Comments/Future Topics of Interest:

What a wonderful community. I feel very welcome. Great group of folks here. Do this the 1 st week of class not the week before. While informative, I have better uses for my time getting ready for classes! Future topics – basic self-defense. Best faculty development ever! Good job on the planning of the program!
Great topics/presenters. These 2 development days were very productive and informative. Good faculty development. Very interesting faculty development day presentations. Looking forward to Spring 2016 version. Great job on improvement over last year! Best faculty development ever. Thank you!
Excellent job on Breakout Sessions! Please start @ 9:00. Great in-service days! Great presenters! Great fellowship! Great food! Good food. Good presentations. One of my favorite sessions.
