Ruffalo Noel-Levitz Student Satisfaction Inventory

The Ruffalo Noel-Levitz (RNL) Student Satisfaction Inventory (SSI) survey is administered to a carefully selected sample of students in April of each year. The results annually provide valuable information about Lamar State College Port Arthur (LSCPA) students as well as their perceptions of the College and its services and programs. Gathering current satisfaction data from the student population makes decision making more data-driven and allows for more strategic management of resources, initiatives and retention activities. (Due to the Covid-19 pandemic, the onsite Spring 2020 R N-L SSI was not administered)
