In this case the College, if it decides to consider the applicant for employment, would utilize an approved credential evaluation service to evaluate that person’s academic preparation. The College reserves the right to require an individual with this background, regardless of the outcome of the credential evaluation, to complete additional courses, or obtain a graduate degree, as a condition of continued employment.

The severity of the individual’s offense, its relatedness to the position, and amount of time that has passed since the offense are to be considered. Additionally, knowledge of an arrest in and of itself should not necessarily be used to disqualify an individual from employment.

4.9. In the case of a disagreement on whether there are grounds for disqualification, the TSUS General Counsel will review the case and make the final decision.

4.10. In the event of a discrepancy in a criminal history record check report involving the individual’s identity, a criminal background fingerprint check may be requested.

1. **Compensation**

1.1. The Human Resources Office will be responsible for the development and maintenance of schedule of compensation for all affected positions.
1.2. All classified, non-exempt classifications will be assigned a salary group based on factors such as the State of Texas pay rates for similar positions, labor market surveys, existing salary and budget considerations. New hires will normally be hired at the entry level of the salary group.

1.3. Unclassified, exempt classifications will be assigned a salary group based on factors such as the State of Texas pay rates for similar positions, labor market surveys, existing salary, required qualifications and budget considerations.

1.4. Recommendations for the changes in rates of pay for individual employees will normally be made during the budget cycle. These include merit or equity types of raises. Changes will be effective September 1 of each new fiscal year. Guidelines for such raises will be established as part of the budget cycle each year.

1.5. Employees temporarily assuming different or additional duties due to a vacancy or absence in another position will normally not receive any additional compensation. Employees officially designated as serving in an “acting” capacity may, with Presidential approval, receive additional compensation.

2. Promotion

2.1. A promotion is a change in class title that provides a higher minimum salary rate, requires higher qualifications, and involves a higher level of responsibility.

2.2. Where a qualified employee within a department is available, a department head may request promotion from within to a vacancy or new position. A vacancy created by the promotion must be filled competitively.

3. Demotions

3.1. A demotion is a change in class title that provides a lower minimum salary rate.

4. Salary Reduction for Disciplinary Reasons

4.1. A classified employee’s pay may be reduced for disciplinary reasons, if this is warranted by the employee’s performance. The reduced salary cannot be lower than the minimum rate of the employee’s current salary group. Pay may be restored to any rate within the same salary group, up to and including the employee’s prior rate, as performance improves without accounting for the increase as a merit increase.

5. Lateral Transfer

5.1. A lateral transfer is a change-in-duty assignment of an employee that moves the employee to another class title in the same salary group. When a lateral transfer occurs, the salary can be increased, it can remain the same, or it can decrease within the salary group.
Part-time employees do not receive longevity pay on a proportional basis. As shown in the chart below, eligible employees receive $20 per month for every two (2) years of lifetime service credit up to and including 42 years of service.

1.2. Length of service for longevity pay is determined in the same manner as length of service for annual leave. All prior employment with an agency of the State of Texas shall be counted. This does not include service in an independent school district or community college. Prior service is to be counted regardless of method of payment, length of appointment, FTE, continuity of service, or prior eligibility for longevity. One month of service is to be counted for each month or fraction of a month of state employment. In no case shall more than one (1) month of credit be granted for a single calendar month.

1.3. Staff Service Awards shall be a means of recognizing staff for service to Lamar State College-Port Arthur. The awards program will recognize employees with five, ten, fifteen, twenty and twenty-five years of service. Service pins and certificates are typically awarded in May for the current fiscal period.

1.4. Regular, full-time employees are eligible for service awards. All Lamar service (Lamar University, LSC-O, LIT) will count regardless of method of payment, length of service, or FTE.

4 Texas Government Code, Section 659.043
2. **Benefit Replacement Pay**

Beginning with wages paid on January 1, 1996, the State no longer pays the federal taxes imposed on state employees and state-paid judges under the Federal Insurance Contributions Act (FICA). This payment was commonly known as “state-paid Social Security.” The Legislature offset the effects of the repeal of this Act by instituting Benefit Replacement Pay for eligible employees. To be eligible, an employee must have been employed by the State on August 31, 1995, and must have been:

2.1. Eligible for the state-paid Social Security contribution under Section 606.064 of the Texas Government Code.

2.2. Using unpaid leave, if the employee would have been otherwise eligible.

2.3. Not working because his or her employment customarily did not include summer months; he or she had contracted to resume employment before September 2, 1995; and such employment would have made the employee eligible for the state-paid tax if the employee had held that position at that time.

Benefit replacement pay is equal to 5.85% of the FICA wages earned during the pay period (not to exceed $16,500 annually) and the additional retirement contribution paid by the employee because of receiving benefit replacement pay.

An eligible employee who leaves state employment for 30 or more consecutive days after August 31, 2005, becomes ineligible to receive benefit replacement pay upon re-employment with the State.

An eligible state employee who retired from state employment on June 1, 2005, or after that date and who receives an annuity based wholly or partly on services as a state officer or state employee in a public retirement system, is ineligible to receive benefit replacement pay upon re-employment with the State. In order to remain eligible for benefit replacement pay, an eligible employee who retired before June 1, 2005, must have returned to work with the State before September 30, 2005. (Texas Government Code, Section 659.126; and Senate Bill 1863 (79th Legislature, Regular Session), Section 13.07).

### POLICY: 3.4 MINIMUM WAGE, OVERTIME, AND COMPENSATORY TIME

**SCOPE:** STAFF

**POLICY NUMBER:** 3.4

**APPROVED:** June 1999

**REVISED:** November 2005

1. **Fair Labor Standards Act (FLSA)**

   1.1. Minimum Wage

   The minimum wage in Texas is linked to the federal minimum wage under Section 6 of the Fair Labor Standards (FLSA) Act of 1938 (29 United State Code, Section 206).

2. **FLSA Overtime/Compensatory Time**

   2.1. The Fair Labor Standards Act of 1938 (Title 29, United States Code, Section 201, et seq.) as amended required covered employers to compensate nonexempt (hourly/classified) employees for any hours worked above 40 hours in a workweek at a rate of time and a half, or 1.5 times an employee’s hourly pay.
2.2. Amendments to the FLSA in 1985, which became effective in 1986, provided that all state government employers other than elected officials, their personal staff, policy advisors, and legal staff were subject to the provisions of the FLSA. These amendments also provided that government employers could choose to compensate their nonexempt employees for overtime in cash or in calculated compensatory time off in lieu of cash payments. If compensation is paid to an employee for accrued time off, the compensation must be paid at the regular rate earned by the employee at the time the employee receives the payment.

2.3. Employees subject to the FLSA are entitled to compensation for any hours worked in excess of 40 hours in one (1) work week in one (1) of the following ways:

2.3.1. The agency can allow or require the employee to take compensatory time off at the rate of 1.5 hours for each hour over 40 hours worked during the workweek.

2.3.2. When granting compensatory time off is not practical, at the discretion of the employing department, the employee can receive 1.5 times the regular rate of pay in effect at the time the work was performed for each hour worked over 40 during the workweek.

2.3.3. Paid leave and holidays are not counted as hours worked for determining FLSA overtime hours. However, if the total number of hours worked (if less than 40) plus paid leave or paid holidays exceeds 40, the non-exempt employee shall be allowed state compensatory time off equal to the number of hours in excess of 40 hours.

Note: To convert straight-time hours to overtime hours, multiply the total number of straight-time hours by 1.5. To convert overtime hours to straight-time hours, divide the total number of overtime hours by 1.5.

2.3.4. Non-exempt employees may accumulate an overtime credit up to 240 straight time hours of FLSA overtime (160 overtime hours converted to straight time).

2.3.5. Non-exempt employees or their estates must be paid for any unused FLSA overtime at the time of separation from state employment.

2.4. State Compensatory Time

2.4.1. Employees Subject to the FLSA

2.4.2. If the total number of hours worked (if less than 40 hours) plus any paid leave or paid holidays exceeds 40 in one (1) workweek, the employee shall be allowed compensatory time off for this additional time on an hour-for-hour basis. The compensatory time off must be used within 12 months of the end of the workweek in which it was earned.

2.4.3. Employees will not be paid for any unused state compensatory time and there are no provisions in statutes or the General Appropriations Act that allow for the conversion of this time to any other type of leave. However, employees at institutions of higher education may be paid for state compensatory time if taking the time off would be disruptive to critical activities.

2.4.4. When an employee subject to the FLSA does not work more than 40 hours in a workweek and the number of hours worked plus the number of hours of holiday or other paid leave taken during the week does not exceed 40 hours, the employee may not accrue compensatory time for the week. Nonexempt, part-time employees must be paid for hours worked over their designated hours (under 40 hours) and may not accrue state compensatory time in those instances.
2.4.5. If an employee does not use state compensatory time within 12 months of when it was earned, the employee loses this time. An employee will not be paid for accrued but unused state compensatory time.

2.5. **Employees Exempt From FLSA Overtime Provisions**

2.5.1. An FLSA exempt employee shall receive his or her full salary for any week in which work is performed without regard to the number of days and hours worked. Exempt employees need not be paid for any workweek in which they perform no work. Exceptions to this general rule include the following:

2.5.1.1. Deductions may be made for full-day absences for personal reasons other than sickness or disability.

2.5.1.2. While an employer cannot make deductions from pay for absences of an exempt employee occasioned by jury duty, witness at a judicial action or military duty, the employer can offset any amounts received by an employee as jury fees, witness fees, or military pay for a particular week against the salary due for that particular week without loss of exemption.

2.5.1.3. Deductions may be made for full-day absences for sickness or disability after exhaustion of sick leave or workers’ compensation benefits.

2.5.1.4. Deductions may be made for penalties due to safety infractions of major significance. Safety infractions of major significance include those relating to the prevention of serious danger in the workplace or to other employees.

2.5.1.5. Deduction from pay of exempt employees may be made for unpaid disciplinary suspensions of one (1) or more full days imposed in good faith for infractions of workplace conduct rules. Such suspensions must be imposed pursuant to a written policy applicable to all employees. Thus, for example, an employer may suspend an exempt employee without pay for three (3) days for violating a generally applicable written policy prohibiting sexual harassment. Similarly, an employer may suspend an exempt employee without pay for twelve days for violating a generally applicable written policy prohibiting workplace violence.

2.5.1.6. An employer is not required to pay the full salary in the initial or terminal week of employment. Rather, an employer may pay a proportionate part of an employee’s full salary for the time actually worked in the first and last week of employment. An employer is not required to pay the full salary for weeks in which an exempt employee takes unpaid leave under the Family and Medical Leave Act.

2.5.1.7. State agencies may reduce the pay of FLSA exempt employees for absences of less than a full day for personal reasons or because of injury or illness when permission to use leave was not sought or was denied, accrued leave was exhausted, or the employee chose to use leave without pay.\(^5\)

2.5.2. **Transfer of Payment of State Compensatory Time**

State Compensatory Time accrued but unused may not be paid to terminating employees.

\(^5\) Texas Government Code, Section 659.0169e(4)
State Compensatory Time accrued but unused may not be transferred to another state agency.

2.5.3. The Texas Attorney General has ruled that the estate of a deceased employee may not be paid for the employee’s earned, but unused, state compensatory time.\(^6\)

2.4. **Holiday Compensatory Time**

2.4.1. An institution of higher education, as defined by Section 61.003 of the Texas Education Code, may allow an employee who is required to work on a national or state holiday that does not fall on a Saturday or Sunday to take compensatory time off in accordance with this statute or may instead pay the employee at the employee’s regular rate of pay for that time as the institution determines that allowing compensatory time off would disrupt critical functions.

2.5. **Procedure**

2.5.1. **Overtime Earned**

All overtime must have advanced approval from the employee’s supervisor. The Request for Overtime/Leave Form (F3.6A) must be completed and signed prior to working overtime.

2.5.2. **Overtime Taken**

All overtime taken must have advance approval from the employee’s supervisor. The Request for Overtime/Leave Form (F3.6A) must be completed and signed prior to working overtime.

---

6 Opinion, Texas Attorney General, NO. H-899 (1976)
Part-time and overload salaries are spread over 4.5 months for fall and 4.5 months for spring. In the fall, checks are distributed on the first working day of October (1), November (1), December (1), January (1), and February (.5). In the spring, checks are distributed on the first working day of February (.5), March (1), April (1), May (1), and June (1).

Part-time faculty teaching eight week courses at a Prison facility will be paid in two (2) equal payments.

3. Substitute Faculty Compensation

Whenever a faculty member is unable to meet his/her regularly scheduled classes for more than two (2) consecutive class periods, a substitute will be paid to cover the classes. The Office of the Vice President for Academic Affairs or the appropriate department will process the Personnel Action Request - F3.2 for pay.

The faculty member is obligated to notify the Dean or Department Chair as early as possible so arrangements can be made for classes. It is the Department Chair’s responsibility to identify the substitute. The faculty member will provide a lesson plan for each class missed.

The substitute must complete the paperwork required of all College employees.

4. Benefits Eligible Faculty

Faculty accruing sick leave must use sick leave to cover absences due to sickness. Eight hours sick leave must be charged for each day of absence.

In the event the faculty member does not have enough sick leave to cover the total absence, he/she will be required to take leave without pay.

5. Non Benefits Eligible Faculty

Faculty who are not benefits eligible and who are absent for two (2) or more consecutive class meetings will not be paid for the classes missed.

POLICY: 3.6 EMPLOYEE PERFORMANCE PAY

SCOPE: CLASSIFIED STAFF

POLICY NUMBER: 3.6

APPROVED: June 1999

REvised: November 2005

1. Merit Increases

For classified employees, a merit increase consists of an increase within the range of the same salary group. (Texas Government Code, Section 659.255(a) (3). State Agencies may award merit salary increases to employees whose job performance and productivity is consistently above that normally expected and required. (Texas Government Code, Section 659.255(e) (4).

Employees may receive a one-time merit payment following the same criteria used to award merit salary increases. One time merit payments are considered compensation or wages and are subject to retirement plan contributions.

A state agency may award a merit salary increase or a one-time merit payment to a classified employee in relation to his or her current performance if:

1.1. The employee has been employed by the agency in that position for at least six continuous months before the effective date of the increase. Additionally, the effective date of the increase must be at least six months after the employee’s last promotion or merit salary increase for performance in that position.
1.2. The agency has established a procedure for determining the eligibility of a classified employee to receive a merit salary increase or a one-time merit payment.

1.3. The employee’s job performance and productivity in that position are consistently above that normally expected or required.

1.4. The effective date of the increase is at least six months after the effective date of the agency’s last payment to the employee of an enhanced compensation award or one-time merit payment for performance in that position.

The statute does not specify a minimum or maximum amount for either a merit salary increase or a one-time merit payment. Agencies should ensure that merit increases and one-time merit payments are distributed throughout the range of classified salary groups. A merit salary increase should not be confused with a promotion, because a merit salary increase rewards an employee for performance in the same job.

Merit salary increases may be granted to employees whose job performance and productivity is consistently above that normally expected or required. Salary increases for faculty or faculty-equivalent employees shall be awarded on the basis of merit and job performance. This should not be interpreted to preclude salary adjustments designed to avoid salary inequities. (General Appropriations Act (79th Legislature, Regular Session), Article III, Special Provisions Relating Only to State Agencies of Higher Education, Section 5.4 and Section 5.5)

POLICY: 3.7 STUDENT SOCIAL SECURITY EXCLUSION
SCOPE: STUDENT
POLICY NUMBER: 3.7
APPROVED: 
REVISED: 

1. Policy

The Student Social Security Exclusion Policy establishes guidelines for the implementation of IRS Revenue Procedure 98-16 which excludes qualified student employees from Social Security and Medicare coverage. The Omnibus Appropriations Bill, H.R. 4328 passed by Congress included a provision which permits states to exercise the student exception option provided in federal law.

2. Definitions

2.1. **Student employees** will be defined as eligible for this exclusion if one (1) of the following criteria is met:

   2.1.1. Undergraduate Student. The student is enrolled for six (6) credit hours or more for the Fall or Spring semester or the student is enrolled for three (3) credit hours or more for a Summer semester.

2.2. **Career Employees** who are also students will not be eligible even if all other criteria are met. A career employee is defined as one who is eligible to participate in a retirement program and/or does not require student status as a condition of employment.

2.3. **Census Date** is the date on which a student status will be determined. The date is the 12th class day for Fall and Spring and the 4th class day for Summer Sessions I and II. Mini-session is considered to be part of the Summer Session I enrollment period.

2.4. **Enrollment Period** is defined as the semester in which the student was enrolled and working at the college.

3. Procedures
3.1. **General Eligibility.** Eligibility will be determined by the completion of the F3.2 transaction. The Director of Financial Aid will determine the number of hours the student is enrolled. The payroll office will populate the necessary fields in the Human Resources System using actual enrollment data. This information will not be changed after the census date.

3.2. **Current Semester Exclusion** will be determined based on the enrollment status on the census date. The exemption will not be affected by added or dropped classes after the census date.

3.3. **Work Requirement.** Student employees are not allowed to work more than 20 hours per week.

3.4. **Semester Breaks.** As defined in IRS Revenue Procedure 98-16, a student will be granted the exclusion during semester breaks as long as that period does not exceed five (5) weeks. Students who are working, but are not enrolled, during the summer will not be granted the exclusion. This will apply regardless of whether the student was enrolled during the previous semester and expects to return to the college the following semester.

SECTION 4: ATTENDANCE AND LEAVE

POLICY: 4.0 ATTENDANCE
SCOPE: STAFF AND FACULTY
POLICY NUMBER: 4.0
APPROVED:
REVISED: November 2005

1. Staff

1.1. Workweek and Hours

The official workweek for the College is from 12:01 a.m. Saturday until 12:00 midnight of the following Friday. Normal hours for College offices and operations are determined by the President. Departments may require personnel to work shifts different from the normal College hours. In no case will the normal work schedule for full-time, non-exempt personnel exceed 40 hours in the workweek.

All salaried personnel are expected to be present for their assigned job unless their absence is approved by appropriate authority. Absence from duty must be accounted for under established leave policies or other approved means. In no case, shall an employee be paid for unaccounted time.

All personnel are expected to work their established work hours unless absence from duty is authorized by their supervisor. Failure to properly notify a supervisor concerning an absence and to receive necessary permission may result in disciplinary action up to and including termination.

1.2. Service Departments

Service department personnel will normally observe the forty (40) hour work week; however, because of service department operations, employees may have different work schedules and may be subject to call on a standby basis for emergencies, special events, and in unusual circumstances. The regular hours will, however, be compensated in accordance with state law.

1.3. Lunch Periods

Normal College scheduling requires an hour unpaid lunch period. Employees are expected to conform to their assigned meal schedule. If lunches are taken on College property, employees are expected to adhere to College rules and standards.

1.4. Rest Periods

Work load permitting, a rest period of not more than fifteen (15) minutes during the first half of a regular workday and not more than fifteen (15) minutes during the second half of a regular workday is permitted for full time employees. Part-time employees who are scheduled to work four (4) hours or more but less than a full day will be afforded one (1) fifteen (15) minute rest period. Breaks are dependent on work schedule and supervisory approval.

Rest periods cannot be accumulated for use at a later date nor used to shorten the regular workday or lengthen the lunch period. In all instances, the utilization of rest periods is subject to the work load demands of the organizational unit as determined by the supervisor. During break periods, the employee is on paid leave and all normal standards of conduct should apply.
1.5. **Observance of Regulations**

Each staff member must observe the regular work schedule for his/her work location. Absence from duty must be accounted for under established leave policies on approved leave forms. In no case shall an employee be paid for unaccounted time. Failure to properly notify a supervisor concerning an absence and to receive necessary permission may result in disciplinary action up to and including termination. Any individual who is consistently late for work, or who does not return from rest periods or lunch periods promptly, is subject to disciplinary action up to and including termination. The staff member is responsible for notifying the supervisor close to the opening of the work day if he/she will be late or absent from work. When it is necessary to leave work early, the staff member is to make necessary arrangement with the supervisor prior to the time of departure.

1.6. **Place of Work**

Employees must, during normal office hours, conduct agency business only at the employee's regular place of business or assigned duty point unless they are on travel status or has received prior written authorization from the administrator of the employing agency. An employee's personal residence may not be considered to be that employee's regular place of business or duty point for the purpose of this subsection without the written authorization of the President.

1.7. **Holidays**

The legislature authorizes specified holidays each biennium. The College is authorized to deviate from the State holiday schedule to conform to our academic schedule. The President will issue the College holiday schedule prior to the beginning of each fiscal year.

Only regular employees of institutions of higher education are eligible for paid holidays. A regular employee is defined as someone who is employed to work at least 20 hours per week for a period of at least four and one-half months, excluding students employed in positions which require student status as a condition for employment.

Employees of institutions of higher education may be paid for holiday compensatory time hours earned on a straight time basis when the taking of compensatory time would be disruptive to normal teaching, research, or other critical functions.

In order to be paid for a holiday that falls in mid-month (other than the first or last workday of the month), the employee must be a state employee (the legal definition of which is employed by the state and not on LWOP) on the day before and the day after the holiday. If the holiday falls on the first workday of a month, the employee must be a state employee on the day immediately after the holiday to be paid. If the holiday falls on the last workday of the month, the employee must be a state employee on the day immediately before the holiday to be paid.\(^7\)\(^8\)

The observation of religious holidays may be permissible. In such cases, the time off may be charged to vacation or compensatory time. The President may designate certain religious holidays which can be substituted for other holidays when possible.

In the event that a state holiday falls between the periods an employee transfers from one (1) state agency or institution of higher education to another without a break in service, the receiving agency or institution of higher education must pay for the holiday regardless of whether the agency or institution of higher education recognizes that particular holiday.

7 Texas Government Code, Section 662.010
2. Faculty

Faculty members employed by Lamar State College Port Arthur must discharge faithfully instructional duties and other responsibilities associated with faculty appointment, including the meeting of all scheduled classes.

2.1. Absences from classes will be authorized only under the following conditions:

2.1.1. Professional meetings when, in the judgment of the President or his designee, attendance at such meeting would contribute to the improvement of teaching or scholarship at Lamar State College-Port Arthur.

2.1.2. Sickness, injury, pregnancy and/or confinement that prevent the faculty member’s performance of duty or when a member of his or her immediate family is actually ill.

2.1.3. Family emergencies, including attending the funerals of the faculty member’s spouse; the faculty member’s and spouse’s parents; and the faculty member’s children, brothers, sisters, grandparents, and grandchildren. The President may grant this leave for other reasons determined to be for good cause.

2.1.4. Specific assignments of the President of short duration, or special circumstances where the President considers such absences to be for valid reasons.

2.2. Unauthorized absence of a faculty member is not permitted. Unauthorized absences are a violation of the terms of the faculty member’s appointment. Any faculty member absent for a period of two (2) days who fails to obtain authorized leave according to approved personnel policies will be considered to have abandoned his/her position. The instructor will be subject to disciplinary action which may include leave without pay, dismissal, or other personnel action.

2.3. In the event of a faculty absence which is premeditated, prior authorization through the use of the proper form is required. The request for permission to be absent should be made to the Department Chair/Program Director with final approval from the Division Dean. The faculty member is obligated to notify the Department Chair as early as possible so that the latter may make appropriate arrangement for missed classes.

2.4. The faculty member is responsible for notifying the Department Chair/Program Director of an absence in time to ensure the uninterrupted schedule of classes.

POLICY: 4.1 ANNUAL LEAVE

SCOPE: STAFF

POLICY NUMBER: 4.1

APPROVED: 

REVISED: November 2005

1. Purpose

The purpose of annual leave is to provide income protection to the employee while allowing for period of recreational leave or other absences from work not covered by other leaves. Employees are encouraged to use the majority of their earned annual leave each year. It is important that employees have time to rest and relax each year in order to maintain maximum productivity. Annual leave also allows employees to take care of a variety of personal matters when it is not possible to do so outside normal working hours.

2. Eligibility
All regular non-faculty employees are entitled to paid annual leave. Annual leave accrual rates are the same for both classified and professional employees. Part-time employees are also eligible for annual leave, but their accrual rate and maximum annual leave carryover amounts are proportionate to the number of hours they work. (Texas Government Code, Section 661.152(c). For example, half-time employees earn and carry over annual leave at one-half the rate authorized for full-time employees. State employees who are employed by multiple state agencies may not accrue annual leave at a rate that exceeds that of a full-time employee.

3. Accruals

An employee accrues annual leave and may carry annual leave forward from one (1) fiscal year to the next in accordance with the schedule below.9

Schedule of Annual Leave Accruals for Full-Time Employees

All annual leave hours in excess of the maximum allowable carryover left at the end of a fiscal year shall be credited to the employee’s sick leave balance.10 In computing annual leave taken by an employee, absences due to holidays are not charged.

The amount of annual leave accrued by an employee is based on his or her employment status on the first day of the month. Credit for the higher rate of accrual will be given on the first calendar day of the month only if the employee’s anniversary falls on that day. Otherwise, the increase in annual leave accrual will be given on the first calendar day of the following month.

Employees begin to accrue annual leave from their first day of employment. Accruals on annual leave end on an employee’s last day of duty, which is an employee’s last physical day on the job. Credit for annual leave is given for each month or fraction of a month of state employment. The employee receives this credit on the first day of the month. If the employee is on any type of paid leave that extends into the following month, the accrual will not be posted until the employee returns to duty. An employee forfeits this accrual if he or she fails to return to duty.

4. Six Month Eligibility

Annual leave may not be taken until the employee has been continuously employed with a state agency/institution of higher education for six (6) months. An employee who separates from state

9 Texas Government Code, Section 661.152 (d)
10 Texas Government Code, Section 661.152 (d)
employment for any reason during that six (6) month period is not eligible for any accruals made during that period. Additionally, continuous employment means that no leave without pay has been taken for a full month during the six (6) month period. The six (6) month eligibility requirement must be met only once. After an employee has accrued six (6) months of continuous state employment and separates from state employment, he or she is entitled to be paid for accrued annual leave.\footnote{Texas Government Code, Section 661.062(a)}

5. **Terminal Vacation**

An employee, who resigns, is dismissed, or otherwise separates from state employment is entitled to be paid immediately for accrued and unused vacation time, as long as the employee has had continuous employment for at least six (6) months.

A terminating employee may, with the approval of the employing agency, remain on the payroll after separation to use accrued annual leave rather than receive a lump-sum payment. No additional accruals will be made during this period. The employee may not use sick leave or accrue sick leave or annual leave while exhausting annual leave.\footnote{Texas Government Code, Section 661.067 (b)(3)}\footnote{State Auditor Leave Interpretation Letter No. 99-01(1998)}

Upon separation, lump-sum payments for accrued but unused annual leave will include payment for any holidays that the employee would have observed had he or she remained on the payroll. Eight (8) hours per holiday will be added for employees who are normally scheduled to work forty (40) hours per week. Employees who are normally scheduled to work less than forty (40) hours per week will receive a proportionate payment. An employee moving to a position in a state agency that does not accrue annual leave is not entitled to add time for holidays that fall within the accrual period. In no case is the employee entitled to receive longevity pay for the accrual period.\footnote{Texas Government Code, Section 661.063 (c) (2)}

6. **Approval**

While each employee is entitled to use accrued vacation leave, the employee's supervisor may refuse to allow vacation time when it would unduly hamper departmental efficiency. Employees are encouraged to request vacation leave using the Request for Overtime/Leave Form (F3.6A) with sufficient advance notice to the supervisor so that work schedules may be rearranged as necessary. Supervisors may refuse to grant any vacation leave requests during peak workload periods.

Employees will not be advanced vacation leave. Any leave taken in excess of the accrued balance will be charged to compensatory time if available. If insufficient compensatory time exists, the employee will be placed on Leave Without Pay. Please see the guidelines on LWOP.

7. **Employee and Department Responsibilities For Leave**

Employees should communicate to their supervisor at the earliest practical time details of their absence or anticipated absence(s) including dates with appropriate documentation. Leaving one's job without proper notification to their supervisor can constitute job abandonment. Any employee who is absent from work without authorized leave for three (3) consecutive workdays shall be deemed to have abandoned his/her position and to have voluntarily resigned from employment. Bona fide emergencies will be taken into consideration.

The employee is responsible for completing the application for leave form, Request for Overtime/Leave Form (F3.6A), providing supporting documentation, and following up on approvals.

The departments are responsible for notifying the Human Resources Office regarding employee leave, especially when it is anticipated the employee will not have enough paid leave. The
department is responsible for processing the necessary documents (Personnel Action Request Form (F3.2) and Vacation/Sick Leave Form (F3.6)) to process the requested leave in a timely manner.

All leave must be reported monthly to the Payroll Office. This is done by completing an F3.6 and submitting it and supporting documents to the Payroll Office not later than the seventh work day of the following month.

The employee is required to account for all such leave taken during the month. The leave balance will appear on the following month's F3.6. All leave must have prior approval on a Request for Overtime/Leave Form (F3.6A).

8. Even if no leave is taken for the month, each employee is required to complete the Vacation/Sick Leave Form (F3.6) and submit it to the Payroll Office.

POLICY: 4.2 SICK LEAVE
SCOPE: FACULTY AND STAFF
POLICY NUMBER: 4.2
APPROVED: November 2005; April 2014

1. Purpose

The purpose of the sick leave benefit is to protect the employee's income during periods of bona fide illness or injury, to the employee or members of the employee's immediate family, and which require the employee to be absent from work. It is also designed to protect other employees from being exposed to contagious diseases. All employees are expected to work if their health permits and to remain at home if it does not.

Sick leave may be used when an employee is prevented from performing his or her job due to sickness, injury, or pregnancy and confinement. It may also be used to care for an immediate family member who is ill. “Immediate family” is defined as individuals related by kinship, adoption, or marriage who live in the same household; foster children who reside in the same household; and minor children regardless of whether they live in the same household. Sick leave may be used to care for immediate family members who do not reside in the same household only because of a documented medical condition. In this instance only, “immediate family” is interpreted as spouse, parent, or child. (Texas Government Code, Section 661.202 (e)

2. Accrual

2.1. An employee accrues sick leave beginning on the first day of state employment and ending on the last duty day of state employment. Duty day means an employee’s last physical day on the job.

2.2. An employee who is on leave the first day of the month may not use that month’s accrual until he or she returns to duty.

2.3. An employee accrues sick leave at a rate of eight hour per month or proportionately for part-time employees. Employees employed by multiple agencies cannot accrue sick leave at a rate that exceeds that of a full-time, 40 hour per week employee.

2.4. Sick leave accumulates with the unused amount carried forward each month, and there is no limitation on the amount which may be accrued.

2.5. Sick leave is earned each month the employee is on the payroll. Employees on leave without pay, and nine month faculty will not earn sick leave during any full calendar month when they are not on the payroll.
3. **Utilization**

3.1. Any employee absent because of illness must notify his/her supervisor as soon as possible.

3.2. An absence of more than three (3) days requires the employee to provide their supervisor with a doctor’s certification or a written statement of the facts surrounding the absence and the nature of the illness. Where indicated by circumstances (see following paragraph), the supervisor may request a doctor's certification for sick leave of any duration. In addition, the supervisor may request a doctor's certification as to the employee's fitness to return to normal duties.

3.3. Normal utilization of sick leave benefits should not interfere with overall productivity of the department. Therefore, it is appropriate that corrective steps be taken if an employee abuses sick leave (e.g., calls in sick when absent for non-health related reasons), or if an employee has prolonged and/or frequent and regular absences which substantially hinder the employee in carrying out required duties and responsibilities. Corrective steps may include medical consultations, counseling, disciplinary warnings, and can eventually lead to termination.

3.4. Employees who exceed their accrued sick leave will be required to use any accrued vacation or compensatory time. When all accrued leave is exhausted, the employee will be placed on Leave Without Pay (LWOP). An F3.2 must be generated placing the employee on LWOP for the appropriate time.

3.5. An employee may use sick leave while he or she is on annual leave. The employee may be required to submit a doctor’s certification that confirms the illness and the employee may be required to submit a fitness for duty certification.

3.6. **Sick Leave Records for Faculty**

3.6.1. Faculty members are required to submit prescribed leave forms for all sick leave taken if the absence occurs during the normal workday for regular employees, even if no classes are missed. (Texas Government Code, Section 661.203).

3.7. There is no authority to pay out an employee’s accrued but unused sick leave balance upon termination.

3.8. Sick leave may be used for the adoption of a child under the age of three (3).

4. **Restoration of Sick Leave Balances.**

4.1. An employee who is restored to state employment following military service is entitled to have his or her sick leave balance restored.

4.2. If an employee transfers to another state agency without a break in service, the accumulated sick leave balance shall be transferred to the hiring agency.

4.3. Employees who separate from state employment under a formal reduction in force are entitled to have their sick leave balances restored if they are re-employed by the State within 12 months.

4.4. Employees separated for reasons other than a formal reduction in force and re-employed by the same state agency may have their sick leave balances restored only if:

4.4.1. The employee is re-employed by the same institution of higher education within 12 months after the end of the month in which the employee separates from state employment, but only if there has been a break in employment with the State of at least 30 calendar days; or
4.4.2. The employee is re-employed by a different state agency or institution of higher education within 12 months after the end of the month in which the employee separates from state employment.

5. Payment For Deceased Employee

The estate of a deceased employee is entitled to receive payment for one-half of the employee’s sick leave balance or 336 hours, whichever is less. The amount paid to the estate will be based on the employee’s compensation rate at the time of death. Any state holiday that falls within this period shall not be charged against the accrued leave hours.

POLICY: 4.3 CATASTROPHIC SICK LEAVE POOL
SCOPE: FACULTY AND STAFF
POLICY NUMBER: 4.3
APPROVED: March 2002
REvised: 

1. Policy

Use of the Sick Leave Pool is limited to cases of catastrophic illnesses or injuries.

2. Definitions

2.1. A catastrophic injury or illness is defined by the Employees Retirement System of Texas as "A severe condition or combination of conditions affecting the mental or physical health of the employee or the employee's immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the State for the employee."

2.2. Licensed practitioner means practitioner, as defined in the Texas Insurance Code, who is practicing within the scope of his or her license.

2.3. Immediate family is defined as those individuals related by kinship, adoption, marriage, or foster children who are so certified by the Texas Department of Human Services who are living in the same household or if not in the same household are totally dependent upon the employee for personal care or services on a continuing basis.

3. Administration

The Director of Human Resources will be responsible for administering the Sick Leave Pool.

4.1. All benefits-eligible employees of Lamar State College-Port Arthur may apply to use sick leave from the Sick Leave Pool.

4.2. Employees may use pool leave for their own catastrophic illness/injury or for a member of the immediate family.

4.3. Employees may also use pooled sick leave if they contributed sick leave to the pool and then exhausted their sick leave balance in the same fiscal year. Such employees may receive only the number of hours they contributed to the pool that fiscal year unless they suffer a catastrophic illness or injury.

4.4. Employees must exhaust all accrued leave, plus any extended sick leave granted them by their agency, before they are eligible to use leave from the pool.
4.5. Employees on pooled sick leave for a full calendar month accrue paid leave for that month, provided they return to work following the leave.

4.6. Employees with catastrophic illnesses or injuries are not required to contribute to the pool before they can use pool leave.

4.7. Employees who use pool leave are not required to pay back pool leave.

5. **Contributing Sick Leave To The Sick Leave Pool**

5.1. Contributions to the pool are strictly voluntary.

5.2. Active employees may contribute sick leave to the pool each fiscal year, in increments of eight hours.

5.3. Employees who make contributions to the pool may **not** stipulate who is to receive their contributions.

5.4. Employees will be encouraged to contribute to the pool at the time of their separation from state employment. They may contribute up to three (3) days at that time, provided they have not already contributed the maximum for that fiscal year.

5.5. Employees who contribute leave to the pool cannot get it back unless they are eligible to use it.

6. **Requesting To Use Leave From The Sick Leave Pool**

6.1. Request for Pool Leave will be forwarded to the Director of Human Resources (Pool Administrator) through appropriate supervisory channels, and will be considered by the Pool Administrator on a first-come, first-served basis.

6.2. The Pool Administrator will have five (5) work days from the date she receives a request in which to approve all or part of the request, or deny the request.

6.3. The amount of Pool Leave granted for each catastrophic illness or injury will be determined by the Pool Administrator. However, the amount cannot exceed one-third (1/3) of the balance of hours in the pool, or 90 days, whichever is less.

6.4. Any unused balance of the Sick Leave Pool granted to an employee returns to the Sick Leave Pool. The estate of a deceased employee is not entitled to payment for unused Sick Leave Pool.

6.5. Employees seeking permission to withdraw time from the sick leave pool because of a catastrophic illness or injury are required to provide a written statement from the appropriate licensed practitioner sufficient to evaluate the employee’s eligibility.15

**POLICY:** 4.4 LEAVE WITHOUT PAY (LWOP)

**SCOPE:** FACULTY AND STAFF

**POLICY NUMBER:** 4.4

**APPROVED:** November 2005

---

1. **Provisions**

Leave Without Pay (LWOP) can only be granted according to the following provisions:

15 S.B. 1624, 75th Legislature, General Appropriations Act).
1.1. The leave is unpaid.

1.2. The leave may not exceed 12 months.

1.3. Except in instances of disciplinary suspension, worker's compensation, and military situations:
   1.3.1. Annual leave must be exhausted.
   1.3.2. Sick leave, if appropriate, must be exhausted.

1.4. The President may waive these limitations for such reasons as interagency agreements or for educational purposes.

1.5. Any full calendar month of LWOP does not constitute a break in employment but also does not count for purposes of state service credit with the exception of an employee returning from military leave without pay. This time is not included in the calculation of the number of continuous months of employment for purposes of merit increases and leave.

2. Compensation

An employee who is on LWOP will have his or her compensation reduced for the pay period at the hourly rate of pay times the number of hours on LWOP. (Texas Government Code, Section 661.909)

FLSA exempt employees may also be subject to salary reduction in the same manner in accordance with provisions of 29 C.F.R. section 541.188. FLSA exempt employees who are absent from work less than one day for personal reasons, sickness, or disability under certain conditions may be subject to a salary reduction.

3. Limitations

See guidelines on sick and vacation leave to determine limitations on use of leave. Placing an employee on LWOP involves additional administrative expenses and creates an additional workload for co-workers and therefore, frequent or lengthy LWOP status may subject the employee to corrective actions up to and including termination.
1.3. The employee allows at least thirty days for reinstatement in a similar position.

2. The College does not assure that employees returning from Extended LWOP will be returned to their same position but only that they will be returned to a similar position for which their qualifications are accepted by the supervisor holding an available and vacant position.

3. Failure of an employee to return to work at the end of an approved LWOP will be a voluntary termination employment unless request for extension of the LWOP has been approved by the appropriate Dean, Director or Vice President. The request will not be approved beyond the 12 month limit.

4. Employment while on a disability LWOP is cause for termination unless specifically approved as related to the employee's College responsibilities.

5. During an extended LWOP (longer than a calendar month), the employee is responsible for paying the full insurance premiums on any coverage. That is, the employee must pay both the normal employee cost and the state contribution, unless the leave is certified as Family Medical Leave. Failure to pay the premium will result in cancellation of the insurance and evidence of insurability may be required to have the insurance reinstated.

6. No sick or vacation leave will be accrued for any calendar month on LWOP.

7. Retirement contributions are discontinued while on LWOP. Accrued benefits are not forfeited, nor can they be withdrawn during the LWOP.

POLICY: 4.6 FAMILY MEDICAL LEAVE ACT (FMLA)
SCOPE: FACULTY AND STAFF
POLICY NUMBER: 4.6
APPROVED: 
REVISED: September 2009

1. **Policy**

   It shall be the policy of Lamar State College-Port Arthur to provide all eligible employees twelve (12) weeks leave time to care for their needs and those of their family members. This policy shall meet the requirements of the Family Medical Leave Act (FMLA). Employees utilizing FMLA will be granted the rights preserved in that legislation and the regulation defined by the U. S. Department of Labor and the State Appropriations Act.\(^\text{16}\)

2. **Eligibility**

   To be eligible for leave under the Family Medical Leave, an employee (Faculty or Staff) must have:

   2.1. A total of at least 12 months of state service. In calculating the required twelve (12) months, all state employment will be counted and it need not be continuous, and

   2.2. Worked at least 1250 hours during the (12) month period immediately preceding the commencement of leave. The 1250 hours refers to hours actually worked and does not include paid time off.

   2.3. For purposes of FMLA, the State is considered a single employer. Time worked for other state agencies should be credited when considering FMLA eligibility.

3. **Use of Accrued Leave**

   \(^\text{16}\) SB5, 73rd Legislature, Regular Session, Article V, Section 8 U.S. Public Law 1033, Family Medical Leave Act, 29CFR825
3.1. Eligible employees must use all appropriate paid leave while taking FMLA.

3.2. FLSA compensatory time cannot be used concurrently with FMLA. If the employee elects to use FLSA compensatory time while out on FMLA, that time is not counted toward the 12-week entitlement. State compensatory time, holiday time, and administrative leave that are benefits of the State may be counted toward the entitlement.

3.3. Employees on workers’ compensation or receiving temporary disability benefits cannot be required to use, but may elect to use, paid leave prior to taking FMLA.

3.4. Sick leave may be used in conjunction with FMLA when a child under the age of three (3) is adopted, regardless of whether the child is ill at the time of adoption.

3.5. A state employee who is the father of a child may use his sick leave only if the child is ill due to childbirth or to care for his spouse while she is recovering from labor and delivery.

4. Parental Leave

4.1. Those employees with less than a total of 12 months of state service or who have worked less than 1250 hours in the 12-month period immediately preceding the commencement of leave are eligible to take a parental leave of absence, not to exceed 12 weeks, provided that the employee utilizes all available applicable paid vacation and sick leave while taking leave pursuant to this subdivision. The leave authorized by this subdivision is limited to, and begins with the date of, the birth of a natural child or the adoption or foster care placement of a child under three (3) years of age.

5. Eligible Events

Eligible employees are entitled to a total of twelve (12) weeks of leave during any twelve (12) month period for one (1) or more of the following events:

5.1. The birth and care of a child;

5.2. The placement of a child for adoption or foster care;

5.3. To care for a spouse, child, or parent with a serious health condition; or,

5.4. A serious health condition that renders the employee unable to work.

5.5. Certain qualifying exigencies arising out of a covered military member’s active duty status, or notification of an impending call or order to active duty status, in support of a contingency operation;

5.6. Up to 26 weeks of leave in a single 12-month period to care for a covered service member recovering from a serious injury or illness incurred in the line of duty on active duty.

5.7. Eligible employees are entitled to a combined total of 26 weeks of all types of FMLA leave during the single 12-month period.

6. Additionally

6.1. An employee taking FMLA leave will return to the same position or to an equivalent position, at the college’s election, unless the college would have terminated the employee in the absence of FMLA leave (e.g., layoff, downsizing, or termination of a temporary job).

6.2. Taking of leave will not result in any loss of benefits or conditions of employment accrued prior to the beginning of the leave period.

6.3. The employee is responsible for paying his or her portion of the premium. Health care coverage will cease if premium payment for dependent coverage is more than thirty (30) days late. If the employee elects not to return to work at the end of the leave period, he/she will be required to reimburse the State for the cost of the premiums paid to maintain
coverage during leave, unless he/she cannot return to work because of a serious health condition or other circumstances beyond his/her control.

6.4. The employer can require the employee to provide a doctor’s certification. Medical Certification Forms are available from the Human Resources Office. Failure to provide requested medical certification in a timely manner may result in denial of leave until it is provided.

6.5. FMLA may be used intermittently or on a reduced leave schedule if required by a physician to address a serious illness. Employees requesting intermittent leave to care for a child that is a newborn, during adoption, or during foster care must get employer approval for the intermittent leave. If leave is unpaid, the employee's salary will be reduced based on the amount of time actually worked. In addition, while he/she is on an intermittent or reduced schedule leave, the employee may be temporarily transferred to an alternative position which better accommodates the recurring leave and which has equivalent pay and benefits.

6.6. If FMLA is used in one (1) continuous block, a college closing will count against the employee’s entitlement. The exception to this is a closing of a week or more.

6.7. Holidays, ice days, and shutdowns do not count against employees who are on intermittent FMLA or a reduced work schedule.

7. Method of Calculation

Lamar State College-Port Arthur will calculate the twelve (12) month period of leave usage by a roll back method.

8. Accruals

An employee on FMLA will not accrue service credit for any full calendar months of LWOP taken while on FMLA. Further, any full calendar months of LWOP shall not be included in the calculation of six (6) continuous months of employment set forth in Article V of the Appropriations Act, Section 1, 4 and Section 8, 1.

An employee on FMLA will not accrue vacation or sick leave for such months.

9. Procedure

9.1. Notice

If need for family/medical leave is foreseeable, employees must give Lamar State College Port Arthur thirty (30) days prior written notice. Where the need for leave is not foreseeable, notification must be given within 1 to 2 working days of learning of need for leave, except in extraordinary circumstances. Failure to provide such notice may be grounds for delay of leave. Forms are available from the Human Resources Office.

9.2. Designation

An employee does not have the option of choosing whether or not to designate leave as FMLA, it is the employer's responsibility to determine whether leave qualifies as FMLA leave.

9.3. Reporting While On Leave

The employee must report to the Human Resources Office regarding the status of his/her condition and intention to return to work on a monthly basis the 1st day of the month.

9.4. Returning From Leave

If leave is taken because of employee's serious health condition, he/she will be required to provide medical certification to resume work. Return to Work Medical Certification Forms
may be obtained from the Human Resources Office. Employees failing to provide the Return to Work Medical Certification Form or a doctor's release form will not be permitted to resume work until it is provided.

9.5. Extended Leave for Serious Health Condition

Leave taken because of an employee's own serious health condition may be extended additional weeks (see Leave Without Pay Policy).

9.6. Failure to Return to Work

If an employee does not return to work on the originally scheduled return date nor requests in advance an extension of the agreed upon leave with appropriate documentation, he/she will be deemed to have voluntarily terminated employment with Lamar State College-Port Arthur.

10. Definitions

1.5. Certain Benefits and Protections for State Service

A member of the state military forces who is ordered to active state duty by the Governor or by other proper authority under the law of this State is entitled to the same benefits and protections provided.

1.5.1. To persons performing service in the uniformed services by 38 United States Code, Sections 4301-4313 and 4316-4319, as that law existed on April 1, 2003; and

1.5.2. To persons in the military service of the United States by 50 App. United States Code, Sections 501-536, 560 and 580-594, as that law existed on April 1, 2003.

This applies only to persons serving on active state duty on or after the effective date of this statute without regard to the date on which the person was initially ordered to active state duty.

1.6. Call to National Duty

A member of the National Guard or any reserve branch of the U. S. Armed Forces called to federal active duty during a national emergency is entitled to an unpaid leave of absence after exhausting the fifteen (15) days of paid military leave. The employee may use any accrued annual leave, compensatory time, or overtime leave to maintain benefits for the employee or the employee’s dependents while on military duty.

2. Restoration of Employment

To be eligible for restoration of employment at the conclusion of military service, the employee must be honorably discharged no later than five (5) years after induction, enlistment, or call to duty and must be physically and mentally qualified to perform the duties of the job.22

3. Volunteer Fire Fighters and Emergency Medical Services Training

Volunteer fire fighters and emergency medical services volunteers are entitled to paid leave not to exceed five working days each fiscal year for attending training. This leave is not charged against the employee's accrued leave balance. Employees requesting such leave should provide their supervisor with support documentation verifying the training. Copies of the documentation will be placed in their personnel file.

Leave with full pay may also be granted to volunteer firefighters for the purpose of responding to emergency fire situations.

4. Leave for Assistance Dog Training

An employee with a disability as defined by Texas Human Resources Code, Section 121.002, will be granted paid leave not to exceed ten (10) days each fiscal year to attend training necessary to provide the employee with an assistance dog. This leave is not charged against the employee's accrued leave balance.

5. Parental Leave

Employees who do not qualify for FML are entitled to parental leave for the birth of a child or the adoption or foster care placement of a child under the age of three (3). Parental leave cannot exceed 12 weeks. The employee must first use all available and applicable paid vacation and sick leave while taking the leave and the remainder of the leave is unpaid. Because eligibility time requirements are different for parental leave (less than 12 months of state service) and FML (12 months (1250 hours) or more of state service), an employee can meet requirements of only one (1)
of these entitlements. The leave period begins with the date of birth or the adoption or foster care placement.

Circumstances can exist that would allow an employee to take parental leave, return to duty, and subsequently be eligible for FML. The employee could then take FML for the birth, adoption, or foster placement of a child or for another reason.

6. **Foster Parent Leave**

An employee who is a foster parent to a child under the protection of the Department of Family and Protective Service (DFPS) is entitled to a paid leave of absence to attend staff meetings held by DFPS regarding the foster child. In addition, the employee may use this entitlement to attend admission, review, and dismissal meeting held by a school district regarding the foster child.  

23 Texas Government Code, Section 661.906

7. **Parent-Teacher Conference**

An employee may use up to eight (8) hours of sick leave each fiscal year to attend parent-teacher conference sessions for the employee’s children who are in pre-kindergarten through twelfth grade. The employee must give reasonable notice of his or her intention to use this leave. Part time employees receive this leave on a proportionate basis.

8. **Bereavement Leave**

An employee is entitled to leave with pay for a death in the employee’s family. An employee’s family is defined as the employee’s spouse, the employee’s and spouse’s parents; children, brothers, sisters, grandparents, and grandchildren. Leave for the death of anyone other than members of the employee's immediate family shall be charged to vacation, compensatory time or leave without pay.

An employee who must be away from the job due to a death in the immediate family should notify the supervisor on or before the first day of such absence. The Request for Overtime and Leave Form (F3.6A) should be completed and the absence approved. The request for leave should show the name, relationship and date of death of the family member.

Bereavement is normally not granted beyond three (3) days. Employees may request additional leave beyond three (3) days if there are special considerations.

9. **Administrative Leave**

The President or designee may consider other requests for emergency leave which do not meet the criteria for Bereavement Leave. Such leave will be designated as administrative leave. The granting of administrative leave is normally limited to cases involving unusual or emergency situations. The President or designee may grant administrative leave when the employee shows good cause for such leave. Administrative leave also may be approved for specific circumstances which include:

9.1. Closing of the College due to inclement weather

9.2. Situations in which the work location is uninhabitable or dangerous

9.3. Funerals or memorial services for co-workers or College associates, or funerals or memorial services for immediate family members of co-workers

9.4. Severely catastrophic medical situations when all other paid leave options available to the employee have been exhausted and when circumstances warrant such leave. Catastrophic medical emergencies shall normally be a limited terminal illness, or other severe medical circumstances involving extended hospitalization

24 Texas Government Code, Section 661.902
9.5. Some disciplinary cases when an investigation is in progress or when an employee’s security or safety is an issue

9.6. The department head approves requests for administrative leave to attend funerals or memorial services for coworkers, College associates, or immediate family members of co-workers. Requests for administrative leave for reasons other than to attend such funerals or memorial services as indicated above must be reviewed and approved by the department head, Vice President, and President.

10. **Leave for Bone Marrow or Organ Donors**

A state employee is entitled to a leave of absence without a deduction in salary for the time necessary to permit the employee to serve as a bone marrow or organ donor. The leave of absence provided by this section may not exceed:

10.1. Five (5) working days in a fiscal year to serve as a bone marrow donor; or

10.2. Thirty (30) working days in a fiscal year to serve as an organ donor.\(^{25}\)

Submit a *Request for Overtime/Leave Form* (F3.6A) form in advance. Include proper physician certification for bone marrow or organ donation.

11. **Donation of Blood**

A state employee is entitled to have sufficient time off without a deduction in salary or accrued leave, to donate blood. You must obtain prior approval from your supervisor for blood donation and provide your supervisor with proof of blood donation upon your return to work. Attach this documentation to your completed *Request for Overtime/Leave Form* (F3.6A) when you return.

An employee may receive time off to donate blood not more than four (4) times in a fiscal year.

12. **Jury Duty**

If an employee is called to jury duty on normal workdays, they will be granted leave with pay. To receive this leave, you must provide an official statement that verifies the time served. The employee may keep any fees they receive from the court for jury duty.

An employee called to appear in an official capacity in any judicial action or legislative investigation is not entitled to any witness fees for such a governmental appearance. However, if the appearance is not in an official capacity but is for the purpose of testifying from personal knowledge, an employee may accept any customary witness fees. In the case of an employee whose appearance as an expert witness is not in an official capacity, the employee may receive compensation only when such an appearance is made on his or her own leave time. The limitations relating to witness fees do not extend to any mileage or per diem allowance paid to the state employee or official for expenses incurred while serving as a witness as long as there is no double reimbursement to the employee for expenses.

The Appropriations Act provides that deductions may not be made for absences caused by jury duty, (or) attendance as a witness at a judicial action. Thus, FLSA exempt employees can exercise their right to participate in the legal system as witnesses or jurors without suffering a reduction in pay. In addition, FLSA exempt employees can receive both an expert witness fee (in an official capacity) and compensation from work.

13. **Certified American Red Cross Activities**

Employees who are certified disaster service volunteers of the American Red Cross or are in training to become a volunteer are entitled to paid leave not to exceed ten (10) days each fiscal year. The

\(^{25}\) Texas Government Code, Section 661.916
employee must have the approval of his or her supervisor and the Governor and a formal request from the American Red Cross.\textsuperscript{26}

14. \textbf{Payment of Accrued Leave of Deceased Employees}

The estate of an employee who dies while employed by the State is entitled to payment for all accumulated annual leave and one-half of accumulated sick leave or 336 hours, whichever is less.\textsuperscript{27} The payment is calculated at the employee’s salary rate at the time of death.\textsuperscript{28} Employees that normally work at least 900 hours per year are eligible for this benefit.\textsuperscript{29}

If an employee dies during a workday, the survivors are entitled to a full day’s wages for the employee’s last day of service.

A deceased employee’s estate is entitled to receive payment for earned but unused overtime but is not entitled to payment for earned but unused state compensatory time.\textsuperscript{30}

\textbf{POLICY: 4.8 WORKERS’ COMPENSATION}

\textbf{SCOPE:} FACULTY AND STAFF

\textbf{POLICY NUMBER:} 4.8

\textbf{APPROVED:} December 2005

1. \textbf{Administrating Agency}

The State Office of Risk Management (SORM) administers the State’s Workers’ Compensation System for most state employees.

2. \textbf{Remedies}

Recovery of workers’ compensation benefits is the exclusive remedy of an employee covered by workers’ compensation insurance coverage or a legal beneficiary against the employer or an agent or employee of the employer for the death of or a work-related injury sustained by the employee. However, this does not prohibit the recovery of exemplary damages by the surviving spouse or heirs of a deceased employee whose death was caused by an intentional act or omission of the employer or by the employer’s gross negligence as defined by Section 41.001, Civil Practice and Remedies Code. A determination by the Division of Workers’ Compensation (DWC) at the Texas Department of Insurance that a work-related injury is non-compensable does not adversely affect the exclusive remedy provisions in statute. To receive these benefits, an employee must suffer a compensable injury on the job. An injury is defined as “damage or harm to the physical structure of the body and a disease or infection naturally resulting from the damage or harm.” An occupational disease is considered an injury.

3. \textbf{Medical Benefits}

An injured employee is entitled to all health care reasonably required by the nature of the injury as and when needed. The injured employee is entitled to his or her choice of treating physicians; however, the physician must be one (1) of the doctors listed on the DWC’s approved doctor list.\textsuperscript{31} If an employee is dissatisfied with the initial choice of a doctor from the DWC’s list, the employee

\textsuperscript{26} Texas Government Code, Section 661.907(a)
\textsuperscript{27} Texas Government Code, Section 661.033
\textsuperscript{28} Texas Government Code, Section 661.034
\textsuperscript{29} Texas Government Code, Section 661.031(2)
\textsuperscript{30} 29 CFR Part 553.27; and Opinion, Texas Attorney General, No. H-899 (1976)
\textsuperscript{31} Texas Government Code, Section 408.022(a)
may notify the DWC and request authority to select an alternative doctor. The notification must be in writing and state the reasons for the change, except notification may be made by telephone when a medical necessity exists for immediate change.

4. **Income Benefits**

In addition to medical services payments, state employees are eligible to receive income benefits for time lost from work as the result of an injury. To be eligible, an injury must result in disability for at least one (1) week. Income benefits begin to accrue on the eighth day after the disabling injury. This entitlement ends upon the death of the employee. Eligibility for income benefits (for example, temporary income, impairment increment, or supplemental income) expires 401 weeks after the date of the disabling injury. (Texas Government Code, Section 408-081, Section 408.082, and Section 408.083)

An employee may elect to use accrued sick leave prior to receiving income benefits. In order to do so, the employee must exhaust all accrued sick leave. Annual leave may also be used by the employee. Under these circumstances, and after exhausting sick leave, the employee may designate the use of all or any number of weeks of annual leave. The designated amount of leave must be exhausted before the employee is entitled to receive income benefits. Once this election has been made by the employee, no changes are permitted. Employers may not require employees to exhaust compensatory time balances before receiving income benefits. Employers also may not prohibit employees from using compensatory time while they are receiving income benefits.

5. There are five (5) types of income benefits:

5.1. **Temporary Benefits** are provided to the injured employee until he or she reaches maximum medical improvement (MMI). MMI is reached when certified by a physician or at the conclusion of 104 weeks, whichever occurs first.

5.2. **Impairment Benefits** begin the day after an employee reaches MMI and end on the date of the employee’s death or after a period equal to three (3) weeks for each percentage point of impairment.

5.3. **Supplemental Benefits** are paid out when impairment benefits have expired and the employee:

- 5.3.1. Has an impairment rating of 15 percent or more.
- 5.3.2. Has not returned to work or has returned to work earning less than 80 percent of the average pre-injury weekly wage.
- 5.3.3. Has made a good-faith effort to find employment suitable for his or her ability to work.

5.4. **Lifetime Benefits** are paid for the following specific illnesses:

- 5.4.1. Loss of sight in both eyes
- 5.4.2. Loss of both feet at or above the ankle
- 5.4.3. Loss of both hands at or above the wrist
- 5.4.4. Loss of one (1) foot and one (1) hand
- 5.4.5. Injury to the spine resulting in complete paralysis of both arms, both legs, or one (1) arm and one (1) leg
- 5.4.6. Injury to the brain resulting in incurable insanity or imbecility

32 Texas Government Code, Section 501.044
5.4.7. Third-degree burns over 40 percent of the body that require grafting

5.4.8. Third-degree burns covering the majority of both hands or one (1) hand and the face.

The employee receives this benefit until his or her death.\textsuperscript{34}

5.5. **Death and Burial Benefits** are paid to the beneficiaries of the deceased employee if the employee dies from a compensable injury. Beneficiaries may include eligible spouses, children, grandchildren, or dependents.\textsuperscript{35}

6. **Notification and Claim Requirements**

An employee or party representing the employee must notify the employer within 30 days after the injury occurred, or if the injury is an occupational disease, as soon as the employee knew that the injury might be related to his or her employment. Failure to notify the employer may relieve that employer of any liability in the matter unless the employer has actual knowledge of the injury; the DWC determines that good cause exists for failure to provide notice, or the employer or its insurance carrier does not contest the claim.\textsuperscript{36}

Claims for compensation must normally be filed within one (1) year from the date of injury. Failure to file a claim for compensation with the DWC as required by statute relieves the employer and the employer’s insurance carrier of liability under this subtitle unless good cause exists for failure to file a claim in a timely manner or the employer or the employer’s insurance carrier does not contest the claim.

Claims for death benefits generally must be filed within one (1) year of the employee’s death. Failure to file bars the claim unless the person is a minor or incompetent or good cause exists for the failure to file a claim. Separate claims must be filed for each beneficiary unless the claim expressly includes other parties.\textsuperscript{37}

7. **Emergency Leave and Workers’ Compensation**

The administrative head of an agency, department, or institution of higher education may authorize emergency leave with pay to an employee receiving Workers’ Compensation benefits. The emergency leave payments may not exceed an amount equal to the difference between the basic monthly wage of the employee and the amount of income benefits the employee received for the month. Emergency leave payments may not extend for more than six months.

8. **Leave Accumulation and Workers’ Compensation**

State employees who are exhausting their leave as a result of a workers’ compensation claim are prohibited from using sick and annual leave hours that accrue after the first day of the month in which the employees become incapacitated unless they physically return to work.\textsuperscript{38}
1. **Policy**

It is the policy of Lamar State College-Port Arthur to provide a Return-to-Work Program as the means to return injured employees to meaningful, productive employment following an injury or illness.

The return to work program provides opportunities for any employee of this agency who sustains a compensable injury during the course and scope of employment, a disability as defined by the Americans with Disabilities Act, and/or a serious health condition as defined by the Family Medical Leave Act to return to work at full duty. If the employee is not physically capable of returning to full duty, the return to work program provides opportunities when available for the employee to perform a temporary assignment in which the employee's regular position is modified to accommodate the employee's physical capacities, or to perform an alternate duty position.

This return to work program shall not be constructed as recognition by Lamar State College-Port Arthur, its management, or its employees that any employee who participates in the program has a disability as defined by the Americans with Disabilities Act of 1990. If an employee sustains an injury or illness that results in a disability under the ADA, it is the employee's responsibility to inform his or her supervisor or a person in a responsible management position when a disability under the ADA exists and that a reasonable accommodation is necessary to perform the essential functions of his or her job.

Specific procedures shall be provided to guide all employees regarding the return to work program. All employees, divisions, and facilities of the Lamar State College-Port Arthur is expected to support and fully comply with this policy and the procedures provided to implement this policy.

Modified duty is a temporary arrangement until the injured employee can resume full duty. If the employee is a qualified individual with a disability as defined under the Americans with Disabilities Act, then modified duty may become a permanent arrangement as a reasonable accommodation, if the accommodation does not create an undue hardship on Lamar State College-Port Arthur.

2.5.2. **Alternate Duty.** Performance of the essential functions of a job or position other than the position for which the employee is employed. Alternate duty allows the employee to temporarily perform other duties and tasks of that are within the restrictions to duty imposed by the treating doctor. In order to receive workers' compensation benefits, an employee must give notice of injury within thirty (30) days.

9. Authorization for Leave and Lost Time

An employee who must miss work due to a compensable injury and/or a serious health condition must be certified or authorized by a health care provider to be off work. It is the employee's responsibility to obtain such certification from the health care provider and to return the certification to his/her supervisor in a timely manner. A "Certification of Physician or Practitioner" form is available in the Human Resources Office. The employee may elect to use, but may not be required to use, accrued sick leave before receiving workers' compensation temporary income benefits. However, if the employee elects to use sick leave, all accrued sick leave must be exhausted before the employee is entitled to workers' compensation temporary income benefits.

11. Periodic Status Reports

Such status reports are required at the time of such scheduled visit with the treating health care provider and are due immediately following the visit. A "Return to Work Status Report" form is attached to this procedure for this purpose. The status report should be provided to the supervisor within 24 hours of the scheduled visit or if a weekend or holiday is involved, before close of business on the next scheduled workday.

If an employee has returned to work in a temporary assignment follow-up health care provider appointments are necessary, the employee shall schedule the appointments to minimize time away from the job. POLICY: 4.11 CHILDREN IN THE WORKPLACE
SCOPE: FACULTY AND STAFF
POLICY NUMBER: 4.11
APPROVED: March 2014
REVISED: 

1. **Policy**

   It is the policy of Lamar State College-Port Arthur that minor children of employees not be present on campus in lieu of other child care arrangements. This policy is not intended, however to prohibit children from the campus when the purpose of their visit is to attend classes or to participate in activities specifically scheduled for their benefit.
2. **Objective**

The workplace should not be used in lieu of a child care provider. The College believes that it is inappropriate for minor children of employees to be on campus for several reasons:

2.1. The potential liability to the College,
2.2. Risk of harm to the children, and
2.3. Decreased employee productivity due to distractions and disruptions.

Accordingly, all College personnel have a responsibility to the government, donors, parents and student to use its funds prudently, ethically, and for the purposes for which they are designed.

2. Ethics is defined as the principals of conduct governing an individual or group.

3. Preamble

Ethics and integrity are the responsibility of each individual. Therefore, every member of the faculty and staff, any other person acting on behalf of the College is responsible for ethical conduct consistent with the Code. As such, College administration, faculty, deans, department chairs, and others in supervisory positions must assume responsibility for ensuring that their conduct, and the conduct of those they supervise, complies with this Code. Business activities undertaken on behalf of LSCPA with the public, the government, suppliers, students and one another must reflect the highest standards of honesty, integrity, and fairness. Each individual must be especially careful to avoid even the appearance of misconduct or impropriety.

4. Integrity

All employees must:

4.4. Accord respect to self and others and accept responsibility for all actions.
4.5. Observe the law and make disclosures expected by the law.
4.6. Not knowingly be a party to any illegal activity or engage in acts that are discreditable to the College.
4.7. Comply with all College policies and procedures.
4.8. Proactively promote ethical behavior amongst peers, in the work environment, and the community.

Lamar State College – Port Arthur personnel shall not use their position to secure special privileges for themselves or their close relatives. (See definition below under “Nepotism”). Employees shall not give, offer or promise anything of value to anyone to enhance relations with that individual or their firm, regardless of whether that individual is in a position to influence any decisions with respect to the College or its activities. This includes, but is not limited to, entertainment, meals, refreshments, gratuities or gifts, loans, rewards, compensation, or other monetary remuneration. This also applies to all contractors, subcontractors, and/or vendors for the purpose of improperly obtaining or receiving favorable treatment. Nor shall any LSCPA personnel solicit or accept anything of value from any governmental official, contractor, subcontractor, vendor or others for such a purpose.

6. **Conflict of Interest**

All employees must ensure that no conflicts of interest exist. The College administration has an obligation, in accordance with Board Statutes, to ensure that employees avoid conflicts of interest and to assure that the activities and interests of its employees do not conflict with their obligations to the institution or its well-being. A conflict of interest arises when employees place themselves in a position where they could use their position to create benefits for their private interests or to give improper advantage to others. When an employee has a significant interest in, or a consulting arrangement with, a private business concern, it is important that they avoid conflicts of interest. Employees are encouraged to direct inquiries relative to conflict of interest concerns to their department head and/or division executive officers. In those situations where a possible conflict of interest may occur, management shall take action which may include relieving the employee of the assignment and assigning the matter to another qualified employee who does not have a conflict of interest.

7. **Conflict of Commitment**

With the acceptance of a full-time employment at LSCPA, every employee is expected to accord the College their primary professional loyalty and to arrange outside obligations, financial interest, and activities so as not to conflict with their overriding commitment to the College. Consultants are also expected to arrange their outside obligations and activities so as not to conflict with their contracted commitment to the College.

A conflict of commitment occurs when an employee’s involvement in external activities adversely affects their capacity to meet their primary obligation to the College due to a perceptible reduction of the individual’s time and energy devoted to College activities. Departments may permit certain outside activities, with appropriate notice to and written approval by the appropriate department head, so long as these endeavors do not interfere with an employee’s obligations to the College.

8. **Nepotism**

Blood or marital relationships with other College employees are not regarded as a deterrent to appointment, reassignment or continuance in a present position. Close relatives may not be employed where one is in a position of influence over another. Close relatives include husband or wife, parent or child, son-in-law, daughter-in-law, brothers or sisters. A position of influence exists in instances where selection for employment, judgments concerning performance, compensation, status, fitness for promotion or discipline/discharge, require the action of one person with respect to the other.

9. **Confidentiality**
Security and confidentiality of College records are matters of concern for all employees who have access to manual or computerized information and files. 12. **Reporting Code Violations**

Any member of the campus community, who has a reasonable basis for believing an ethical violation has occurred, has a responsibility to report suspected violations through standard management reporting channels, beginning with the immediate supervisor. Alternatively, employees may go to a higher level of management and may also report suspected violations or problems to the Director of Internal Audit. In all instances, violations of laws or regulations should be reported to the Director of Internal Audit. Such reports may be made confidentially and/or anonymously although a greater level of information allows for a more thorough investigation. 2.4. Determination

While a fraudulent act may have criminal and/or evil law consequences, the College is not required to use a determination by a criminal justice authority to criminally prosecute as the basis for determining whether an act is fraudulent. It is the internal determination that the above criteria are present that defines an act as fraudulent under this policy.

2.5. Duties and Responsibilities

Generally, employees, students, and other persons associated with the College (collectively, members of the campus community) abide by laws, rules, regulations, and policies; however, incidents of fraud may occur. Administrators at all levels of management are accountable for setting the appropriate tone of intolerance for fraudulent acts by displaying the proper attitude toward complying with laws, rules, regulations, and policies, including ethics policies. In addition, administrators should be cognizant of the risks and exposures inherent in their area of responsibility, and should establish and maintain proper internal controls which will provide for the security and accountability of the resources entrusted to them.

Any member of the campus community who has a reasonable basis for believing a fraudulent act has occurred has a responsibility to promptly notify one (1) of the following:

2.5.1. His or her supervisor;
2.5.2. The appropriate administrator;
2.5.3. Internal audit.

Employees who, in good faith, report unlawful activity are protected by the Texas Whistleblower Act against any retaliation by the College for making such a report. The reporting member of the campus community shall refrain from confrontation of the suspect, further examination of the incident, or further discussion of the incident with anyone other than the employee’s supervisor or others involved in the resulting review or investigation. Persons found to be making frivolous claims under this policy will be disciplined, up to an including termination of employment or expulsion from the College.

2.6. Investigation

Supervisors and administrators at all levels of management who become aware of suspected fraudulent activity are to respond in a consistent and appropriate manner and shall report the suspected activity to the College Fraud Officer (VP Finance). With the concurrence of the Director of Audits and Compliance, the supervisor or administrator may treat the incident as an administrative issue and have a qualified individual or individuals perform an objective review as considered necessary. The Office of Audits and Compliance has the primary obligation for investigating reported incidents to the extent considered necessary for resolution. The Office of Audits and Compliance may contact other college departments to establish the necessary team to proceed with the review or investigation. The investigative team will attempt to keep source information as confidential as possible.
In those instances where the investigation indicates criminal activity, the investigation shall be turned over to the appropriate law enforcement agency.

All affected departments and/or individuals shall cooperate fully with those performing a review or investigation, including the Office of Audits and Compliance, law enforcement officials, regulators, and any other parties involved. During all aspects of the review or investigation, the Constitutional rights of all persons will be observed. Suspects and others involved in the review shall be treated consistently without regard to past performance, position held, length of service, race, color, religion, gender, age, disability, national origin, or veteran status.

2.7. Disciplinary Actions

Employees found to have participated in fraudulent acts as defined by the policy will be subject to disciplinary action, up to and including termination, pursuant to personnel policies and rules. Additionally, employees suspected of perpetrating fraudulent acts may be placed on paid administrative leave during the course of the investigation. In those cases where disciplinary action is warranted, the Human Resources Office, Office of General Counsel, or other appropriate office shall be consulted prior to taking such actions. Criminal or civil actions may be taken against employees who participate in unlawful acts.

The employment of any employee involved in the perpetration of a fraud will ordinarily be terminated without eligibility for rehire. Actions to be taken will be determined without regard to past performance, position held, length of service, race, color, religion, gender, age, disability, national origin, or veteran status.

Students found to have participated in fraudulent acts as defined by this policy will be subject to disciplinary action pursuant to operating manuals. In those cases where disciplinary action is warranted, the Academic Dean, Office of Student Services, Office of General Counsel, or other appropriate office shall be consulted prior to taking such actions. Additionally, criminal or civil actions may be taken against students who participate in unlawful acts.

The relationship of other individuals or entities associated with the College found to have participated in fraudulent acts as defined by this policy will be subject to review, with possible consequences including termination of the relationship. In those cases where action is warranted, the Office of General Counsel or other appropriate office shall be consulted prior to taking such actions. Additionally, criminal or civil actions may be taken against individuals or entities associated with the College who participate in unlawful acts.

3. Reporting

The results of investigations conducted by the Office of Audits and Compliance shall be communicated, either orally or in writing, as determined by the Director of Audits and Compliance to the board and chancellor, or other appropriate administrator.

4. Reporting Code Violations

Employees should report suspected violations of this Code, applicable laws, regulations, and government grant and contract requirements through standard management reporting channels, beginning with the immediate supervisor. Alternatively, employees may go to a higher level of management and may also report suspected violations or problems to the Director of Internal Audit. In all instances, violations of laws or regulations should be reported to the Director of Internal Audit (880-8933). Such reports may be made confidentially and/or anonymously although a greater level of information allows for a more thorough investigation. Raising such concerns is a service to the College and consistent with the State of Texas’s Whistleblowers’ Protection Act, will not jeopardize employment.
The Texas State University System™ has selected a private contractor, EthicsPoint, as a confidential means of reporting for individuals unable to use existing reporting procedures. A link is found on the TSUS web site.

5. Training
The System Administrative Office shall conduct, in even numbered years, training sessions for the personnel of each component institution responsible for ethics training in the various departments of such institutions. These training sessions will provide the trainees with the methods, policies and materials necessary to allow them to train each employee within their supervision or responsibility. Each component institution is responsible for training each employee each biennium. The President will notify the Chancellor upon completion of the ethics training each biennium.

6. Distribution of Policy
This policy will be distributed at the beginning of each fiscal year. The Human Resources Office is responsible for the distribution. The policy may be delivered in electronic format.

7. Certification Statement
The Fraud Policy has been approved by the following individuals in their official capacities and represents Lamar State College-Port Arthur policy and procedure from the date of this document until superseded.

POLICY: PERFORMANCE RATING PROCEDURE
SCOPE: STAFF
POLICY NUMBER: 5.4
APPROVED: March 2002

1. Policy
The Performance Ratings Policy covers the procedures for the administration of a system for the evaluation of the performance of staff personnel holding positions at the College.

2. Scope and Purpose
Any type of employee performance evaluation is merely a tool of management and not an end in itself. Ratings can be a positive means in assisting staff personnel in improving job performance and a rating system further affords management an opportunity to make known to staff personnel the objectives and goals of the department and of the College and what is expected of the employee toward attainment of the objectives and goals. Staff personnel cannot be expected to meet performance standards which have not been clearly defined and explained as a part of the requirements of his/her position.

The employee performance evaluation should be conducted on an annual basis and should not reflect personal prejudice, bias, or favoritism on the part of those conducting the ratings or reviews. The results of such evaluation procedure should be used to assist management in the decision making process of the following:

2.1. Determining staff personnel deserving of merit pay increases
2.2. Identifying staff personnel for promotion
2.3. Informing staff personnel of deficiencies, training needs, and improvements expected

2.4. Justification for disciplinary actions

Nothing in this policy or process shall be interpreted as an abdication, by the College, of its employment at will policy.

3. Application

These rules and procedures are applicable to all departments and divisions of the College not specifically exempted from these rules and regulations and to staff personnel for evaluation and rating techniques and for deficiency reviews.

The Human Resources Office is authorized to prepare and submit to all departments suggested guidelines and forms for developing performance evaluation systems.

4. Procedures

Each department shall establish a system of employee performance evaluation that reflects an impartial rating of an employee's performance and his/her potential for further advancement.

Each department's employee performance evaluation system shall produce overall ratings of at least five (5) levels as follows:

1. Unsatisfactory. Performance and results achieved consistently do not meet established objectives.

4. Exceeds Expectations. Performance and results achieved consistently exceed expectations for the position requirements and objectives.

5. Exceptional. Performance and results achieved always exceed the standards and expectations for the position requirements and objectives.

Each staff employee shall be rated by his/her immediate supervisor whenever possible, and all ratings must be reviewed and approved by a higher level supervisor than the one (1) who prepared the rating for EEO compliance. It is suggested that, in all cases, the immediate supervisor doing the rating must be familiar with the performance of the staff employee during a major portion of the rating period.

Any time an employee’s performance rating is 0 (unsatisfactory) or 1 (below expectations) the supervisor must complete the Performance Improvement Form (This form can be found on the HR web site or in the HR office). The supervisor will use the form to give the employee a reasonable date by which improvement must take place. In addition, if the employee has not complied with applicable college policies, procedures and work rules, and other guidelines appropriate to the position, documentation should be provided for each item.

When the required improvement date is reached, the supervisor will fill out the Follow-up to the Performance Improvement Form (This form can be found on the HR web site or in the HR office). Originals of both of these forms will be kept in the employee’s personnel file in the Human Resources Office. Copies will be maintained in the department.

If during the course of the appraisal cycle, the employee performs in an outstanding manner and the supervisor wishes to recognize this performance, the supervisor will fill out the Performance
Commendation Form (This form can be found on the HR web site or in the HR office). Original will be kept in the employee’s personnel file in the Human Resources Office. Copies will be maintained in the department.

All staff personnel other than temporary appointees shall be given performance ratings upon completion of six (6) months of service following a new appointment or promotion and at least annually thereafter. Special ratings for the purpose of recognizing performance other than satisfactory may be made at any time.

5. Evaluation and Rating Techniques

Each department should arrange to hold periodic orientation sessions for all supervisors to train them in the techniques of a uniform and effective employee performance evaluation program. These training sessions should include presentations and discussions of such subjects as listed below:

5.1. Detailed explanation of the department's employee performance evaluation and rating system.

5.2. Instructions as to what the administration of the department expects in the way of performance standards and the requirements for disseminating this information to all staff personnel.

5.3. The requirements for maintaining an effective and uniform evaluation program within and among all units of the department and the desirability of the same.

5.4. To caution supervisory personnel who will be reviewing and evaluating the performance of subordinate employees against pitfalls of committing common rating errors such as:

5.4.1. Central Tendency. Rating all staff personnel as average

5.4.2. Halo Effect. Allowing one (1) aspect of a staff employee's performance to influence the entire evaluation

5.4.3. Overvaluation or Undervaluation. The tendency of a rater to overvalue or undervalue a given factor, and

5.4.4. Miscellaneous Biases. Race, gender, nationality, religion, personality conflicts, etc.

6. Rating factors are the criteria by which staff personnel are evaluated. Some of the common rating factors and their descriptions are listed below; however, there are other factors that could be considered. Rating should be based upon objective, measureable, and consistently applied criteria.

6.1. Quality of work. Degree of accuracy, completeness, and neatness of duties performed by employee

6.2. Productivity. Use of available work time, plans and prioritizes work, sets and accomplishes goals, completes assignments on schedule

6.3. Knowledge of job. Duties and requirements of position, methods, practices and equipment; experience, education and specialized training; maintains current knowledge about changes in policy and procedures

6.4. Adaptability. Ability to learn quickly, to adapt to changes in job assignments, methods, personnel, or surroundings

6.5. Dependability. Reliability in performing work assignments and carrying out instructions; degree of supervision required and willingness to take responsibility; accountability
6.6. **Initiative and resourcefulness.** Ability to be self-starter, to offer suggestions, to anticipate needs and to seek additional tasks; ability to contribute, develop and/or carry out new ideas or methods

6.7. **Judgment.** Ability to evaluate situation and make sound decisions; ability to identify, solve and prevent problems; works in a safe manner, preventing accidents, injuries and theft

6.8. **Campus Citizen.** Relationship with others, the ability to work cooperatively with fellow employees

6.9. **Attendance and Punctuality.** How often is employee late or tardy for work? Consider patterns of sick leave, prior approval for vacation and prompt notice of absence due to illness; consider arrival times, observance of time limits for breaks and lunches

7. **Corrective Review**

A policy of corrective review is an important factor in avoiding problems that may occur during an employee’s tenure with the College. The following procedures will be used by department heads, directors, and supervisors, with reasonable efforts being made to resolve personnel problems, prior to the dismissal of an employee, unless, in the College’s judgment, the best interests of the College require dismissal.

7.1. When a personnel problem arises, it must be given immediate attention by the appropriate supervisor.

7.2. The employee/employees affected by the problem will be required to meet with their immediate supervisor for a corrective review concerning the problem.

7.3. The review must be constructive, giving the employee reasonable opportunity to correct the situation.

7.4. The employee, at this time, will be informed of the indicated problem area concerning his/her job performance and will be instructed by the supervisor concerning corrective measures to be taken.

7.5. The corrective review will be documented on the **Performance Improvement Form.**

7.6. The documentation will include a description of problems, a date for improvement and specific actions for correcting the situation. Documentation will also include what action steps the supervisor will take to help the employee correct the situation. The review will then be signed by the supervisor and the employee. The review will be made part of the personnel record.

7.7. If additional meetings are required to resolve the same situation, the employee may be placed on probation, as determined by the department head with the approval of the appropriate Dean or Vice President. The employee is advised of the probation period, the cause of such probation, the corrective procedures, and that this will be a part of his/her personnel record.

7.8. At the end of the probation period, the employee and supervisor will review the progress made. When sufficient improvement is noted, the probation can be removed at the discretion of the supervisor. The conclusions will be written for the personnel record on a specific memorandum. If the employee fails to respond satisfactorily to the conditions of probation, he or she may be dismissed. (Section 5.3 Disciplinary Actions-Staff),

**POLICY:** 5.5 PERFORMANCE EVALUATION

**SCOPE:** STUDENT
1. **Policy**
   To help foster the growth in student employees, the Human Resources Department provides this evaluation process to record student job performance. The relationship between supervisors and employees is further developed when performance information is shared.

2. **Scope and Purpose**
   This policy applies to all student employees. Student employee evaluations are required at a minimum of once a year. In addition, an evaluation is required before an hourly rate increase or termination. The evaluation can be used to provide guidance as to expectations of the job.

   If the supervisor feels the employee is not fulfilling the requirements in the job description, an oral evaluation may be conducted with the employee. If satisfactory results are not obtained within a reasonable period of time, the employer may initiate termination procedures.

3. **Application**
   These rules and procedures are applicable to all departments and divisions of the College that employ student assistants. The Human Resources Office is authorized to prepare and submit to all departments suggested guidelines and forms for developing performance evaluation systems.

4. **Procedures**
   The student employee evaluation shall produce overall ratings of at least five (5) levels as follows:
   1. **Unsatisfactory.** Performance and results achieved consistently do not meet established objectives.
   2. **Improvement Needed.** Performance and results achieved generally do not meet objectives. Performance requires more than normal degree of supervision.
   3. **Meets Expectations.** Performance and results generally meet the expectations for the position requirements and objectives. Performance requires normal degree of supervision.
   4. **Above Average.** Performance and results achieved consistently exceed expectations for the position requirements and objectives.
   5. **Excellent.** Performance and results achieved always exceed the standards and expectations for the position requirements and objectives.

   Each student employee shall be rated by his/her immediate supervisor. An evaluation must be signed by the supervisor and the employee after it has been discussed. The signature of the student employee does not necessarily indicate agreement with the evaluation. A copy of the evaluation must be provided to the student. The student may submit a written rebuttal to areas of disagreement in the evaluation. The original must be forwarded to the Human Resources Office.
Faculty members are evaluated annually by their Department Chairs relating to various professional duties and activities including classroom instruction, participation in department and College affairs, professional development and service, and community service.

The Annual Faculty Report (F2.08) may be used for faculty self-evaluation, and may be used by the Deans and Vice President for Academic Affairs to support recommendations concerning promotion, tenure, and salary administration. Faculty members receive a copy of this evaluation report after the Dean and Vice President have completed their reviews and have the right to request a conference concerning departmental evaluations and to appeal such evaluations.

Divisions are encouraged to use student evaluations of faculty as an aid to the faculty in improving instruction. Such evaluations, however, are not a part of consideration for promotion or tenure.

**POLICY: 5.7 DISCIPLINE FOR STAFF**

**SCOPE:** STAFF

**POLICY NUMBER:** 5.7

**APPROVED:**

**REVISED:** March 2004; May 2016

1. **Scope and Purpose**

   In order to establish a sound system of Personnel Administration for Lamar State College-Port Arthur, it is necessary that:

   1.1. Administrative and supervisory personnel have the responsibility and authority to resolve employee problems as they arise.

   1.2. Similar offenses by staff personnel are handled in a uniform manner in all departments and administrative subdivisions of the College.

   1.3. Staff personnel have a sense of security in their employment with the knowledge that capricious and arbitrary disciplinary action will not be taken against them.

   The rules and procedures established in this section apply to all staff personnel covered by these rules and regulations.

2. **Application of Policy**

   This section includes the rules and procedures applicable to the staff personnel of the College in regard to disciplinary actions, grievance procedures, appeals, and reviews.

   2.1. Each dean, department head, director, or other administrative head of the subdivisions of the College shall insure that all staff personnel covered by these rules are made aware of the provisions of these rules and shall inform all staff personnel under his/her administrative jurisdiction that they have the right to express their grievances or submit an appeal without fear or coercion, discrimination, or reprisal by any subordinate, administrator, or supervisor.

   2.2. Only the President has the authority to discharge an employee.

3. **Disciplinary Action**

   In order that each supervisor and staff employee can be able to perform his/her respective duties efficiently and effectively, it is necessary that departmental administrators establish clearly defined departmental objectives, work performance standards, standards of conduct, and other departmental policies which are applicable in given work situations.
To maintain established standards and to insure that all staff personnel adhere to reasonable rules of conduct, it is necessary that each department establish rules and procedures which will insure timely and equitable disposition of actions determined to be necessary in dealing effectively with employee deficiencies or breach of good conduct.

Disciplinary actions and the imposition of reasonable penalties for specific offenses should be viewed by a subordinate as constructive procedures in reaching established standards rather than as punishment to the staff employee.

The President and the Director of Human Resources shall review all disciplinary action to ensure EEO compliance. The review will include a comparison of disciplinary actions of other similarly situated circumstances.

4. The following are examples of recommended but not required disciplinary actions. It is not required that disciplinary action must occur in order listed.

4.1. **Oral Warning.** This is the least severe disciplinary action. The employee should clearly understand the gravity of the action and that the warning is disciplinary in nature. When presenting a corrective talk the supervisor should point out the error/problem(s), explain how to correct it, and come to an understanding with the employee about what is expected in the future. The Staff Verbal Warning Form will be completed and kept in the supervisor’s file.

4.2. **Written Warning.** When an oral warning fails to achieve the desired improvement in performance or behavior or when in the supervisor’s sole judgment the nature of the offense makes its use appropriate, the supervisor may issue a written warning. A Staff Written Warning Form is used to issue a written warning. The Human Resources Department should be contacted for assistance in preparing a written warning and the Director of Human Resources may be present if desired by the supervisor when the warning is presented to the employee. The written warning should be forewarning of potential actions; be clear, focused and complete; be based upon facts that have been fully investigated; be consistent and applied equally to all; and it must not violate an employee’s civil rights. The completed Staff Written Warning Form will be placed in the employee’s personnel file for future reference.

4.3. **Demotion.** When in the sole judgment of the supervisor demotion is the best corrective method to remedy poor performance or behavior, this may be implemented with the approval of the Director of Human Resources. When an employee is demoted to a position of decreased responsibility or complexity of duties requiring a change of title to one having a lower salary range, the employee’s salary will be adjusted to an appropriate level within the new salary range as agreed upon by the Department Head concerned and the Director of Human Resources. A Personnel Action Request Form (F3.2) must be prepared in consultation with the Director of Human Resources. The employee will be advised of the action in a meeting with supervisor which may include the Director of Human Resources.

4.4. **Suspension without Pay.** When any one or a combination of the above possible actions have failed to achieve the supervisor’s desired results or when in the judgment of the supervisor the nature of the offense makes its use appropriate, the supervisor may suspend an employee without pay. The action must have the approval of the Director of Human Resources. A Personnel Action Request Form (F3.2) and a Staff Notice of Disciplinary Suspension Form must be prepared in consultation with the Director of Human Resources. The employee will be informed of the suspension in a meeting with the supervisor which should include the Director of Human Resources. The suspension period must be in accordance with the Fair Labor Standards Act (FLSA). FLSA overtime exempt employees must be suspended in weekly increments except for infractions of significant safety rules as defined by the Department of Labor. The Personnel Action Request Form (F3.2) will be
forwarded to the Human Resources Office. The Staff Notice of Disciplinary Suspension will be forwarded to the Human Resources Office and be placed in the personnel file.

4.5. **Discharge.** This action may be the result of one serious act of misconduct or insubordination, or as the result of an accumulation of minor offenses, or failure to satisfactorily perform job duties. All discharges must have the prior approval of the President and the Director of Human Resources. When an employee is suspected of committing a serious act of misconduct, which in the judgment of the supervisor requires immediate action, and it is not possible to obtain the prior approval, the supervisor may suspend or discharge the employee pending the receipt of the necessary approval. The employee will be informed of the discharge in a meeting with the supervisor and the Director of Human Resources. A Personnel Action Request Form (F3.2) will be forwarded to the Human Resources Office.

5. **Documentation**

All staff employee disciplinary actions must be documented. The appropriate form must be used to document the reason or reasons for the disciplinary action.

6. **Regent's Rules**

The provisions of this policy are subject to the Board of Regent’s Rules. Those portions of Chapter V of the Regents’ Rules specifically related to employment and termination are incorporated by reference into this policy. In case of any conflict between this policy and any provisions of the Rules, the Rules shall prevail.

**POLICY:** 5.8 **DISCIPLINE FOR FACULTY**

**SCOPE:** FACULTY

**POLICY NUMBER:** 5.8

**APPROVED:**

**REVISED:** December 2003

The academic community cannot tolerate actions by its own members that hinder or make less effective the carrying out of its mission. The demands of academic responsibility and professionalism apply to all those who teach at Lamar State College-Port Arthur, tenured or non-tenured, full-time or part-time.

Faculty who violate any Lamar State College-Port Arthur policy are subject to the faculty disciplinary process.

The concept of progressive discipline acknowledges that a faculty member may be guilty of an employment offense or misconduct that, while serious, does not necessarily justify immediate dismissal. Faculty member’s activities that fall outside the scope of employment shall constitute misconduct if such activities adversely affect the interests of Lamar State College-Port Arthur.

**DISCIPLINE OPTIONS**

Disciplinary actions imposed on a faculty member may include both punitive and corrective actions. These actions may extend from mild to severe and will be administered based upon the seriousness, frequency and/or flagrant nature of the infraction. When appropriate, progressive discipline will be employed as follows:

<table>
<thead>
<tr>
<th>Incident</th>
<th>Action Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>First incident</td>
<td>Oral reprimand</td>
</tr>
<tr>
<td>Second incident</td>
<td>Written reprimand</td>
</tr>
<tr>
<td>Third incident</td>
<td>Probation</td>
</tr>
</tbody>
</table>
Some violations may be of such a nature that progressive discipline is not appropriate. In those instances, administration may choose to employ sanctions not of a progressive nature. Written documentation of all/any disciplinary action other than an oral reprimand will be placed in the personnel file.

The Vice President for Academic Affairs and the Director of Human Resources shall review all disciplinary action to ensure EEO compliance. The review will include a comparison of disciplinary actions of other similarly situated circumstances.

POLICY: 5.9 GRIEVANCE
SCOPE: STAFF
POLICY NUMBER: 5.9
APPROVED: March 2002; December 2005

1. Policy
   Every employee of Lamar State College-Port Arthur is entitled to present grievances concerning such individual's wages, hours of work, or conditions of work individually or through a representative that does not claim the right to strike. (The Texas State University System™ Rules and Regulations, May 1999). Employees having work-related problems are encouraged to discuss the problem with the immediate supervisor. If the problem cannot be resolved through this informal process, the employee may file a formal grievance.

At any step or level of the grievance procedure, the Human Resources Office may be requested by the grievant or the supervisor to serve as consultant to the grievance hearing. In such cases, the Human Resources Office shall serve in the capacity of an information-gathering and advisory member only, and shall not have the power of making binding decisions.

A complaint or grievance in which a staff member alleges that disciplinary or dismissal action has been taken without adequate cause, and the staff member alleges that illegal discrimination has occurred on the basis of race, color, religion, gender, age, national origin, or non-job related mental or physical handicap, should be referred and discussed with the Human Resources Office.

3.4.2. The supervisor's decision in the matter
3.4.3. Any subsequent decisions in the matter

Employees, including both faculty and staff, shall be subject to discipline and/or dismissal for violating college policy relating to electronic network facilities such as local area networks and the Internet. Nothing herein shall be construed in derogation of the Board's employment-at-will policy. Employees may be terminated without notice within the confines of other policies established in the Administrative Policies and Procedures Manual.

2. **Minimum Standards of Conduct.**

2.1. The minimum standards of individual conduct required by the penal statutes of Texas or the United States are both expected and required of every employee of Lamar State College-Port Arthur. 4.1. Texas Administrative Code 213.37 provides for exceptions for compliance with standards and specifications for all new or changed Web pages and content and all electronic and information resources developed, procured or changed on or after September 1, 2006. LSCPA may approve an exception if the college determines that compliance would impose a “significant difficulty or expense.” Alternate methods of accessibility may be used by LSCPA’s office as provided for in Section 2054.460, Texas Government Code (PDF, 260K).

5. Accessibility Coordinator

5.1. LSCPA has designated an EIR Accessibility Coordinator, currently the Distance Learning Coordinator, to monitor the college’s compliance with this policy. If you use assistive technology and the format of any material on this college’s Web sites interferes with your ability to access the information, please contact the EIR Accessibility Coordinator. Please indicate the nature of your accessibility problem, the format in which you would like to receive the material, the Web address of the requested material and your contact information.

6. Definitions

The following definitions shall be used in procedures implementing this regulation:

6.1. Accessible. Designed to support access that does not depend on a single sense or ability and can be used in a variety of ways.

6.2. Electronic and Information Resources (EIR). Includes information technology and any equipment or interconnected system or subsystem of equipment that is used in the creation, conversion, duplication or delivery of data or information. The term EIR includes, but is not limited to, telecommunications products (such as telephones), information kiosks and transaction machines, World Wide Web sites, multimedia, and office equipment such as copiers and fax machines. The term does not include any equipment that contains embedded information technology that is used as an integral part of the product, but the principal function of which is not the acquisition, storage, manipulation, management, movement, control, display, switching, interchange, transmission, or reception of data or information. For example, HVAC (heating, ventilation and air conditioning) equipment such as thermostats or temperature control devices, and medical equipment where information technology is integral to its operation, is not information technology.

Note: EIRs are not limited to computer hardware or software, but also include services performed on such hardware and software (such as maintenance services). EIRs also include electronic subscription services, such as databases available via Internet websites. Furthermore, EIRs aren’t limited to those that are directly developed, procured, maintained or used by LSCPA, but also include EIRs used by a contractor of LSCPA, if the contract either requires the use of such EIRs or requires the contractor to use such EIRs, to a significant extent, in performing a service of furnishing a product.

6.3. Exception. A justified, documented non-conformance with one (1) or more standards or specifications of Chapter 206 and/or Chapter 213, which has been approved by the system member CEO or chancellor or designee of an institution of higher education.

**POLICY:** 5.21 SEXUAL MISCONDUCT POLICY AND PROCEDURE  
**SCOPE:** FACULTY, STAFF and STUDENTS  
**POLICY NUMBER:** 5.21  
**APPROVED:**  
**REVISED:** July 2014

1. **Introduction**

1.1. Institutional Values. The Texas State University System™ and its colleges, institutions, and universities are committed to creating and maintaining educational communities in which each individual is respected, appreciated and valued. The System diligently strives to foster an environment that permits and encourages everyone to perform at their highest levels in academia. The System’s focus on tolerance, openness, and respect is key in providing every member of the TSUS community with basic human dignity free from harassment, exploitation, intimidation or other sexual misconduct. Any report of behavior that threatens our institutional values, and breaches this Policy shall be promptly investigated and remediated according to principles of law, fairness and equity to all parties involved.

1.2. Purpose of Policy. The Texas State University System™ and its component institutions are firmly committed to maintaining an educational environment free from all forms of gender discrimination. Sexual Misconduct, as defined in this Policy, is a form of gender discrimination and will not be tolerated. The Components will maintain an environment that promotes prompt reporting of all types of Sexual Misconduct and timely and fair resolution of Sexual Misconduct complaints. The Components will take prompt and appropriate action to eliminate Sexual Misconduct when such is committed, prevent its recurrence, and remedy its effects. This Policy defines and describes prohibited sexual conduct, establishes procedures for processing complaints of sexual misconduct, permits appropriate sanctions, and identifies available resources.

1.3. Notice of Nondiscrimination. The System complies with Title IX of the Higher Education Amendments of 1972 (Title IX), which prohibits discrimination on the basis of gender in educational programs or activities; Title VII of the Civil Rights Act of 1964 (Title VII), which prohibits sex discrimination in employment; and the Campus Sexual Violence

\(^{48}\) Texas Government Code, Section 552.023.511  
\(^{49}\) Texas Public Information Act, Government Code, chapter §559.003(a)
Elimination Act. Sexual misconduct, as defined in this Policy, constitutes a form of sex discrimination prohibited by Title IX and Title VII.

1.4. Applicability of this Policy. This Policy applies to all students, faculty, staff, and third parties within the System's or it's Components' control. This Policy prohibits sexual misconduct committed by or against a student, faculty, staff, or third parties. This Policy applies to sexual misconduct:

1.4.1. On Component premises;
1.4.2. At Component-affiliated educational, athletic, or extracurricular programs or activities;
1.4.3. That has an adverse impact on the education or employment of a member of the Component community;
or
1.4.4. That otherwise threatens the health and/or safety of a member of the Component community.

1.5. Extent of Authority. While the Texas State University System™ is committed to investigating all complaints of sexual misconduct and there is no geographical limitation to invoking this Policy, sexual misconduct that is alleged to have occurred at a significant distance from the Component and/or outside the Component property may be difficult for the Component to investigate. Additionally, the Component's disciplinary authority may not extend to third parties who are not students or employees of the Component.

1.6. Effect of Criminal Prosecution. Proceedings under this Policy will not be dismissed or delayed because criminal investigation or prosecution is pending or charges have been reduced or dismissed. Proceedings may also continue if a party is no longer employed with or currently enrolled as a student of the Component.

Each Component will identify and provide complete contact information for their Title IX Coordinator and all Deputy Coordinators in various locations, including but not limited to the Component's website; the student's handbook; the Dean of Student's Office; and Campus Police or Security.
2.17.11. Title IX Investigator refers to the person who conducts the Title IX investigation.

3. Confidentiality

3.1. Limited Confidentiality of Reports to Employees. When considering reporting options, Victims should be aware that certain Component personnel can maintain strict confidentiality, while others have mandatory reporting and response obligations. Component personnel that are not confidential reporters as described in 3.4 and who receive a report of alleged sexual misconduct are required to share the information with appropriate administrative authorities for investigation and follow up. The Component will protect a Complainant's confidentiality by refusing to disclose his or her information to anyone outside the Component to the maximum extent permitted by law. As for confidentiality of information within the Component, the Component must balance a Victim's request for confidentiality with its responsibility to provide a safe and non-discriminatory environment for the Component community.

3.2. Confidentiality Requests and Interim Measures/Accommodations. The Component's inability to take disciplinary action against an alleged discriminator or harasser because of a Complainant's insistence of confidentiality, will not restrict the Component's ability to provide appropriate measures for the reasonable safety of the Component community. The Complaint may also be used as an anonymous report for data collection purposes under the Clery Act.

3.4. Employees Required to Maintain Confidentiality. The following individuals are required to maintain confidentiality and shall not report any information about an incident to the Title IX Coordinator without a Victim’s permission:

3.4.1. Physical and mental health professionals, including licensed counselors who provide mental health counseling to members of the school community, and those who act under the supervision of a health care employee; and

3.4.2. Individuals whose scope of employment include confidentiality requirements under Texas law.

3.4.3. Each Component will identify and provide complete contact information of such individuals in various locations, including but not limited to the Component’s website; the student’s handbook; the Dean of Student’s Office; and Campus Police or Security.

3.4.4. These individuals will maintain confidentiality in accordance with the law and their professional rules of conduct. They will assist in a crisis situation and provide information about possible resources, some of which may include law enforcement, medical assistance, psychological counseling, victim advocacy assistance, legal assistance, Component disciplinary action, immigration services and criminal prosecution. They will not reveal the Victim's identity to anyone without the Victim's permission except under very limited exceptions (e.g., if an immediate threat to the Victim or others is present, or if the Victim is a minor). Victims need not reveal their names if calling these individuals for information.

3.5. Employees Who Must Report (Responsible Employees). A responsible employee who receives a report of sexual misconduct must report to the Title IX Coordinator all
relevant details about the alleged sexual misconduct shared by the Victim. A responsible employee should not share information with law enforcement without the Victim's consent, or unless the Victim has also reported the incident to law enforcement.

3.5.1. Before a Victim reveals any information to a responsible employee, the employee should ensure that the Victim understands the employee’s reporting obligations and, if the Victim wants to maintain confidentiality, direct the Victim to confidential resources.

3.5.2. If the Victim chooses to tell the responsible employee what happened but also states that she or he wants to maintain confidentiality or does not want the matter investigated, the employee should tell the Victim that the Component will consider the request but cannot guarantee that the Component will be able to honor it. In reporting the details of the incident to the Title IX Coordinator, the responsible employee will also inform the Title IX Coordinator of the Victim's request for confidentiality.

3.5.3. When weighing a Victim's request for confidentiality or that no investigation or discipline be pursued, the Component will consider a range of factors, including the following:

3.5.3.1. the increased risk that the Alleged Perpetrator will commit additional acts of sexual or other violence, such as:

3.5.3.2. whether there have been other sexual misconduct complaints about the same Alleged Perpetrator;

3.5.3.3. whether the Alleged Perpetrator has a history of arrests or records from a prior school indicating a history of violence;

3.5.3.4. whether the Alleged Perpetrator threatened further sexual misconduct or other violence against the Victim or others;

3.5.3.5. whether the alleged sexual misconduct was committed by multiple perpetrators;

3.5.3.6. whether the alleged sexual misconduct was perpetrated with a weapon;

3.5.3.7. whether the Victim was a minor at the time of the alleged conduct;

3.5.3.8. whether the Component possesses other means to obtain relevant evidence of the alleged sexual misconduct (e.g., security cameras or personnel, physical evidence); or

3.5.3.9. Whether the Victim’s report reveals a pattern of conduct (e.g., via illicit use of drugs or alcohol) at a given location or by a particular group.

3.6. Breaches of Confidentiality. Breaches of confidentiality or privacy committed by anyone receiving a report of alleged sexual misconduct or investigating the report of alleged sexual misconduct, may be considered a separate violation of this Policy and may result in disciplinary sanctions.

4. Reporting Policies and Protocols

4.1. Reporting Options. A Victim of sexual misconduct is encouraged to report to any of the sources below. Although the Victim of sexual misconduct may decline to report the incident, the Component supports, encourages and will assist those who have been the Victim of sexual misconduct to report the incident to any individual or entity listed in 3.4, 3.5 above and/or in this Section.
4.1.1. Local Law Enforcement. An individual may report an incident of sexual misconduct directly with local law enforcement agencies by dialing 911. Individuals who make a criminal complaint may also choose to pursue a complaint through the Title IX Coordinator.

4.1.2. A criminal investigation into the matter does not preclude the Component from conducting its own investigation. The result of a criminal investigation does not determine whether sexual misconduct, for purposes of this Policy, has occurred.

4.1.3. Component Police or Security. An individual may also report an incident of sexual misconduct to the Component police or security. Reporting to such officials helps protect others from future victimization; apprehend the alleged assailant; and maintain future options regarding criminal prosecution, Component disciplinary action and/or civil action against the alleged wrongdoer. For Components that employ sworn peace officers, a Victim may request that his or her identity be kept confidential when reporting sexual misconduct to a sworn peace officer. Filing a police report does not obligate the Victim to continue with criminal proceedings or Component disciplinary action. Components shall provide the Victim contact information for their campus police or security personnel.

4.1.4. Title IX Coordinator. Any incident of sexual misconduct can be brought to the attention of the Title IX Coordinator Although the Component strongly encourages reporting sexual misconduct to the police, a Victim may request administrative action by the Component with or without filing a police report.

4.1.5. Dean of Student's Office. Any incident of sexual misconduct can be brought to the attention of the Dean of Student's Office. Although the Component strongly encourages reporting sexual misconduct to the police, a Victim may request administrative action by the Component with or without filing a police report. The Dean of Students Office will promptly inform the Title IX Coordinator of the complaint.

4.1.6. Campus Security Authority. A complaint of sexual misconduct can be brought to a Campus Security Authority (CSA) as defined in each Component's Annual Security Report. The CSA will promptly inform the Title IX Coordinator of the complaint. Each Component will identify and provide complete contact information for their CSA in various locations, including but not limited to the Component's web page; the student's handbook; the annual security report; and the Dean of Student's Office.

4.1.7. Human Resources. A complaint of sexual misconduct may be brought to the Human Resources Department, which will promptly inform the Title IX Coordinator of the complaint.

4.1.8. Responsible Employee. An individual may report alleged sexual misconduct to a Responsible Employee (Section 2.14, page 112). A faculty or staff member with any knowledge (including firsthand observation) about a known or suspected incident of sexual misconduct (other than those individuals identified in Section 3.4, page 115) must report the incident to the Component police or security or the Component's Title IX Coordinator. No employee is authorized to investigate or resolve Complaints without the involvement of the Component's Title IX Coordinator.

4.1.9. Individuals may also file anonymous reports. Each Component shall provide the phone number and web address available for anonymous reports. Individuals who choose to file anonymous reports are advised that it may be
very difficult for the Component to follow up and/or take action on anonymous reports, where corroborating information is limited. Anonymous reports may be used for Clery Act data collection purposes.

4.2. Preservation of Evidence. Preservation of evidence is critical in instances of sexual misconduct. Prompt reporting may preserve options that delayed reporting does not, including the preservation of physical evidence (which may be necessary to prove sexual misconduct or to obtain a judicial order of protection), the support of crisis counseling, and immediate police response.

4.3. Interim Accommodations/Measures. When an incident of sexual misconduct is formally reported, the Component will consider interim accommodations to protect the Alleged Victim while the incident is investigated and adjudicated through this Policy. The Title IX Coordinator and other appropriate Component administrators cooperate together to identify alternative arrangements to preserve the rights of both the Alleged Victim and the Accused, as well as provide a safe overall educational or working environment until (and perhaps after) the report is investigated and any appropriate action is taken.

4.3.1. Interim accommodations may include changing academic, living, transportation or working situations; and, any interim disciplinary action must comply with System Rules and Regulations Chapter VI, section 5.14.

4.3.2. Failure to adhere to the parameters of any interim accommodation may be considered a separate violation of this Policy and may result in disciplinary sanctions.

4.3.3. Component will honor any order of protection, no contact order, restraining order or similar lawful order issued by any criminal, civil or tribal court.

5. Retaliation

5.1. The Component takes reports of sexual misconduct very seriously and will not tolerate retaliation against those who make such reports or participate in the investigatory or adjudicatory process. Retaliation includes, but is not limited to, any adverse employment or educational action taken for making a report of sexual misconduct, or otherwise participating under this Policy. Any actual or threatened retaliation, or any act of intimidation to prevent or otherwise obstruct the reporting of sexual misconduct, or the participation in proceedings relating to sexual misconduct may be considered a separate violation of this Policy and may result in disciplinary sanctions. Any person who believes that she or he has been subjected to retaliation should immediately report this concern to their Title IX Coordinator.

6. Immunity

6.1. The Component considers the reporting and adjudication of sexual misconduct cases of paramount importance. The Component does not condone underage drinking, illegal use of drugs or other criminal behavior; however, the Component may extend limited immunity from punitive sanctions when appropriate for those reporting incidents and/or assisting Victims of sexual misconduct, provided they are acting in good faith in reporting or participating in an investigation.

7. Prohibition on Providing False Information

7.1. Any individual who knowingly files a false Complaint under this Policy, or knowingly provides false information to Component officials, or who intentionally misleads Component officials who are involved in the investigation or resolution of a Complaint shall be subject to disciplinary action.

8. Risk Reduction Strategies
8.1. Purpose. The Component will engage in the risk reduction strategies outlined below to limit the risk of sexual misconduct for the campus community.

8.2. Training.

8.2.1. Primary Prevention Training. Every incoming student and new employee shall participate in prevention and education training regarding sexual misconduct. 9.2. Mediation and Agreements. When the Title IX Coordinator determines informal resolution is appropriate and the parties consent in writing, the Title IX Coordinator will arrange or facilitate mediation in an attempt to resolve the complaint. Agreements reached in mediation will be reduced to writing and signed by both parties. Agreements will be maintained by the Coordinator and shared only as necessary to implement the agreed resolution or as required by law.

9.3. Referral for Investigation. When mediation is not successful, or, if in the course of facilitating informal resolution the Title IX Coordinator learns of sexual offenses beyond sexual harassment, the informal resolution process will immediately terminate. The matter will then be referred for investigation in accordance with the procedures outlined below.

APPROVED: 
REVISED: March 2002

1. Policy

Lamar State College-Port Arthur shall provide equal educational opportunities for all students and equal employment opportunities for all applicants and employees and otherwise foster an environment free of racial intimidation, humiliation, and harassment. Racial harassment, as defined herein, is expressly prohibited. Rules and Regulations, the Texas State University System™, Section VII-7.0

"Racial Harassment" is defined as extreme or outrageous acts or communications that are intended to harass, intimidate, or humiliate students, faculty, staff or visitors on account of race, color, or national origin and that reasonably cause them to suffer severe emotional distress. It is a violation of this policy for any student, faculty, or staff member to engage in racial harassment of any person on campus or in connection with a college sponsored activity.

It is a violation for any student, faculty or staff member to use authority granted by state law, by system rule, or by college policy to deprive any person of his or her civil rights on campus or in connection with a college sponsored activity.

If a violation of this policy is committed on campus or in connection with a college sponsored activity because of the race, color or national origin of any person harmed by such violation, the violator's discriminatory purpose shall be treated as an aggravating factor for the purpose of determining the appropriate penalty.
Student, faculty and staff member offenders are subject to disciplinary action as appropriate under the circumstances up to and including dismissal for violation of this policy.

2. **Complaint**

Any employee, student or visitor who thinks he/she is the victim of racial harassment should lodge a complaint against the offender. A complaint should be filed with the appropriate College official: 1) the Vice President for Academic Affairs if it is against a faculty member, 2) the appropriate Division head if it is against a staff member or 3) the Dean of Student Services if it is against a student. **Complaints may be filed with any College official.** Any employee contacted about a complaint of racial harassment should immediately contact the Director of Human Resources.

2.1. **Informal Complaint**

All complaints are considered informal until they are filed in writing. The steps for seeking an informal resolution are as follows:

2.1.1. The offended individual should report the incident(s) to the appropriate College official or the Director of Human Resources.

2.1.2. The college official will work with the complainant to determine what evidence exists for the charge of racial harassment.

2.1.3. The evidence presented will be reviewed to determine if there is cause to believe a violation of racial harassment occurred.

2.1.4. If in the judgment of the college official a violation did not occur, the complainant will be so advised and given a verbal explanation of why the incident(s) described does not constitute racial harassment.

2.1.5. If the complainant does not agree with this decision, the complainant will be given the opportunity to file a formal written complaint.

2.2. **Formal Complaint**

If the college official has cause to believe racial harassment did occur, the complainant will be given the opportunity to file a formal complaint or pursue an informal resolution.

2.2.1. If the complainant chooses to pursue the informal resolution, the resource person will notify the person charged that an informal complaint has been filed against him/her and the complainant wishes to seek an informal resolution to the problem. The charged party will be given an opportunity to confirm or rebut the charge. The resource person will then meet with both parties together or independently and try to reach a mutually agreeable resolution.

2.2.2. If a resolution is not achieved, the charging party will be given the opportunity to file a written formal complaint.

2.2.3. The College may elect to pursue the charge even if the complainant does not elect to proceed.

2.2.4. To be considered a formal complaint; the complaint must be submitted to the appropriate college official in writing within ninety (90) days of the most recent incident and must include the resolution being sought. A complaint should be filed with 1) the Vice President for Academic Affairs if it is against a faculty member, 2) the appropriate Division head if it is against a staff member or 3) the Dean of Student Services if it is against a student. Complaints may be filed with any College official. Any employee contacted about a complaint of racial harassment should immediately contact the Director of Human Resources.
Appeals must be filed within five (5) working days of receiving an answer and each step should be completed within ten (10) working days.

2.2.5. Step One

2.2.5.1. The college official will review the written complaint with the charging party.

2.2.5.2. If the college official does not feel there is cause to believe that racial harassment occurred, he/she will so advise the complainant in writing stating the reason(s) for the decision.

2.2.5.3. If the college official thinks there is cause to believe that racial harassment did occur, he/she will notify the charged party that he/she has been formally charged with racial harassment and give him/her a copy of the written charge. The accused party will be given the opportunity to confirm or rebut the charge in writing.

2.2.5.4. The college official will then meet with both parties either together or separately and try to reach a mutually agreeable resolution.

2.2.6. Step Two

2.2.6.1. If a solution is not reached in Step One, the college official and the Director of Human Resources will meet with both parties, either together or separately, to review both sides of the issue.

2.2.6.2. The college official and the Director of Human Resources will then mutually agree on a resolution which will be communicated in writing to both parties.

2.2.6.3. Both parties will be instructed by the Human Resources Office to comply with the terms of the resolution.

2.2.7. Step Three

2.2.7.1. The decision may be appealed by either party to the President by submitting a written statement to the Director of Human Resources. The appeal must include the basis for the appeal and the remedy sought.

Disciplinary action may consist of action up to and including termination of employment or, in the case of a student, dismissal from the College. If disciplinary action is imposed, the accused shall have his/her full right to invoke applicable due process procedures.

2.2.7.4. If a complaint, whether informal or formal, is filed against a college official or the Director of Human Resources, the functions assigned to the person by these procedures will transfer to the President or his designee.

2.2.7.5. The complainant and the respondent both have the right to bring an advisor to the meeting. The advisor may not act as a participant, but may render consultation to the advisee. If either party chooses to exercise this option, he/she shall submit the name of the advisor in writing to the
Director of Human Resources at least forty eight (48) hours prior to the
meeting.

1. Policy

1.1. Background: Senate Bill 11, commonly referred to as the “campus carry” law, was passed by the Texas Legislature and signed into law by Governor Greg Abbott in 2015. The law states that, beginning on August 1, 2016, a person who holds a Texas License to Carry a Concealed Handgun may carry a concealed handgun on the grounds and in the buildings of an institution of higher education. While the President of Lamar State College Port Arthur may not generally prohibit license holders from carrying concealed handguns on the campus, the law gives public colleges and universities some discretion to regulate campus carry including designating certain areas on campus where concealed handguns are prohibited. The law requires the College to receive approval of its campus carry policy from the Board of Regents and implement the same by August 1, 2016.

1.2. Lamar State College Port Arthur recognizes that a safe and secure environment is critical to maintaining a climate that is conducive to learning. The College’s Campus Carry Policy is consistent with the State of Texas Law and the governing policies and procedures of the Texas State University System Board of Regents.

1.3. Purpose: The purpose of the Campus Carry or Concealed Handgun Policy is to set forth the College’s Policy on concealed handguns on campus and to provide the consequences of violation of this Policy including College disciplinary action and possible criminal penalties.

1.4. Application: The Campus Carry or Concealed Handgun Policy applies to all faculty, staff, students, and visitors; and individuals and organizations doing business on or on behalf of Lamar State College Port Arthur.

1.5. Effective Date: The Campus Carry or Concealed Handgun Policy will become effective on August 1, 2016.

2. Definitions

2.1. Concealed Carry is defined as carrying a firearm in a fashion so that the firearm is not discernible by ordinary observation, and is in such close proximity to the person that it is readily accessible for prompt use.

2.2. Campus is defined as all land and buildings owned or leased by Lamar State College Port Arthur.

2.3. Premises is defined by Section 46.035 of the Penal Code as a “building or a portion of a building”. The term does not include any public or private driveway, street, sidewalk or walkway, parking lot, parking garage, or other parking area.

2.4. Open Carry or Texas House Bill 910 became law on January 1, 2016 and makes it legal for concealed handgun license (CHL) holders to carry visible handguns in the state of Texas. However, open carry does not apply to public colleges and universities, including LSCPA.

2.5. Handgun is defined by the Texas Penal Code 46.01 as “any firearm that is designed, made, or adapted to be fired with one hand.”

2.6. Concealed handgun is defined as a handgun, the presence of which is not openly noticeable to the ordinary observation by a reasonable person.

3. Carrying of Concealed Handgun by a License Holder

3.1. Right to Carry. A Licensed Holder may carry a concealed handgun while on the campus premises (including public driveways, streets, sidewalks or walkways, parking lots, and other parking areas) and in Lamar State College Port Arthur passenger transportation vehicles, unless prohibited by state or federal law, or by this policy.

3.2. Intoxication. A Concealed Handgun License Holder may not carry a concealed handgun while intoxicated.

3.3. Display of Concealed Handgun. 3.4. Requirement to Display License. A Concealed Handgun License Holder must display his/her License to Carry a Concealed Handgun issued by the Texas Department of Public Safety when directed by a law enforcement officer in accordance with Section 411.205 of the Texas Government Code. Otherwise, an individual is not required to disclose whether he/she is a Concealed Handgun License Holder in order to participate in any program or service offered by Lamar State College Port Arthur, except as required by law.

4. Designated No Handgun Areas

4.1. Lamar State College Port Arthur has designated No Handgun Areas as those areas that are already prohibited by law per Texas Penal Code 46.035. This would include, but is not limited to, all collegiate level competitive sporting events and any UIL sanctioned event hosted on the campus of Lamar State College Port Arthur.

4.2. Notice. A notice for ‘No Handgun Areas’ will be displayed on campus. The notice must state:

Pursuant to Section 30.06, Penal Code (trespass by license holder with a concealed handgun), a person licensed under Subchapter H, Chapter 411, Government Code (handgun licensing law), may not enter this property with a concealed handgun.

4.3. The notice may be provided to individuals on a card, document or sign. If notice is provided through signage, it must:

6. Concealed Handgun License Status

6.1. Authorized Concealed Handgun License Holders are not required to disclose their status to anyone other than a law enforcement officer. Lamar State College Port Arthur employees
may not, under any circumstances, require faculty, staff, students, visitors or third parties to disclose their concealed handgun license status.

7. **Employees**
   7.1. Employees with a Concealed Handgun License may exercise their right to carry a concealed handgun; however, under no circumstances is the concealed handgun to be shown or used within the scope of their employment. If found in violation of this provision and/or this policy, an employee may be subject to disciplinary actions that include written or verbal reprimands and/or termination.

8. **Others on Campus**
   8.1. Others on campus such as vendors, contractors, and visitors must comply with this policy.
   8.2. Anybody that does not comply with this policy may be subject to disciplinary and/or legal action. Disciplinary action may include removal from the campus while legal action may include criminal prosecution.

9. **Closing**
   9.1. Lamar State College Port Arthur is obliged to follow Senate Bill 11, commonly referred to as the “campus carry” law and may not enact policies or provisions that violate the law. Any changes to the law must be initiated by the Texas legislature.
SECTION 6: EMPLOYEE BENEFITS

POLICY: 6.0 INSURANCE
SCOPE: FACULTY AND STAFF
POLICY NUMBER: 6.0
APPROVED: March 2002; December 2005
REVISED:

1. **Policy**

The College has developed a variety of benefits available to eligible employees. Participation in the various benefits is usually voluntary and predicated on meeting certain eligibility requirements. Some benefits have mandatory participation. Each benefit contained in this section is explained in general terms. For specific information employees should contact the Human Resources Office.

2. **Insurance**

2.1. All benefits-eligible employees may participate in the College group insurance plans administered by the Employee Retirement System of Texas. The Human Resources office is responsible only for administration of the programs and record keeping. The Human Resources office staff is available to provide general assistance to employees in dealing with insurance issues but each employee is individually responsible for meeting the requirements set by the insurance company policies.

2.2. Currently, the College has insurance coverage available in dental, medical/hospitalization, life, dependent life, accidental death and dismemberment, long term care, and short and long term disability. Participation in any of these programs is voluntary.

2.3. The amount of state contribution, by current state law, provides coverage for medical and basic life coverage for the employee only. If the dependents are enrolled, a lesser contribution will be made toward the dependent’s premium.

2.4. The State of Texas provides a contribution towards the premiums for medical and basic life coverage. The amount of the contribution is set each legislative session. The employee must pay for coverage beyond the basic plan through payroll deductions. Long term care premiums are paid to the carrier.

3. **Reimbursement Account**

The following TexFlex Reimbursement Accounts are administered by the ERS Deferred Compensation and Flexible Benefits Division.

3.1. **Health Care Reimbursement Account (HCRA)**

The TexFlex HCRA plan allows employees to set aside money from their salary on a pre-tax basis to pay for eligible health care expenses not paid by insurance for themselves and their eligible dependents. Eligible dependent must meet the IRS guidelines as a qualifying child or a qualifying relative.

Eligible health care expenses include eyeglasses, contact lenses, braces, physician and dental visit expenses, prescription drugs, deductibles, copayments, some over-the-counter drugs, and many more items.

3.2. **Dependent (Day) Care Reimbursement Account (DCRA)**

The DCRA plan allows employees to set aside money from their salary on a pre-tax basis to pay for eligible costs of care for a qualifying child or qualifying relative. If the employee is
married, the spouse must be employed, a full-time student, or be mentally or physically incapable of self-care.

1. **Policy**

   This policy will identify and briefly describe the four (4) retirement programs available at the College: Teacher Retirement System (TRS), Optional Retirement Program (ORP), Tax Deferred Account Program (TDA), and Deferred Compensation Program (DCP). The policy also briefly describes the Retiree Insurance Programs offered through the Employees Retirement System of Texas (ERS). Detailed information for all programs is available in Human Resources.

2. **Eligibility Criteria**

   2.1. A regular employee is defined as one (1) who is employed to work at least twenty hours per week for a period of at least four (4) and one-half months, excluding students employed in positions which require student status as a condition of employment.

   2.2. All regular College employees are required to become a member of either the Teacher Retirement System (TRS) or the Optional Retirement Program (ORP). All regular employees become eligible for either TRS or ORP the first day of employment.

   2.3. If the employee is eligible to choose between TRS and ORP, the eligible employee will make an election. If the election is not made during the first 90-day period, the employee will automatically be enrolled in the TRS. Full-time faculty, certain professionals and administrators may elect the Optional Retirement Program in lieu of TRS within an additional ninety days after becoming eligible. If the employee chooses to participate in ORP during the additional ninety-day period, they will receive a refund for money the employee contributed into TRS.

   The decision to choose between the ORP and TRS is a one-time irrevocable choice. The ORP and TRS are two (2) distinct plans suitable to different individual needs.

   Eligibility criteria for ORP are published in Chapter 25, Rules and Regulations of the Texas Higher Education Coordinating Board.

   2.4. Participation in the TDA and DCP programs is voluntary, is in addition to membership in the TRS or ORP, and is available to both TRS and ORP participants.

3. **Definitions**

   3.1. Teacher Retirement System (TRS).

   TRS is a tax-deferred defined-benefit plan in which investment risks are absorbed by the state. Both the employee and the employer make contributions to TRS based on legislatively-determined percentages of the employee’s salary. Contributions go into a large trust fund that is managed by the TRS. It provides stability and does not require any investment decisions from individual members. Benefits are available for retirement, disability and death. Retirement benefits are based on a legislatively-determined formula that uses highest salary and number of years of service at certain ages. Retirement income is provided for a specified number of years or for life. Upon termination from Texas public education, TRS members who do not desire a retirement benefit may withdraw employee contributions (plus interest). Employer contributions remain with TRS. Optional Retirement Program (ORP).
3.2. Optional Retirement Program (ORP)

ORP is a tax-deferred defined-contribution plan under IRS section 403(b) in which each participant selects from a variety of investments offered by several companies through annuity contracts and mutual fund investments. Both the employee and the employer make contributions to ORP based on legislatively-determined percentages of the employee’s salary. Since participants manage their own personal investment accounts, ORP entails more individual risk and responsibility than that associated with TRS membership. Benefits are a direct result of the amounts contributed and the return on investments made by each participant. Upon termination from Texas public higher education, ORP participants who have more than one (1) year of participation retain control over all investments (both employee and employer contributions). In the case of participants with one (1) year or less participation, employer contributions must be returned to Lamar State College-Port Arthur. Post-termination distributions are determined by individual contract provisions and federal income tax law. Contracts may provide for lump sum withdrawals, periodic withdrawals or annuity income for a specified number of years or for life. Administrative costs are paid through varying fees, “loads”, and/or interest paid.

3.3. ORP Employer Contribution Rate

3.3.1. Effective 9/1/91, the Texas Legislature changed the employer contribution rate from 8.5% to 7.31%. Lamar State College-Port Arthur authorized the use of other funds to provide a 1.19% supplement for all participants (new or continuing) to restore the 8.5% rate.

3.3.2. Effective 9/1/95, the Texas Legislature reduced the employer contribution rate to 6% and all new participants became ineligible for the supplement. The rate for participants who were contributing on 8/31/95 remained at 7.31%. For these grandfathered participants, Lamar State College-Port Arthur authorized the use of other fund to continue providing the 1.19% supplement for a total rate of 8.5%.

3.3.3. Effective 6/20/03, the Texas Legislature allowed any participant who had been enrolled in Texas ORP at any time before 9/1/95 (with or without a break in service) to receive the higher grandfathered contribution rate of 8.5%. An employee who transfers from a non-Texas ORP plan, and has never been enrolled in a Texas ORP is considered a new participant and, therefore, only eligible for the 6% contribution rate.

3.3.4. Effective 9/1/2011-8/31/2012, the state contribution rate is 6.0%. Institutions are authorized to provide local supplements to the ORP state base rate (up to 2.5 percent for grandfathered employees).

3.3.5. Effective 9/1/2012 – 8/31/2013, the state contribution rate is 6.4%. Institutions are authorized to provide local supplements to the ORP state base rate (up to 2.5 percent for grandfathered employees).

3.4. Tax Deferred Account (TDA).

The TDA Program is a voluntary 403(b) plan which provides an opportunity for employees to save pre-tax dollars from their salaries in addition to either TRS or ORP. There are no employer contributions under this program. A salary reduction agreement signed by the employee at any time of the year authorizes Lamar State College-Port Arthur to send pre-tax salary amounts to a TDA with an approved carrier.

The maximum allowable deferral is determined by the IRS. Withdrawals are only permitted when an employee separates from service, dies, reaches age 59 ½, becomes disabled or qualifies for financial hardship. Some contracts provide for low-interest loans.
3.5. Deferred Compensation Program (DCP).

This voluntary program called the Texa$aver Plan is a 457 Plan and is separate from and in addition to the other retirement programs. Under DCP, an employee may enter into an agreement with the College at any time to reduce the employee’s taxable income and save for retirement on a tax-deferred basis. The amount of reduction is invested in products approved by the Employees Retirement System of Texas (ERS).

The maximum allowable deferral is determined by the IRS. Withdrawals are only permitted when an employee leaves state employment, dies, reaches age 70½ or qualifies for financial hardship.

3.6. Years of Service.

3.6.1. Years of Service include all prior state service where an employee was eligible for ORP, TRS, or ERS retirement programs, as verified by each retirement system.

4. Approval of ORP and TDA Carriers

4.1. All companies which meet federal, state and college conditions and procedures for approval will be allowed to write Optional Retirement Program and Tax Deferred Account contracts.

4.2. All companies desiring approval to sell ORP or Tax Deferred Account contracts must submit the required documentation according to the College’s vendor specifications.

4.3. Human Resources staff will review all applications submitted and recommend additions or deletions to the Board of Regents for Optional Retirement Program carriers or the Vice President for Finance for Tax-Deferred Account carriers.

5. Procedures For Retirement

5.1. An employee must meet the following minimum criteria to be eligible for retirement from Lamar State College-Port Arthur under either ORP or TRS:

5.1.1. Eligibility requirements for unreduced service retirement if you joined TRS before September 1, 2007, and remain a member until retirement:

5.1.1.1. Age 65, with at least 5 years of TRS service credit or

5.1.1.2. Rule of 80 (your age and years of TRS service credit total 80), with at least 5 years of TRS service credit

5.1.2. Eligibility requirements for unreduced service retirement if you join TRS on or after September 1, 2007:

5.1.2.1. Age 65, with at least 5 years of TRS service credit; or

5.1.2.2. Age 60, with at least 5 years of TRS service credit, and you meet the Rule of 80; or

5.1.2.3. Age 55 with at least 20 years of TRS service credit, and you meet Rule of 80, and you are grandfathered. (see TRS Benefits Handbook)

5.1.3. Eligibility requirements for reduced annuity:

5.1.3.1. Age fifty-five with five (5) or more years of service: or

5.1.3.2. Any age below fifty with thirty or more years of service (may or may not be a reduced annuity); or

5.1.3.3. Any age if approved for “disability retirement”.

Page 137 of 181
6. Service is defined as any combination of creditable service as a member of TRS or the ORP in the State of Texas.

   6.1. The employee should notify his or her supervisor of an intended retirement date at least thirty (30) days in advance or more if possible.

   6.2. A TRS employee should contact TRS four (4) to six months prior to the date of retirement and submit a “Request for Estimate of Retirement Benefits” form (TRS 18). Members must file an “Application of Service Retirement” form (TRS 30) with TRS before the effective date of retirement which is always the last day of the retirement month.

   An ORP employee should contact his or her individual carrier or carriers to make arrangement for distribution of funds. Distribution may be delayed if desired. However, a minimum distribution is required by the IRS at age 70 ½.

   6.3. The employee should contact Human Resources a minimum of thirty days in advance of retirement to complete necessary paperwork and insurance enrollment forms. Retiree insurance enrollment is open for thirty days after retirement (if applicable).

7. **Retiree Insurance Eligibility Criteria**

   Health and other insurance benefits for members and retirees are subject to change based on available State funding. The Texas Legislature determines the level of funding for such benefits and has no continuing obligation to provide those benefits beyond each fiscal year.

   7.1. An employee must meet all of the following criteria to be eligible for retiree insurance through ERS.

      7.1.1. **Service Credit. General Requirement**

              You have at least 10 years of service credit in ERS, TRS, the Optional Retirement Program (ORP), or any entity that participates in the state retirement program.

      7.1.2. **Service Credit. Group Benefits Program participation Requirement**

              Of the required 10 years of service credit in #1 above, employees hired after 8/31/01 must have 10 years of actual service in a GBP-participating agency or institution to qualify for retiree health insurance. Employees hired prior to 9/1/01 are grandfathered under the old rule, which required 10 years of service, but only three (3) years of actual service with a GBP-participating agency.

              **There are two (2) exceptions:**

              (1) If you started work for the State before September 2001, you may qualify for insurance benefits if for at least three (3) of your 10 years you were an employee at a state agency or institution of higher education participating in the GBP. (The University of Texas and Texas A&M University Systems and all public independent school districts do not participate in the program.)

              (2) If your service with the State began after September 2001, you must have 10 years of service credit with an agency or higher education institution participating in the GBP to receive retiree group health, dental and optional insurance benefits.

              In addition, any member who has purchased five (5) years of military service and also has five (5) years of state service prior to 9/1/01 can qualify for retiree health insurance.

   8. **Age or Rule of 80 Requirement**

   You are at least 65 or retire under the rule of 80. If you do not retire under the Rule of 80 and are less than age 65 with at least 10 years of service credit at the time of retirement, you will not be eligible for GBP health insurance until you reach age 65.
9. **Employment Status I**

You have terminated employment from all state agencies and institutions that participate in the state insurance program or are no longer eligible for the program as an employee.

10. **Employment Status II**

Your last place of public employment prior to retirement was with an agency or institution participating in the State's insurance program.

11. If an employee retires before age 65 with at least 10 years of eligible service credit and does not meet the Rule of 80 requirement at the time of retirement, the following may apply.

11.1. **Retired at less than age 65 – retired directly from active employment** – and not subject to a 90-day waiting period: The 65th birthday is the event that makes a retiree eligible for health insurance.

Evidence of insurability is not required to obtain health insurance, provided enrollment occurs during this initial period of eligibility. A positive election for health insurance must be made before the first day of the calendar month following the retiree’s 65th birthday to enroll without EOI.

If the retiree’s 65th birthday falls on the first day of a month, the effective date will still be the first of the following month.

11.2. **Retired at less than age 65 – retired from a non-contributing status** – and subject to a 90-day waiting period (terminated employment prior to retirement). The 65th birthday is the event that makes a retiree eligible for health insurance. Evidence of insurability is not required to obtain health insurance, provided enrollment occurs during this initial period of eligibility. A positive election for health insurance must be made before the first day of the calendar month following 90 days after the retiree’s 65th birthday to enroll without EOI.

If the 90th day falls on the first day of a month, the effective date will still be the first of the following month.

12. **COBRA – GBP interim insurance – Optional coverage.** An employee who terminated and/or retires before age 65 may be eligible for up to 18 months of COBRA coverage. In addition, a retiree and his or her dependents are eligible for GBP Interim Insurance until age 65 provided the retiree:

12.1. Served in a position eligible to participate in the GBP as a state officer or employee on or before August 31, 2003; and

12.2. At the time of retirement meets the requirements for retiree health insurance as those requirements existed on August 31, 2003.

13. **A retiree eligible for GBP interim insurance** will pay the total actuarial cost as determined by ERS board. Retirees are encouraged to utilize COBRA coverage first since the premiums for interim insurance are much higher than COBRA.

14. **Procedures For Employment After Retirement**

14.1. TRS service retirees who plan to work in Texas public education after retirement should carefully review all requirements that apply to such work. If the retiree does not effectively terminate employment, or if the retiree’s work is not in compliance with the requirements, the retiree could:

14.1.1. Revoke his or her retirement entirely, or

14.1.2. Lose monthly annuity payments for work that exceeds the allowable amount.
14.2. To work after retirement without revocation of retirement or loss of benefits, a retiree must:

14.2.1. Terminate all employment with a TRS-covered employer

14.2.2. Wait to negotiate a return to employment as permitted under law,

14.2.3. Not be employed or otherwise work for a TRS-covered employer during the required one (1) full calendar month break in service after the retirement effective date, and

14.2.4. Work only the amount of time permitted under one (1) of the employment-after-retirement exceptions. The exceptions permit certain kinds of employment without losing the annuity for the month in which the employment is performed.

These requirements apply to all retirees, service and disability and both normal and early age. However, there are some differences in how the requirements are applied, depending on retirement circumstances. Please contact TRS if you are considering returning to employment in Texas public education after retirement and are unsure whether your employment will affect your retirement or your monthly annuity payment.

14.3. ORP Retirees. Beginning immediately after retirement, retirees may return to work without any restrictions.

15. Procedures For Obtaining Information and Evaluation

15.1. Human Resources Office will maintain current information on all retirement programs, including a list of all approved TDA and ORP carriers, and is responsible for processing all retirement program applications.

16. Certification Statement

The Retirement Programs Policy has been approved by the following individuals in their official capacities and represents Lamar State College-Port Arthur policy and procedure from the date of this document until superseded.

components. It is not intended to operate as a fringe benefit plan under Section 127 of the Internal Revenue Code.

2. Definitions

2.1. **Benefits-Eligible Employee.** Any Lamar component employee defined as a regular full-time employee by the Teachers Retirement System of Texas is a Benefits-Eligible Employee. This includes all persons employed for a definite period of at least four and one-half months or one (1) long semester at a workload not less than one-half of the standard workload, excluding those employees who are required as a condition of employment to be enrolled as students.

2.2. **Course.** Any course offered by a Texas state institution of higher education for which Academic or Technical credit is awarded upon successful completion of the course. The term "course" shall include any associated laboratory or other practical instruction only if such instruction is an integral part of the course, and is not separately numbered. The term course shall include "Developmental" and "Pre-Collegiate" courses and laboratories that are offered on a regular basis by a Lamar component and published in its official undergraduate academic catalog.

2.3. **First Class Day.** For a class offered under any regularly published semester or term schedule, the official "first class day" established for that semester or term regardless of the actual date of the first meeting of the specific class. For any class for which an official "first class day" is not established or cannot be determined under the preceding definition, the date of the first scheduled meeting of the class.

2.4. **Standard Workload.** The standard workload for an employee (100% FTE) shall be the workload defined in State law or regulation as the standard workload. If no such definition is available, the percent FTE reported for that employee to the Texas Higher Education Coordinating Board in accordance with Lamar component rules and procedures shall be used for purposes of the plan.

3. Eligibility

3.1. A Benefits-Eligible Employee is eligible to make application for payment under the plan for any course, the First class day of which falls on or after the day that the employee has been a Benefits-Eligible Employee for a continuous period of six (6) calendar months.

3.2. An employee whose application is significantly incorrect in fact, who violates the provisions or procedures of the plan, or who fails to complete his or her obligations under the Plan, may be declared ineligible for any subsequent participation in the Plan.

4. Payments

4.1. Payments will be made, subject to the other provisions of the Plan, for any course which will maintain or improve the skills required for the employee's current job. The institutions have determined that, since the primary business of each is to provide courses leading to a degree, any undergraduate degree will improve the skills required of any employee. Payment will thus be made for any undergraduate course which is required on any degree plan that the employee may be pursuing. Payment for graduate classes or other undergraduate classes will be made only if the employee's supervisor certifies that the specific course is directly relevant to the employee's current position.

4.2. Payments will be made, subject to the other provisions of the Plan, for no more than one (1) course per semester for any employee.

4.3. Payments are applicable only to the course for which approval was granted. A new application must be fully approved as specified in Section V before a different course may be substituted under "drop and add" procedures for the originally approved course.
4.4. If an employee has previously been the beneficiary of payment under this plan for a course, payment will not be made a second time for the same or an equivalent course, except when the course was officially dropped (or the student officially withdrew) owing to documented medical causes or at the request of the employee’s supervisor on account of workload considerations.

4.5. Payments will be made, subject to the other provisions of the Plan, for no more than two (2) courses per academic year (nominally September 1 through August 31) for any employee. Payments will be made during summer terms for eligible employees even though they are not employed during the summer months if such employees are Benefits-eligible during the semester immediately preceding the summer, unless they have resigned or their employment has been permanently or indefinitely terminated.

4.6. The maximum payment for any one (1) course shall comprise tuition and all fees associated with the course. In the event that an employee is enrolling in more than one (1) course at a Lamar component or component(s) during the same semester, the employee shall pay the incremental charges for tuition and other fees resulting from the additional course(s). This report along with any receipts must be completed and turned in weekly or when returning the vehicle from a trip.

3.11 Vehicle Inspection Form: A form that is used by the Fleet Manager’s designee to evaluate and record the condition of each vehicle on a routine basis and prior to delivery for travel out of the area.

3.12 Operate: To be in actual physical control of a motor vehicle upon a highway.

4. Using College Owned Vehicles

4.1 Appropriate Use: College vehicles should be used only by persons who are acting within the course and scope of LSCPA related activities or employment.

4.2 Eligible Drivers: In addition to meeting all other criteria in this policy, only those persons whose names appear on the LSCPA payroll and are regularly scheduled to work more than twenty (20) hours a week should be asked or allowed to use College owned motor vehicles.

4.3 Exception: The President of the Student Government Association (SGA) may be allowed to drive a campus fleet vehicle under the following circumstances:

  4.3.1 The SGA President meets all other criteria set forth in this policy and procedure.
  4.3.2 No other eligible driver from LSCPA will be accompanying the SGA President on the trip.
  4.3.3 The SGA President has written authorization to drive from the Dean of Student Services or the College President.

4.4 Driver Authorization:

  4.4.1 Employees who drive LSCPA vehicles as a function of their employment with the College must maintain a current Approved Driver Certificate on file with Human Resources and hold a Texas Driver’s License. Employees must maintain and provide proof of liability insurance when requested.

  4.4.2 Employees who drive only occasionally for special functions or trips must complete a MVR form and a Department of Public Safety Application for Copy or Driver Record (DR-1 form) and submit it to the Human Resources Office four (4) weeks prior to their scheduled departure time. This will allow time for insurance and a DPS driver record check prior to issuance of an Approved Driver Certificate. Human Resources will notify the Fleet Manager regarding approval status. Employees must maintain and provide proof of liability insurance when requested and by pre-approved by the travel committee.

4.5 Authorization: Use of a LSCPA vehicle for an off campus trip by those employees that are not routinely assigned a vehicle to drive must be authorized in writing by completing a Vehicle Request form which can be sent through campus mail or faxed to the Physical Plant department (409-984-6007). The Vehicle Request form can be accessed on the Physical Plant web page at http://www.lamarpa.edu/dept/pp/forms/vehicle-request.pdf. This authorization may be made by the employee’s Department Chair, Dean or Director, Vice President or President of the College.
4.6 Secondary Drivers: Trips of long duration may require a secondary driver to assist the designated driver. A secondary driver must have an Approved Driver Certificate on file, hold a Texas Driver’s License and have their travel appropriately authorized prior to departing the campus. Secondary Drivers must be listed on the Vehicle Reservation form. Employees must maintain and provide proof of liability insurance when requested.

4.7 Vehicle Passengers:

4.7.1 Family members:

4.7.1.1 Unless a family member is also an employee, student or participation of such a person is approved as part of a sanctioned event of this institution; each employee who operates a College-owned vehicle should be made aware that there is no liability coverage for members of any employee-driver’s immediate family who are passengers in College-owned vehicles. Therefore, sufficient personal insurance coverage should be in place if a family member accompanies an employee who is driving a College-owned vehicle. It is the driver’s responsibility to verify passenger’s insurance coverage prior to departure.

4.7.2 Students/Other Passengers:

4.7.2.1 Additional limited trip insurance for students traveling on authorized trips conducted and sanctioned by the College is available and recommended for all such travel. Arrangements for this coverage require prior notification of and confirmation by the Office of the Director of Student Activities. This additional liability coverage is available to students only. All other authorized passengers must have sufficient personal insurance coverage. It is the driver’s responsibility to verify passenger’s insurance coverage prior to departure.

4.7.3 Hitchhikers

4.7.3.1 Hitchhikers are not allowed to ride in any fleet vehicle.

5. Using Personal Vehicles

5.1 Notice of Potential for Personal Liability: LSCPA recognizes that employees occasionally use personal vehicles while engaged in College-related activities on campus and in the local area. Because personal automobile insurance will be looked to first in the event of an accident, all persons who use their vehicles while conducting College business should be made aware of the possibility of personal liability related to such use. Employees using their personal vehicles for College-related activities are required to carry the state minimum of auto liability insurance. In addition, the employee may be asked to produce proof of insurance prior to approval of travel. The College provides limited secondary liability coverage for damages arising from use of a personal vehicle; however, members of the driver’s family and other employees are excluded from coverage under that policy.

5.2 Reimbursement for Costs of Using Personal Vehicles: College fuel cards will not be issued for use in personal vehicles used to conduct college-related business. Mileage costs related to any significant use of personal vehicles to conduct College-related business may be reimbursed to employees upon approval of department chair, dean or director and the Travel Committee. Reimbursement is contingent upon travel approval by the Travel Committee. Employees can access the Request to Travel at College Expense form at [http://www.lamarpa.edu/?url=/dept/fa/index.html](http://www.lamarpa.edu/?url=/dept/fa/index.html). The rate of reimbursement per mile is set by the State of Texas (Web site: [http://ecpa.cpa.state.tx.us/mileage/Mileage.jsp](http://ecpa.cpa.state.tx.us/mileage/Mileage.jsp)).
5.3 Use of Personal Vehicles Not Required: No individual shall be required to use his or her vehicle to perform College-related activities.

6. Rental Vehicles

6.1 Travel Authorization: Rentals are only for employees whose travel is authorized by LSCPA. Authorization requires written approval from the dean or director of the traveling employee’s department and the Travel Committee. Employees using rental vehicles for College-related activities are required to carry the state minimum of auto liability insurance. The employee may be asked to produce proof of insurance prior to approval of travel.

6.2 Approved Driver Certificate: Employees who drive College rental vehicles as a function of their employment must maintain a current Approved Driver Certificate® on file in the Human Resource office.

6.3 Use of Travel Agent: Please refer to the Web Link for state agency contracts: http://www.window.state.tx.us/procurement/prog/stmp/ LSCPA is exempt from state taxes. Present the rental agency with the Motor Vehicle Rental Exemption Certificate, Motor Vehicle Verification Certificate for Rental Tax and Texas Sales and Use Tax Coordinator in the Business Office.

6.4 Reimbursement of Rental Car Insurance: The state will not reimburse employees for car rental insurance.

The records will be obtained and maintained by the Human Resources Office. Establishment and maintenance of driver ratings will be the responsibility of the Director of Human Resources. An acceptable rating to drive a College vehicle shall be a 2 or above. An Approved Driver Certificate® will be issued only to an employee with a rating of 1 or 2. An employee with a rating of 3 must attend a Defensive Driver training class before returning to an approved status. It is the responsibility of the employee to schedule required remedial training on his/her own time and bear the cost of the training. Any employee with a rating of a 4 or 5 shall not be eligible to operate a LSCPA vehicle or be allowed to rent a vehicle under the College’s name. Employees using vehicles for College-related activities are required to carry the state minimum of auto liability insurance and hold a Texas Driver’s License.

7.2 The MVR rating shall be based on the last 3 years of driving experience and will be judged under the following criteria.

7.2.1 Superior. No traffic citations or motor vehicle accidents.

7.2.2 Good. No more than one (1) moving traffic citation and one (1) motor vehicle accident (not at fault).

7.2.3 Marginal. No more than two (2) moving traffic citations, two (2) motor vehicle accidents (not at fault) or one (1) at fault motor vehicle accident.

7.2.7.1 All moving violations not listed as Type “A” violations.

7.3 M.V.R. Review Schedule: A motor vehicle record (M.V.R.) shall be obtained on all employees whose job duties would include driving a LSCPA owned, rented or personal vehicle while on College business. The M.V.R. shall be reviewed and updated regularly based on the following schedule:

7.3.1 Prior to employment: The Human Resources Department will ensure that prospective employees, requiring a M.V.R., submit driving records before a job offer is extended. Human Resources will review those records to ensure acceptability for positions requiring the driving of a vehicle while conducting College business.

7.3.2 Annually: The driving records of employees who are required to drive will be reviewed annually by the Human Resources Department. The employee’s Department Director and the College Fleet Manager will be notified of any change in the driver’s status. The Human Resources Director will distribute the Department of Public Safety’s Application for Copy of Driver Record (DR-1) on
or about August 1 of each year. Employees will be given a thirty-day window to complete and return the form to the HR office. Failure to do this will result in a temporary suspension from driving any LSCPA owned, rented or personal vehicle while conducting business for the College. The Director of Human Resources will submit a DR-1 form for each driver to the local D.P.S. office in order to acquire driving records. All information from these records will be kept confidential.

7.3.3 Upon notification of an accident or citation: If an employee has been involved in a motor vehicle accident or receives a traffic citation it is the employee’s responsibility to notify the Human Resources Office of the change in their driver status. **Failure to make such notification in a timely manner could result in a revocation of driving privileges, and/or disciplinary action up to and including termination.**

7.3.4 Upon notification of suspension, revocation or expiration of the operator’s license: Driving privileges are automatically suspended when the employee’s valid Texas Driver’s License has been suspended, revoked or expired. It is **mandatory** that an employee inform the Human Resources Department when such a suspension, revocation or expiration occurs.

7.3.5 **Individuals who do not have a valid Texas driver’s license are forbidden from operating any state-owned or rented vehicles. They are also banned from driving personal vehicles on State business while collecting for mileage.**

7.3.6 M.V.R. Administrative Responsibility: The Human Resources Department shall maintain a list of all regular LSCPA drivers. Fleet Policy and Procedures training will be made available for employees and is in addition to counseling/training for any driver involved in a motor vehicle accident or who has received a traffic citation. Information gathered as part of this program shall be confidential. Assignment of additional driver training will be the responsibility of the Director of Human Resources. An employee may be required to bear the expense and time of any remedial training assigned due to a poor rating on the MVR. Driver training can include, but is not limited to

7.3.6.1 Defensive Driving Classes
7.3.6.2 One-day seminars on driving improvement
7.3.6.3 Driver training videos on needed specific driving skills.

7.4 The Director of Human Resources shall notify the Fleet Manager regarding approval status for each employee that is eligible to drive a College vehicle. The Director of Human Resources shall also notify the Fleet Manager immediately upon revocation of an employee’s driving privileges.

9. **Student Travel**

9.1 **Student Travel Authorization and Supervision.** College related activities that require student travel must be authorized by the sponsoring department’s Dean or Department Chair. The authorizing Dean or Department Chair must designate a Trip Sponsor who will be responsible for the safety and conduct of the trip. The Trip Sponsor is responsible for each student who is a passenger being transported to a college related activity in a college vehicle.

**Exception.** Student employees of the College, in the course of their employment, may be drivers on and in the vicinity of campus. All student travel must be noted to the Director of Student Activities and Dean of Student Services prior to the trip.

9.2 **Use of Students as Drivers.** Students, except student employees, are expressly excluded from operating College vehicles. Student employees must 1) hold a valid Texas Driver’s License and 2) have an approved Driver Certificate issued by LSCPA.

9.3 **Insurance Requirements for Transporting Students.** Special event insurance is available through the Student Services office. If students are transported in rental vehicles, the college, through the State of Texas, has rental sources that offer special rates and inclusive insurance for travel. The Trip Sponsor will use their State Travel Card which includes the LSCPA agency code to the rental agency. Without the State Travel Card a sponsor must contact the Travel Coordinator in the Business Office to make such reservations and rental for the trip. If students are to be transported in rental vehicles on the sponsor’s personal payment, personal injury and personal effects insurance must be purchased as part of the vehicle rental agreement. This is particularly important where vans or buses are rented to transport a large number of students in a single vehicle.

Each student who travels by motor vehicle or any other form of transportation to participate in a college-related activity, including but not limited to academically related fieldtrips or courses, competitions or contest; or non-academic activities such as those sponsored by Student Services, must execute a copy of the Release and Indemnification Agreement and Authorization for Emergency Medical Treatment. Copies of these documents are available from the Student Activities Director.

If students use their own vehicles to drive themselves or transport other students to college related activities, they should be informed in advance that their personal insurance will be responsible for any liability arising from the trip.
9.4 Guidelines for transporting students involved in college related activities:

9.4.1 Load vehicles in accordance with vehicle manufacturer recommendations. When loading the large (¾ ton) vans no more than eleven (11) passengers should be transported. Drivers of the ¾ ton vans must maneuver with caution to avoid roll overs.

9.4.2 All occupants must remain seated with their seat belts fastened while the vehicle is in motion. The number of occupants must never exceed the number of working seat belts in the vehicle.

9.4.3 The use of tobacco products is not allowed in any of the College’s vehicles.

9.4.4 The Trip Manifest, Itinerary and Authorization for Student Travel documents shall be verified by the LSCPA sponsor of the trip and the driver.

9.4.5 Each vehicle transporting Students involved in College related activities shall be equipped with a first aid kit, a fire extinguisher, a flash light, a State Map of Texas, and a Comdata MasterCard. The Trip Sponsor makes arrangements to provide a cell phone for emergency communication.

9.4.6 Student trips will be planned in accordance with the following restrictions:

9.4.6.1 The maximum number of hours that a driver may drive in any calendar day is eight (8) hours.

9.4.6.2 The maximum number of hours that a driver may drive in a week is forty-eight (48) hours.

9.4.6.3 Every driver must take a rest period of at least twelve (12) hours between his/her driving period.

9.4.6.4 The maximum number of hours any passenger car or van may be driven during any calendar day is twelve (12) hours.

10. **Fleet Size & Maintenance**

10.1 Vehicle Disposal. Once the decision to dispose of a vehicle has been made, the vehicle should be sold as soon as practical.

10.2 Vehicle Replacement Schedule. The need to dispose of a fleet vehicle should be based on the State Vehicle Fleet Management Plan Replacement Schedule. Consideration should be given to age of the vehicle, mileage, and the cost of maintenance. State replacement guidelines indicate that a passenger vehicle with nine years of service and more than 100,000 miles should be evaluated for replacement. Cargo vehicles should be replaced when they have ten (10) years of service and accrue 110,000 miles. This replacement determination will also consider the use of the vehicle and if it has been exempted from the minimum mileage requirement.

10.3 Vehicle Acquisition: In order to make best use of the vehicles in the fleet and minimize overall fleet cost, the purchase of a new vehicle should be made only after careful consideration.

10.4 Vehicle Specifications. Specification for the new vehicle will be identified for the vehicle needed. The most cost effective manner will be pursued including purchasing through a Term Contract, purchase of a surplus or seized vehicle or acceptance of a donated vehicle (Texas State Vehicle Fleet Management Plan Phase III Section).

10.5 Fleet Evaluation. Fleet evaluation will occur on an annual basis to identify vehicles that meet the established replacement criteria, or vehicles with excessive repair, maintenance or operating expenses.
10.6 Approval. The President of the College and the OVFM must approve all additions to the LSCPA fleet.

10.7 Vehicle Delivery: All new vehicles will be inspected by the Fleet Manager or his designee upon delivery. Particular attention will be paid to any damage that might have occurred during shipment. All warranty papers and owner/operator documents will be listed and reviewed prior to accepting delivery. OVFM will be notified and provided with all of the required information concerning the addition, as soon as possible, after the College accepts a new vehicle into the fleet. The new vehicle will be added to the Fleet Maintenance Management Software (FMMS) database and a preventive maintenance schedule will be developed for the care of the vehicle.

10.8 Titles and Registration: All original vehicle titles and registration receipts will be acquired and maintained by the Office of the Property Manager.

10.9 Warranties, Recalls and Inspections: The Fleet Manager or his designee shall be responsible for the review and appropriate response to all factory recall issues. All warranty information and inspection dates will be entered in the Fleet Maintenance Management Software and Preventative Maintenance Software which will generate reminders for the maintenance staff of upcoming inspections or service requirements.

10.10 Fleet Maintenance.

10.10.1 Preventive Maintenance: Each vehicle in the fleet shall have a Preventive Maintenance (PM) plan for regularly scheduled maintenance. This plan shall be based on manufacturer recommendations for the vehicle model, type of use the vehicle typically encounters and the College’s previous experience in maintaining similar vehicles. Items such as tires, brakes, lubrication/ fluids and spark plugs should be placed on a regular maintenance interval. All PM work will be assigned and tracked through the Fleet Maintenance Management Software. The Fleet Manager will review the PM program annually to determine if the task and frequencies are adequate and if the results indicate the PM program is helpful in maintaining the vehicles and reducing operating cost.

10.10.2 Cleaning. Cleaning of vehicles is included in the Preventative Maintenance Schedule.

10.10.3 Repairs. Repairs are accomplished by in-house mechanics or taking to a mechanic shop as discovered through the PM process or by complaints reported by drivers.

10.10.4 Refueling. All of the vehicles in the LSCPA fleet are designed to operate on regular unleaded gasoline. Unless labeled otherwise, only Regular Unleaded Gasoline should be used when fueling. State employees are mandated to use the self-service island when refueling at retail fueling stations.

10.10.5 Fuel and Service Credit Cards. The College provides commercial fleet fueling cards to authorized drivers on an as needed basis. Although gasoline companies may promote the use of these cards for such charges as meals, motel rooms, or other services, it is not permissible for LSCPA held fleet fueling cards to be used for any service other than those associated with the operation of State-owned vehicles. These cards may be used to purchase fluids for the vehicle or pay for minor repairs that may become necessary during traveling.

3.5 All personnel (faculty, staff, technical assistants and certain matriculating students) will fully participate in the program as it may apply to their work area and work responsibility.

3.6 The “Hazard Communication Program” will consist of five (5) basic components:

3.6.1 Inventory and audit of hazardous chemicals and materials.

4. Materials, Inventory, Audits

4.1 Inventory. An initial inventory of all chemicals and materials will be made of all work areas and facilities that house potentially hazardous materials or chemicals. An annual audit will be conducted thereafter. All hazardous chemicals and materials required will be identified and listed. A copy of the listing for each work area will be kept with the MSDSs for that area (or in a secure location if the MSDSs are in the public areas) and all the lists compiled to make a master list for the department will be kept in the Hazard Communication Program Binder. Each listing will note at least the following information:

4.1.1 Name and contact information for persons responsible for the area or chemicals.

4.1.2 Date the list was compiled or updated, chemical or product common name and manufacturer, and typical maximum quantity of the chemical or material (volume, mass or weight).

4.1.3 General location within the work area where material is kept (storage cabinet, shelves, etc.).

4.1.4 Hazard Type (See MSDS or http://chemlabs.uoregon.edu/Safety/NFPA.html).

4.2 Additions of new potentially hazardous materials or chemicals must be reported to the supervisor and then to the HCPA. Typically the person responsible for material will update the list for the specific work area and ensure that the master list is updated by forwarding the changes and an electronic copy of the MSDS to the HCPA or appointee via the Work Order Request located at http://www.lamarpa.edu/dept/pp/forms/workorder.sapx. The HCPA or appointee will forward the information to the webmaster for MSDS list on the website and a copy will be filed in the master Hazard Communication Program Binder, Section 1 in the Physical Plant Resource Library.

5. Material Safety Data Sheets (MSDS)
5.1 An MSDS will be provided on all required chemicals and materials used within the department located in Section 4 of the Hazard Communication Program Binder.

5.2 A Master MSDS File will be located at http://www.lamarpa.edu/?url=/dept/pp/msds/index.html. A master list of chemicals and materials will be located in the Resource Library at the Physical Plant.

5.3.1 Automotive Mechanics Labs
5.3.2 Allied Health Labs
5.3.3 Armory

5.3.5 Cosmetology Labs
5.3.6 Paint Shop
5.3.7 Physical Plant, Mechanic Shop, Housekeeping, Grounds Maintenance
5.3.8 Science Labs: Biology, Chemistry

5.4 The original inventory listing and audits will be used to ascertain that there is an MSDS as may be required for each chemical or material item and that all containers are properly labeled and stored.

5.5 In the event an MSDS is not available or should a new chemical or material be introduced for use without a required MSDS, the immediate supervisor should be promptly notified. That supervisor will contact the responsible DHCC to see that the matter is corrected. MSDS electronic files will be forwarded to the Physical Plant via the Work Order system http://www.lamarpa.edu/dept/pp/forms/workorder.aspx throughout the year for items added for master list update. New chemicals should be added to the list in Section 1. Hazardous Chemical Inventory in the Hazard Communication Program Binder for that department along with a hard copy of the MSDS for the new chemical.

6.1.3 Recommended use of the chemical (e.g., a brief description of what it actually does, such as flame retardant) and any restrictions on use (including recommendations given by the supplier).

6.2 A hazardous chemical or material label will not be removed from its container, nor will such a label be defaced.

6.3 Should it become necessary for a label to either be introduced by the department or replaced on a hazardous chemical or material container, such a label will display the
