

STUDENT DECLARATION THAT A FEDERAL INCOME TAX FORM WILL NOT BE FILED 2023-2024

Student Information

Name _____ ID # _____

The Department of Education requires that independent students and parents of dependent students, who have not filed a tax return, provide a Verification of Non-Filing (VNF) letter from the IRS dated on or after October 1, 2022. You can get this by sending IRS Form 4506-T and checking box 7. Also acceptable is some other IRS document that clearly states the IRS does not have a tax record for the year, such as a return transcript with the message "no record of return filed" or "no transcript on file." Messages that aren't as clear, such as "could not be processed," are not acceptable alternatives.

___ I am a dependent student and am not required to submit a Verification of Non-Filing Letter from the IRS.

___ I am providing a Verification of Non-Filing Letter from the IRS with this form.

___ I have attempted but was unable to get a Verification of Non-Filing Letter from the IRS. Date Requested: ___/___/_____

If you are unable to get a VNF letter from the IRS please provide proof that it was requested. Form 4506-T states that most requests are processed within 10 business days, so at least that amount of time should elapse before submitting this form.

I (we) will not file, and am (are) not required to file a federal tax return (includes the 2021 IRS Form 1040, Telefile worksheet, a tax return from Puerto Rico or a foreign income tax return).

List below all sources of income for 2021 and attach documentation of that income:
