunity to file a formal, written complaint or pursue an informal resolution.
 6. If the grievant/complainant chooses to pursue the informal resolution, the college official will notify the person charged (respondent) that an informal complaint has been filed and the complainant wishes to seek an informal resolution to the problem. The charged party will be given an opportunity to confirm or rebut the charge. The college official will then meet with both parties, either together or independently, for the purpose of reaching a mutually agreeable resolution.
 7. If a resolution is not achieved, the student will be given the opportunity to file a formal, written complaint.
 8. The College may elect to pursue the charge even if the complainant does not elect to proceed.
