How to Enroll / New and Returning Students

Step 1

Contact an Enrollment Counselor.

Enrollment counselors assist students to complete the process from application to registration. They are experts in helping students navigate the application and enrollment process.

See information below to schedule an appointment.

Step 2

Complete an Application for Admission.

Complete an online application for the quickest processing. Online applications can be accessed at www.ApplyTexas.org.

Paper applications can be found online at www.lamarpa.edu or by calling the Admissions Office at (409) 984-6166 or 800-477-5872.

Step 3

Submit a high school transcript or GED.

If this is your first time in college you will need to submit an official high school transcript or GED scores.

If you have attended another college, you must request official transcripts from previous colleges attended.

Deliver transcripts electronically, by mail, or personally to the Admissions Office.

Step 4

Apply for Financial Aid.

Complete the Free Application for Federal Student Aid (FAFSA). Forms are available online at www.fafsa.gov.

The school code is 016666. For information about Financial Aid, go to <http://www.lamarpa.edu/dept/fam/>

Step 5

Apply for scholarships.

Students interested in applying for scholarships must fill out a scholarship application and submit to the Advising Office.

<http://www.lamarpa.edu/dept/fa/Forms/Scholarship-App-LSCPA.pdf>

Step 6

Complete the TSI Assessment Test.

Students should contact the Testing Center (409-984-6244) with questions about Testing.

Visit the link below for more information.

<http://www.lamarpa.edu/dept/dev/tc/>

Step 7

Complete "Think About It" Campus Clarity Title IX Training.

Students are required to complete "Think About It" Campus Clarity Title IX Training online. A link to the online training will be sent to your MyLamarPA account after you have been accepted.

Students will not be able to register until they have completed training.

Step 8

Get your bacterial meningitis vaccine.

If you are under the age of 22, submit documentation that you have received a Bacterial Meningitis Vaccine.

<http://www.thecb.state.tx.us/index.cfm?objectid=A641CD0D-E56A-A36A-1BCB39FF80781178>

Step 9

Meet with an Academic Advisor.

Avoid long wait times and make an appointment today!

If you are exempt or have already completed the TSI test, you can develop a schedule for the semester.

Step 10

Register for courses.

Students may register in person or online at

<https://pipeline.lamarpa.edu/cp/home/displaylogin>

Students with 'holds' on their accounts cannot register until 'holds' are cleared.

Step 11

Pay tuition & fees, purchase books.

Students may pay tuition online or in person. Books may be purchased or rented at the Bookstore or online.

See www.lamarpa.edu/dept/bkstore for online bookstores.

Step 12

Have FUN! Enjoy your steps to an exciting future.

How to Register Online for Classes

1. Log on to my.lamarpa.edu
2. Click on the “My Services” tab at the top of the page.
3. Once the My Services tab has loaded, click on the “Student” tab.
4. Click on the Registration option under the “Student” tab.
5. Select Add or Drop Classes.
 - You may register for classes by CRN (Course Registration Number, a 5 digit course identifier) or via “Class Search”.
 - To register by CRN:
 - Enter the CRNs for the classes you wish to register for in the boxes at the bottom of the page.
 - Click “Submit Changes” to proceed with registration.
 - To register by class search
 - Click on “Class Search”.
 - In Subject, highlight the subject you would like to search for classes in (i.e., Biology, Mathematics)
 - In Course Number, type in the 4-digit course number (i.e. 2401, 1314)
 - You may select filters such as Internet, Clinical, Lecture or leave the rest of the filters blank and scroll down to bottom of page and click on “Class Search”.
 - If there are multiple sections of the same course, review your options by paying attention to the day and time.
 - Select the particular section for which you would like to register.
6. Repeat Step 5 as necessary.
7. If you need to drop a class you already registered for, look for the drop down menu next to the class you want to drop. Select “Web Drop” and click on “Submit Changes”.

Six Drop Rule

Consider carefully
the courses you select. Dropping a class
may also affect the financial aid award
that you receive.

State law prohibits a student from dropping more
than six classes in their lifetime.

Becoming a Successful Online Student

Successful online students have a few things in common. If you want to excel in your assignments, be a productive, contributing member of classroom discussions, and overcome the challenges of learning from a distance, give these tips a try.

1. **Be open minded about sharing life, work, and educational experiences as part of the learning process.** Whether you are an introvert or an extrovert, the online process requires you to **utilize your experiences**. The online discussion forum **eliminates the visual barriers** that may hinder you in expressing yourself, also allowing time to reflect on the information before responding.
2. **Be able to communicate through writing.** A majority of communication in the online classroom is written, so it is critical that you feel comfortable in expressing yourself in writing.
3. **Be self-motivated and self-disciplined.** With the freedom and flexibility of the online environment comes responsibility. The online process takes a real commitment and discipline to keep up with the flow of the process. Use the first few days of your course to become familiar with course expectations and make a schedule for yourself. Once you get behind in a course, it is almost impossible to catch up.
4. **Be willing to "speak up" if problems arise.** Many of the non-verbal communication mechanisms that face-to-face instructors use to evaluate student understanding (confusion, frustration, boredom, absence, etc.) are not possible in the online forum. If you experience difficulty on any level (either with the technology or with the course content), communicate this immediately. Otherwise your instructor may never know something is wrong.
5. **Be willing and able to commit 15 to 20 hours per week to your course.** Online is not easier than the traditional educational process. In fact, many will say it requires much more time and commitment.
6. **Be able to meet the minimum requirements for the program.** The requirements for online are no less than that of any other quality educational program. You should view online as a convenient way to receive your education – not an easier way.
7. **Accept critical thinking and decision making as part of the learning process.** The learning process requires you to make decisions based on facts, as well as experience. Assimilating information and executing the right decisions requires critical thought.
8. **Have reliable access to a computer and Internet Service.** You must have access to the necessary equipment.
9. **Be able to think ideas through before responding.** Meaningful and quality input into the online classroom is an essential part of the learning process. Time is given in the process to allow careful consideration of responses. Testing and challenging of ideas is encouraged – you will not always be right, so be prepared to accept a challenge.
10. **Feel that high quality learning can take place without going to a traditional classroom.** Online is not for everybody. If you want to be on a traditional campus attending a traditional classroom, you will probably not be happy online. While the level of social interaction can be very high in the online classroom, it is not the same as being on campus. You should expect to:
 - Participate in the online classroom 5-7 days a week.
 - Work with others in completing projects.
 - Use the technology properly.
 - Meet the minimum standards as set forth by your instructor.
 - Complete all assignments on time.
 - Enjoy communicating in writing

¹ Tuition and fees are subject to change by action of the Board of Regents or the Texas State Legislature.

Loans

Short Term Loans

Students should visit the Business Office to apply for short term loans. Short term loans must be paid within 60 days after the first class day.

For more information go to the Business Office at 1501 Procter Street.

Book Loans

Students should visit the Business Office to apply for a book loan. As part of the application students must have a list of required textbooks and their cost.

For more information go to the Business Office at 1501 Procter Street.

Paying Tuition

Tuition and fees are subject to change based on the Texas State University System, LSCPA policies and/or state and federal regulations.

Payment of Fees

A student is not registered until all fees are paid in full or the student has been approved for the installment payment plan.

Note: Students awarded sufficient financial aid or scholarships to pay their bill will not be dropped from classes for non-payment.

Payment Options

1. **In Person** The Cashier's Office is located in the Business Office on Procter Street. Regular business hours are 8 A.M. until 5 P.M., Monday through Friday. The Cashier's Office is closed from 12:00 until 1:00 p.m.
2. **By Mail** Send check or money order to the address below. You must include your student ID number (P number) on your check or money order.
Cashier's Office, Lamar State College Port Arthur, P.O. Box 310, Beaumont, TX 77642.
3. **Web System** Students can pay their tuition and fees by check or credit card online through BANNER Self Service. LSCPA accepts American Express, VISA, Discover, or MasterCard. Students may obtain an account balance(s) by going to the Lamar State College Port Arthur homepage at <http://www.lamarpa.edu/> Follow the instructions to locate your account balance and make payment.

Warning: Be careful that you select the correct term or semester when you make a

tuition payment.

Do not pay for multiple terms in one term.

You must, for example, pay tuition for spring by selecting the spring term. Failure to correctly select the term and make payment per semester will result in the student being dropped from all classes in one or more semesters or terms.

Payment Amounts

Payment in full. Students that have paid all their tuition and fees for a semester will be registered for classes in that semester.

More than 50% of tuition and fees paid. Students that pay more than 50% but less than 100% of their tuition and fees for a semester will be placed on the Installment Payment Plan.

Less than 50% of tuition and fees paid. Students that pay less than 50% of their tuition and fees for a semester will be dropped from all classes.

Installment Payment Option

Students may enter into an installment contract with the college (during the fall and spring semesters only).

Any payment for an amount less than the full balance of the account constitutes an acceptance of an installment contract with the college. Drop and/or withdrawal refunds for students using the installment plan are calculated as a percentage of the total tuition and fees assessed, not as a percentage of any partial payments.

If a class is added after a student is placed on installments, the student is responsible for 100% of the tuition and fees for the added class. The tuition and fees for the added class must be paid before the payment date listed in the calendar.

A non-refundable service charge of \$20 is assessed for the installment plan option. A late fee of \$15 will be assessed beginning the first day after an installment due date for each delinquent payment.

Lamar State College Port Arthur Summer and Fall 2016 Class Schedule

Residence Status

Tuition is based upon the number of hours for which the student registers and is determined by the student's classification as a Texas resident, a non-resident U.S. citizen or a citizen of another country. Determination of legal residence for tuition purposes is made on the basis of statutes of the State of Texas.

Financial Obligations

A student who fails to make full payment of tuition and fees, including any incidental fees, by the due date, will be prohibited from registering for classes until full payment is made. A student who fails to make payment prior to the end of the semester may be denied credit for the work done that semester. Also, holds will be placed on academic records so that students cannot obtain transcripts and/or receive grades. All delinquent installment accounts, NSF checks and delinquent short-term loans will be released to a collection agency/credit bureau. All costs of collection are payable by the student to the collection agency. Collection fees shall include a fee of 33 1/3 percent of the original balance due, and loans may include an additional interest charge not to exceed five percent of the balance.

Insufficient Funds Checks

Checks written in payment of registration fees and returned due to insufficient funds will result in a \$25 check charge plus a \$10 late registration fee or a \$15 installment late penalty. Obligations paid by an insufficient funds check are considered delinquent.

Payment Deadlines

Students are responsible for paying tuition and fees prior to the deadline date. Students that fail to meet payment deadlines will be dropped from their courses.

Students may obtain account balance information on BANNER Self Service.

Refunds

Withdrawal

Withdrawal from the college does not relieve the student of any financial obligations under the Installment Payment Agreement or Student Loans. These debts are the student's legal financial commitments.

Refunds will be processed in accordance with the published Refund Schedule. Withdrawal from the college must be done with an advisor in order to receive a refund. A student seeking reinstatement to the college within the same semester after having withdrawn or been withdrawn shall pay a \$50 reinstatement fee, in addition to late payment fees. Students on an installment plan must also pay all past due balances at the time of reinstatement.

For refund purposes, the first class day is always the official first class day of the semester. Students that officially withdraw will receive a refund for Tuition, Laboratory Fees, Student Services Fee, Student Center Fee, Recreational Center Fee, Athletic Fee, Technology Service Fee, and Library Use Fee according to the following Refund Schedule:

Dropped Courses

Students, excluding recipients of federal financial aid, who drop courses during the first 12 class days of the fall or spring semester or within the first four days of a summer semester and remain enrolled at LSCPA, will receive refunds on tuition and fees for that particular course or courses. TSUS policy requires that refunds be deposited directly into a student bank account.

Matriculation Fee

A matriculation fee of \$20 will be incurred by students who withdraw prior to the first day of class. The fee will be deducted from refunds.

Direct Deposit

As mandated by the Texas State University System (TSUS), in an effort to reduce costs and increase efficiency, the use of manual/paper checks has been discontinued.

Students will be required to establish an account and/or provide banking information to LSCPA in order to satisfy direct deposit requirements.

Paper checks will no longer be used to return funds to students eligible for a refund. Students will be required to receive credit balance refunds and financial aid refunds electronically via Direct Deposit to an established personal checking or savings account.

If the E-Refund is returned from the students banking institution for Account Closed, Unable to Locate, Invalid Account Number, etc., there will be a \$25 charge deducted from the refund each time the refund is returned.

Note: Only after all outstanding balances have been paid, will any resulting credit balance be transmitted to a Direct Deposit Checking Account. Direct Deposit transactions may take 3-5 business days after transmission. Students must contact LSCPA Cashiering or their banking institution to resolve problems associated with this process.

In order to set up your Direct Deposit, a student must have a personal bank account in his/her name. The student will need the number and the routing number from the bank.

Steps to set up your Direct Deposit:

1. Log in to your my.lamarpa.edu account
2. Click the "My Services" tab
3. Click the "Student" tab
4. Select the "Student Payment Center" link
5. Select the "e-Refunds" link
6. Follow the on-screen instructions to set up your direct deposit

Contact the Business Office at 409-984-6126 with any questions regarding setting up direct deposit. If you are unable to log in to your MyLamarpa account or have issues accessing any links within your account, contact IT Services for further assistance at 409-984-6150.

Student IDs

Students are required to have an ID while on campus. New students will be charged for an ID at the time of registration. There will be a charge for the replacement of a missing student ID. IDs are distributed on the second floor of the Student Center, Room 209.

Parking Permits

Students parking on campus must purchase a parking permit and display the permit in their vehicle while on campus.

Parking permits must be purchased in the Cashier's Office. Students must provide a **license plate number and make of vehicle** to purchase a parking permit. Parking permits are distributed on the second floor of the Student Center, Room 209.

Handicap Accessible Permit

Students who need an LSCPA handicap accessible parking permit should see the Coordinator of Special Populations. Students who are issued an LSCPA handicapped accessible parking permit must display the permit and a state issued handicapped parking permit if they park a vehicle on the LSCPA campus.

Developmental Classes

Non-Course-Based Option

The Non-Course-Based Option is available to a student who is repeating a first-level developmental reading or writing course or a first or second-level developmental math course and who earned a "D" in that course on the previous attempt.

Lamar State College Port Arthur Summer and Fall 2016 Class Schedule

The NCBO course will give a student credit for whatever portion of the course was successfully completed so that he or she will not have to start over at the beginning. Upon completing the remainder of the course, passing the final examination, and earning a "C" or better, the student will be allowed to move on to the next level during that same semester. If the student completes enough of the work in the next level, he or she will be allowed to take a free TSI Assessment Test to pass that level as well.

If the student does not reach the point where he or she can take the TSI, or if the TSI score is not sufficient to pass into the next level, then the student will simply enroll in the next level developmental course the following semester.

Integrated Reading/Writing (IRW)

Any student who places into the second levels of developmental reading and/or writing will be enrolled in the ENGL 0327. This 3 hour IRW course will fulfill both the reading and writing TSI requirements.

SEMESTER OPTIONS

Students have an opportunity to learn by selecting from different types of instruction and different semester lengths. Pick the semester that works best for YOU!

Traditional Semester (16 Week Semester)

Traditional instruction occurs in a classroom setting. Students attend class 2-3 times per week. Classroom lectures, demonstrations, and homework assignments are common in this type of class.

Online Courses

The class is taught online. Students must log into the Blackboard course and communicate with the instructor before the end of the first week of class. Some online courses may require visits to campus for labs or exams. Students should have good computer skills and be very self-disciplined to be successful in online courses.

Summer Semester (5 Week Semesters)

Summer Semester classes are taught during a five week semester. Classes typically meet 3-4 days per week. Students are advised to enroll in one or two classes during a Summer Semester. Students should be comfortable using a computer as the course is taught online.

Session I and Fall (8 Week Sessions)

Some classes are taught during a short, intensive eight week semester. To be successful, students must be disciplined about attending class and completing assignments. Students should be comfortable using a computer as the course is taught online.
