Request for a change in the accepted Loan amount

A student loan offer may be accepted/declined/modified on the student online portal through their MyLSCPA Self Service Account. Once a loan is accepted, it is reported to the Department of Education. If a student wishes to make a change to the dollar amount of a loan that has already been reported to the Department of Education, they must submit a request in writing.

Subsidized loans are loans that do not earn interest while a student is still enrolled at least half time. Subsidized loan amounts are determined by a student's financial need. The Financial Aid Office will not approve an amount that is out of compliance with the Department of Education Regulations.
