PORT ARTHUR INDEPENDENT SCHOOL DISTRICT
WILSON EARLY COLLEGE HIGH SCHOOL
2021-2022

This memorandum of understanding ("MOU" or "Agreement") is by and between LAMAR STATE COLLEGE PORT ARTHUR, a member of the Texas State University System, ("LSCPA"), and the PORT ARTHUR INDEPENDENT SCHOOL DISTRICT, a Texas public independent school district and political subdivision of the State of Texas, ("PAISD ECHS"), located in Jefferson County in Texas with an effective date of July 1, 2021. Individually, LSCPA and PAISD are referred to herein as "Party" and collectively as "Parties." “Students who participate in the Dual Credit Partnership (the Partnership) may concurrently receive high school and college credit upon satisfactory completion of the requirements of the courses.”

WHEREAS LSCPA and PAISD desire to continue an early college high school program operated at the campus of LSCPA and at a PAISD facility located at 1500 Lakeshore Drive in Port Arthur and

WHEREAS the Parties intend to submit an application to continue the program to the Texas Education Agency ("TEA") as required by that agency.

NOW THEREFORE, for the mutual promises and covenants contained herein and other good and valuable consideration, the Parties agree as follows:

Background and Purpose. In 2014, Port Arthur ISD and LSCPA engaged in discussions and began to plan for the establishment of Wilson Early College High School ("WECHS") with a Career and Technical Education ("CATE") focus as well as provide 60 semester hours of credit leading to an associate of arts degree for students who wish to transfer to a university. The WECHS as designed and placed in operation in August 2016 provides students with workforce-ready training, certifications, and/or an Associate of Applied Science or an Associate of Arts degree upon completion of high school. Applicable Law (as hereinafter defined) permits a public school district and public college to partner to provide a course of study for an early college high school, combining high school courses and college-level courses during grades 9 through 12 for students who are at-risk of dropping out of school (as defined in Section 29.081 of the Texas Education Code). The purpose of this MOU is to establish the rights and obligations of the Parties with respect to the operation of the WECHS, a four-year high school with an early college program component ("Program") that complies with all Applicable Laws and is located on LSCPA’s campus and the WECHS campus (formerly Woodrow Wilson Middle School). Some college courses may be conducted at the WECHS facility and other courses will be taught on the campus of LSCPA.

The Program provides student learning and support programs that enable participating students to achieve a high school diploma and earn up to 60 semester credit hours toward an Associate of Applied Science degree or Associate of Arts degree by the end of the students’ senior year. Additionally, the WECHS will provide workplace internships (if applicable),
field projects, industry mentorships, and college and career counseling. The WECHS commenced in August 2016 with approximately 101 students in grade nine and will continue to phase in approximately 100 students in grade nine on a yearly basis, with a maximum enrollment not to exceed 400 students in grades 9-12.

2. **Applicable Law.** The Parties agree to operate the Program and PAISD’s WECHS in compliance with the applicable federal, State, and local laws, implementing regulations, executive orders, and interpreting authorities including, but not limited to, (a) the following federal statutes as may be amended: Title VI of the Civil Rights Act of 1964; Title VII of the Civil Rights Act; Title IX of the Education Amendments of 1974; Section 504 of the Rehabilitation Act of 1973; the Age Discrimination Act of 1975; the Americans with Disabilities Act; the Family Educational Rights and Privacy Act of 1974 (“FERPA”); Title IV of the Higher Education Act of 1965; and Individuals with Disabilities in Education Act; (b) the Texas constitution; (c) applicable provisions of the Texas Education Code, including, without limitation, Section 29.908 and Chapter 39, 61, and 95; (d) State and federal laws regarding the reporting of any and all alleged child abuse, school-related crimes, and sexual molestation of students; (e) State record retention laws; (f) applicable provisions of Title 19 of the Texas Administrative Code, including, without limitation, Chapter 4, Subchapters D and G; Section 102.1091; and Chapters 110-125; (g) TEA guidelines and requirements, including, the Student Attendance Accounting Handbook (“Attendance Handbook”) and the Financial Accountability System Resource Guide; and (h) Texas Higher Education Coordinating Board (“THECB”) guidelines and requirements, including, without limitation, course conformity in accordance with the Lower Division Academic Course Guide Manual (“LDACGM”) and the Workforce Education Course Manual (“WECM”). The Parties agree to operate the Program and PAISD’s WECHS in compliance with applicable LSCPA and PAISD board policies and procedure and policies and procedures that may be agreed upon by the Parties and approved for the PAISD’s WECHS. The Parties agree to comply with all assurances in the Program application submitted to TEA and any additional requirements for the Program adopted by the THECB. The foregoing as set forth in this Section 2 and any other laws, rules, and guidelines applicable to the subject matter of this MOU collectively shall be referred to as "Applicable Law" or "Applicable Laws" when used herein.

3. **Term.** Subject to approval of the Program application by TEA, annual approval as required by law or by TEA or THECB, the term of this MOU shall commence on July 1, 2021, and shall expire on June 30, 2022 (“Expiration Date”).

4. **Governance.**

   a. **Governing Structure.** The governing structure of the Program includes a Steering Committee and Campus Planning and Advisory Committee (“CPAC”) at the PAISD’s WECHS campus. The composition of the CPAC, the roles and responsibilities of the CPAC members, and the authority of the CPAC will be determined through collaboration of the Parties.
b. **Steering Committee**. Members of the Steering Committee includes representatives designated the PAISD Superintendent and the President of LSCPA. The Steering Committee is charged with the overall oversight of the PAISD’s WECHS. Its responsibilities include:

i. Developing and implementing the academic and professional policy as related to the PAISD’s WECHS;

ii. Developing and implementing budgets and financial policy as related to the PAISD’s WECHS;

iii. Ensuring adherence to Applicable Laws that affects the well-being of students enrolled in PAISD’s WECHS; and

iv. Annually reviewing the MOU and suggesting revisions as necessary or advisable.

v. Recommending the addition, revision, or deletion of postsecondary workforce education programs.

vi. Formulating processes for identifying and strategies for providing support services to students enrolled in college courses who are experiencing academic difficulty;

c. **PAISD’s WECHS Administrative Team.** In the event a vacancy should occur in the future LSCPA will provide a representative to participate in the process of hiring the PAISD’s WECHS principal, who shall be an employee of PAISD. LSCPA shall designate the person to serve as Liaison with PAISD as it relates to the PAISD’s WECHS. The LSCPA Director of Dual Credit will cooperate with and facilitate communication between the PAISD and LSCPA. The LSCPA Director of Dual Credit will meet with the PAISD’s WECHS principal and other representatives as may be needed to support the PAISD’s WECHS.

5. **PAISD’s WECHS Organization.** Except for building use policies or as otherwise set forth in this MOU or required by Applicable Laws, policies and procedures relating to the high school portion of the Program and PAISD’s WECHS shall be governed by PAISD policies and regulations. The building use policies and all policies relating to the college courses and services portion of the Program and PAISD’s WECHS shall be governed by the LSCPA policies and procedures. The PAISD’s WECHS on-site administrator (“Principal”) will have decision-making authority in matters of budgeting, staffing for non-college level courses, scheduling, student assessment for non-college level courses and requirements, curriculum for non-college level courses, and professional development in congruence with PAISD policy and PAISD’s WECHS procedures. LSCPA shall be responsible for assessing participating students for readiness for college-level courses and for developing and implementing an evaluation process for measuring the effectiveness of the Program. The Program courses will be the same college-level courses offered by LSCPA to non-Program students. Some LSCPA course
sections will consist solely of WECHS students while other sections will consist of WECHS students and other LSCPA students. LSCPA shall be responsible for selecting instructors for college-level courses as required by LSCPA in accordance with Applicable Laws and for supervising instructors of college-level courses.

6. **School Calendar.** The instructional calendar for the high school portion of PAISD’s WECHS will be based on the PAISD calendar and comply with all related TEA regulations for attendance. PAISD will adjust its schedule if necessary to enable the PAISD’s WECHS students to enroll in and attend the college level courses provided by LSCPA. Where allowed by Applicable Law, including, without limitation, Section 29.0822 of the Texas Education Code and 19 Texas Administrative Code § 129.1027, and further subject to approval of both Parties, the PAISD’s WECHS calendar may vary from that of the PAISD in order to best fit the needs of students and reasonably interrelate with the LSCPA academic calendar.

7. **PAISD’s WECHS and LSCPA Facilities.**

   a. PAISD will provide dedicated space at the PAISD’s WECHS (“WECHS Facility”) for both high school and college courses. This space at the WECHS Facility will include core learning classrooms, administrative and student support areas, and other space as determined by the Parties. As the number of students enrolled in the college courses increases, subject to space requirements of LSCPA for students participating in the regular college program at the WECHS, additional space will be provided to meet the needs of LSCPA. Non-contiguous classrooms will be utilized for specialized facilities (e.g. science labs, fine arts, physical education) and for college credit classes taught in the WECHS building.

   b. Subject to availability and LSCPA building use and other applicable policies and procedures, LSCPA will provide to WECHS students who are enrolled in college courses and employees of the PAISD’s WECHS reasonable access to all campus buildings, including the student center, for meetings, socialization, and cultural events sponsored by and/or associated with PAISD’s WECHS or LSCPA.

   c. Access for facilities, services, and resources will be addressed by the PAISD’s WECHS Steering Committee and LSCPA. PAISD’s WECHS students who are enrolled in college courses were issued a PAISD and a LSCPA identification card, which gives them access to LSCPA facilities and resources available to all other students enrolled at LSCPA.

   d. Part a. above notwithstanding, both parties agree that the majority, and perhaps all, of the college credit courses will be conducted on the LSCPA campus.

8. **PAISD’s WECHS Faculty.**

   a. **Faculty for High School Courses.** To teach high school-level courses in PAISD’s
WECHS, PAISD instructors must meet State certification requirements in their subject area to teach in the State of Texas and be designated as highly qualified. PAISD’s WECHS instructors teaching non-college level courses will be selected and supervised by PAISD. PAISD employees assigned to the PAISD’s WECHS will be evaluated annually by PAISD according to Applicable Laws and PAISD policies and procedures.

b. Faculty for College-Level Courses. PAISD’s WECHS instructors teaching college level or dual credit courses must be regularly-employed LSCPA faculty members and meet the same standards of SACS for college-level instructors. LSCPA shall supervise its instructors who teach the college level courses in which WECHS students are enrolled in accordance with LSCPA policies and procedures.

c. Salaries of PAISD’s WECHS Instructors. Each Party shall be responsible for the payment of the salary and benefits of its respective employees performing services for or at the PAISD’s WECHS.

d. Professional Development. Each Party shall provide professional development opportunities to its own employees in the same or similar manner as provided to its other professional employees. Additionally, professional development for cross-over learning and collaboration will be planned, implemented, and paid for by the PAISD’s WECHS Principal and the Liaison.

a. The PAISD and the LSCPA will continue to establish a learning community that blends high school and college, instilling a college-going culture among the participating students. PAISD’s WECHS students will be aided to:

i. Develop a four-year high school graduation plan and post-secondary plan;

ii. Participate in high school credit classes, and college credit classes for which students receive both high school and college credit;

iii. Participate in an internship program, as applicable.

iv. Participate in a class which provides college campus orientation, academic counseling, college and career planning and additional student support counseling.

b. Adhere to the LSCPA Code of Student Conduct in all college-level courses regardless of whether the courses are conducted at the WECHS or on the LSCPA campus. The College reserves the right to remove the WECHS students from the program. Participation in the college courses associated with the WECHS is a privilege and not an entitlement.

10. Outreach to Target Population; Admission of Students to Program.
a. Recruitment Efforts. To secure the broadest applicant pool possible, each of the Parties will participate in a recruitment effort for the PAISD’s WECHS by focusing on qualified eighth grade students at all PAISD middle schools in January of each year. This recruitment process will include:

i. The establishment of a recruitment web site that will provide recruitment and admission information;

ii. The distribution of recruitment/admission packets to all eighth grade students, as applicable in PAISD;

iii. Meetings with PAISD counselors, as applicable, to discuss the PAISD’s WECHS and answer questions;

iv. Student/parent meetings that will be held on middle school campuses to explain the opportunities and commitment required of PAISD’s WECHS students; and

v. Development of recruitment and admission information presented in a bilingual mode.

b. Admission Policies. Admission to PAISD’s WECHS will be limited to students who reside in the PAISD and who meet the eligibility requirements for enrollment in an early college program and dual enrollment program under Applicable Laws. As was the case for the initial cohort admitted in 2016, the PAISD and LSCPA recruitment teams will focus on identifying highly-capable students that may or may not be experiencing academic success. Recruitment efforts will also focus on at-risk students, historically underserved student populations, and first generation college students. Additionally, PAISD shall comply with all recruitment and notification requirements of Chapter 28 of the Texas Education Code. Students will be required to complete applications for both PAISD’s WECHS and LSCPA. The LSCPA application will be due on June 1, 2022. Students must meet established LSCPA and THECB admission requirements for each college class upon enrollment.

c. Transportation. In order to facilitate participation by the target population defined for the PAISD’s WECHS, PAISD will be responsible for transportation of the eligible WECHS students to and from the WECHS Facility.

11. Curriculum

a. Courses of Study and Curriculum Alignment. PAISD and LSCPA have developed an articulated four year course of study plan (grades 9-12) that meets the requirements of Applicable Law, provides a seamless transition for students from grade level to grade level, allows students to transition from a majority of high school classes in grades 9 and

The LSCPA Director of the Dual Credit Program and the Principal will be responsible for working with PAISD’s WECHS faculty to develop and refine a clear and coherent academic program across the two institutions for curriculum alignment.

b. Three types of courses shall be offered under this MOU. The course for which college credit is awarded shall provide advanced academic instruction beyond, or in greater depth than, the essential elements.

i. Courses contained in the LSCPA transfer Core Curriculum;

ii. College-level technical courses part of approved Associate of Applied Science (AAS) degree or certificate programs and described in the current edition of the Workforce Education Course Manual.

c. High School Diploma and Degree. Within this framework, students may be able to earn a High School Program diploma within a four-year time frame and 62 credit hours towards an Associate of Applied Science or Associate of Arts degree. Students will be advised upon leaving WECHS that all courses successfully completed in pursuit of the Associate of Arts degree can be transferred to any state-supported college or university in Texas and that the Core Curriculum completed within the Associate of Arts degree can be transferred as a block to any state-supported college or university in Texas.

d. Instructional Materials. The PAISD’s WECHS will provide all course materials, including textbooks, syllabi, course packets, and other materials needed for classes at no cost to the student. Instructional material must be equivalent to the level of the instruction and materials used for the identical courses taught on the LSCPA campus for dual credit. The funding of materials is addressed in Section 14.c. of this MOU.

e. Physical Education and other High School Only Courses. The Parties acknowledge that physical education is not required as a part of the Associate of Applied Science or Associate of Arts degree programs but may otherwise be required for a high school diploma under Applicable Laws. Accordingly, PAISD will be responsible for instruction in physical education and may utilize a designated area of the LSCPA campus for providing such instruction. Additionally, to the extent that any high school only courses are required for any students enrolled in the WECHS, including, without limitation, remediation classes, they will be provided by PAISD faculty at the WECHS.
12. **LSCPA Admission.** Decisions regarding college admission, college readiness, the ability to perform college-level work, or otherwise function in a college environment shall rest within the sole discretion of LSCPA. Enrollment, or continued enrollment, in LSCPA by students enrolled in the PAISD’s WECHS shall not be considered an entitlement.

13. **Students.**

   a. **Student Composition of Classes.** PAISD’s WECHS students enrolled in LSCPA college-level courses may attend classes composed of only PAISD’s WECHS students or may attend classes in person or online courses with regular LSCPA students enrolled in that college-level class. Exceptions for a mixed class, which would also include high school credit-only students, may be allowed under the following conditions:

      i. If the course is required for completion under the State Board of Education Foundation High School Program graduation requirements;

      ii. If the high school credit-only students are College Board Advanced Placement students; and/or

      iii. If the course is a career and technology/college workforce education course and the high school credit-only students are earning articulated college credit.

   b. **Academic Policies.** The academic policies of PAISD shall apply to all students enrolled in the PAISD’s WECHS. The academic policies of LSCPA shall apply to PAISD’s WECHS students as to college-level courses.

   c. **Student Conduct.** PAISD’s WECHS students are required to adhere to PAISD and LSCPA policies, procedures, and regulations regarding facilities and equipment usage and both LSCPA and PAISD codes of student conduct. All disciplinary action, including, suspension and dismissal from PAISD’s WECHS, shall be in conformity with the codes of student conduct of the Parties. In the event of a conflict between the policies of PAISD and LSCPA, the Parties will collaborate to resolve any conflict.

   d. **Eligibility for Financial Aid.** In addition to any financial support and assistance provided by the Parties as set forth in this Agreement, the Parties will collaborate on identifying third party sources of financial assistance, including, without limitation, State, federal, and other grants; fundraising efforts for the PAISD’s WECHS; and partnerships with baccalaureate-granting institutions for scholarships to their institutions.

   e. **Accounting for Attendance.** The Parties shall comply with the TEA Attendance Handbook and any THECB attendance requirements for credit in high school courses. Each PAISD’s WECHS faculty member will take daily attendance and shall report such attendance for enrollment and funding purposes as required by Applicable Laws. As applicable, the Parties will refer to the TEA Guidance for WECHS - Dual Enrollment Credit Attendance for documenting formal attendance taking procedures.
f. **Transcripts.** The LSCPA Registrar will provide appropriate security and confidentiality measures for the reporting and posting of grades and the maintenance of transcripts. For college level courses, both high school and college credit shall be transcribed immediately upon a student’s completion of the performance required in the course.

g. **Grading Periods and Policies:** LSCPA will report a numerical grade based on the LSCPA grading scale to PAISD, which may adapt the grade as required to conform to PAISD policies and procedures. LSCPA will provide approximate mid-term grade averages in addition to semester grades. PAISD will post grades for students enrolled in the WECHS in accordance with the PAISD grading calendar. At the end of each academic year LSCPA will provide to WECHS student level data that shows the amount of college credit taken and/or earned by, and the cumulative grade points average of, each WECHS student. Withdrawal from the college course or courses does not result in a withdrawal from the high school course or courses or WECHS. WECHS personnel are responsible for advising ECHS students concerning academic progress in the high school component of the course. WECHS shall follow PAISD policy as to the weighing system for the college grade for the ECHS student’s final high school grade point average (GPA).

h. **Student Assessment.** All PAISD’s WECHS students are required to participate in required state, national and federal assessments, which will be administered by the PAISD’s WECHS staff. WECHS shall comply with State Board of Education rules regarding administration of the assessment instruments as required by Subchapter B, Chapter 39 and shall adopt a policy that requires a student's performance on an end-of-course assessment instrument for a course listed in this subsection in which the student is enrolled to account for 15 percent of the student's final grade for the course. LSCPA agrees to make accommodations in course scheduling and attendance so that PAISD’s WECHS students are not penalized in their college credit courses for their participation in the required state, national and federal assessments. All students will take the Texas Success Initiative Assessment (TSI) by January 2019. The College will assist WECHS in the administration of the TSI college placement exam.

i. **Student Records.** In accordance with Applicable Laws, each Party will maintain student records pertaining to PAISD’s WECHS and provide the other Party copies of the grades, progress, and other informational data on student assessment, promotion, retention, award of diplomas, and other student data necessary and advisable to perform its obligations under this MOU. Both Parties will be responsible for maintaining student records and records pertaining to the Program in conformity with the Texas Record Retention laws. Each Party designates the other Party as its agent with a legitimate educational interest in students’ educational records for purposes of FERPA. Both Parties shall institute policies and procedures reasonably designed to ensure that its employees and agents comply with these and all other federal and state laws governing the rights of PAISD’s WECHS students with respect to educational records, and shall protect student education records against accidental or deliberate
re-disclosure to unauthorized persons.

j. **Student Support Services.** Both Parties will identify and collaborate on measures to assist those students who may not be performing satisfactorily to succeed. In addition, when appropriate, students will be assigned a mentor/advisor in high school. Teacher mentors/advisors will meet individually with students to oversee their academic progress, monitor grading and matriculation decisions, and advise students on making positive post-graduation plans including transferability of college credit earned. Students will also tutor each other and have access to LSCPA tutors. At LSCPA, students will receive support through supplemental instruction, LSCPA tutors, and/or additional sources identified. The LSCPA Director of Dual Credit assigned to PAISD’s WECHS will work to inform the PAISD’s WECHS administration of students with excessive absences and academic concerns in college-level courses prior to the end of a semester to provide for intervention for success. To ensure academic success, the Parties will provide counseling and academic support services, as may be needed. PAISD will assign a specific Success Coach to its PAISD’s WECHS who will provide academic and counseling support to the PAISD’s WECHS learning community’s students and their parents, and work with the LSCPA Director of Dual Credit Program in the areas of test preparation, remediation, and the development of an integrated support system for PAISD’s WECHS students across the two institutions. The PAISD Success Coach and LSCPA Director of Dual Credit Program will work to ensure students receive pertinent information regarding higher education, financial assistance, and assistance waivers for tuition and fees. Each Party will assist families as they complete initial application and enrollment in the respective organizations’ processes. LSCPA will assist with registration for all students who are qualified to enroll in LSCPA courses. Decisions as to which applicants are qualified for admission shall be the sole discretion of LSCPA.

14. **Program Reporting.** The Parties will cooperate on the preparation and submission of the annual and other reports on the progress of the PAISD’s WECHS to be submitted to TEA and as may be required by the THECB or the Southern Association of Colleges and Schools Commission on Colleges. The reports will be provided to each Party and others as deemed appropriate. Data regarding student progress and success will be collected and shared as deemed appropriate under the supervision of the Steering Committee. The annual and other reports will contain information required by TEA, THECB, or as otherwise required by Applicable Laws, which may include, without limitation, the number of credit hours taken and earned, grade point averages, state assessment results, SAT/ACT/PSAT scores, Texas Success Initiative readiness by grade levels, qualifications of WECHS faculty and staff, and locations where courses are taught.

15. **Fiscal Matters.**

a. **Rules for Charging Students.** Students enrolled in the PAISD’s WECHS will not be charged for costs associated with the Program for tuition and fees, textbooks, administration of a college placement exam, or fees required by LSCPA for other students enrolled in LSCPA.

16. Release. To the extent permitted by Applicable Law, PAISD does hereby agree to release and hold harmless LSCPA and its regents, employees, agents, officers, and representatives from any and all claims, losses, liabilities, damages, and debts arising from or caused by any act or omission of PAISD or its trustees, employees, agents, officers and representatives.

An event of default shall be deemed to have occurred if a Party commits a material breach of any provision of this MOU. In the event of default, the non-breaching Party shall provide written notice to the other Party of the breach specifying the provision claimed to be breached. Except in the event of a default that threatened the health or safety of students in which the non-breaching Party may terminate this MOU immediately, the breaching Party shall have thirty (30) days to cure such default. If the breaching Party fails to cure the breach within such 30-day time period, the non-breaching Party may terminate this Agreement upon written notice to the other Party and shall be entitled to any remedies available in equity or law for such breach.

b. **Termination for Convenience.** Notwithstanding any provision to contrary in this Agreement, either Party may terminate this MOU for convenience and without cause or penalty upon sixty (60) days written notice to the other Party. f. Discontinuance of PAISD’s WECHS. PAISD and LSCPA agree to comply with the requirements of Applicable Laws for discontinuing operations of PAISD’s WECHS. During the teach-out period transitioning from full operation to the discontinued program, LSCPA and PAISD will continue to meet all of the required elements of an early college high school program and provide full support for all students enrolled in PAISD’s WECHS. During the teach-out period, no new or additional students will be enrolled in PAISD’s WECHS in grades that have been phased out. If PAISD’s WECHS has only ninth and/or ninth and tenth grade cohorts, the Program will be closed down at the end of the school year in which the decision is made to discontinue operations. If PAISD’s WECHS has eleventh and/or eleventh and twelfth grade cohorts, operation will continue through the graduation date for the eleventh grade cohort. During this time, services may continue to be offered for enrolled ninth and tenth grade students through scheduled graduation for the cohort(s); however, a continuation of services is not required.
